**MILL VALLEY'S 3,000-ACRE 'MUSHROOM'**—Shaded area shows the City of Mill Valley's proposed annexation which would stretch the city of 11,950 from Strawberry to the sea. It includes 3,177 acres, the present city being 2,880 acres; Saucelito Canal, Strawberry Town and Country Village, the Golden Gate Baptist Seminary and a small parcel of Marincello. Small neck of annexation is at Coyote Creek near south end of Richardson Bay Bridge. Area at upper left is present Mill Valley city limits.

## Tiburon May Launch Annex Battle Tonight

The Tiburon City Council is expected to launch the city's battle for Strawberry when it meets tonight to vote on asking for the rest of the unincorporated peninsula.

Meeting at 8 p.m. in city hall, the council will decide whether to authorize City Mgr. Lawrence D. Rose to file an application with the Local Agency Formation Commission for an annexation hearing.

The struggle for Strawberry opened on a new front yesterday when 41 Strawberry residents filed a petition of intent to incorporate the area as a separate city.

The Tiburon council ordered Rose to prepare the annexation application last week, after it learned that Mill Valley City Mgr. Bert Balmer had written 50 Strawberry property owners asking permission to annex the land to Mill Valley.

## Marincello Portion May Be Annexed

By BRUCE COLEMAN

A grand plan of the city of Mill Valley, filed yesterday with the County Local Agency Formation Commission, would annex Strawberry and push the city's boundary to the sea.

The plan would more than double the area of the city. Now 2,880 acres, Mill Valley would add 3,177 acres.

The coveted Strawberry Town and Country Shopping Center would be added, as would the Golden Gate Baptist Theological Seminary — and 390 acres of Marincello.

Filing of the annexation map puts Mill Valley in the lead in a race between Mill Valley and the city of Tiburon as far as being heard by the Local Agency Formation Commission is concerned, City Mgr. Bert A Balmer said today.

Balmer said that the city of Tiburon forced his hand to file an annexation map early. The map was filed late yesterday.

Tiburon City Council is to meet at 8 p.m. today, when it is expected to approve the filing of an annexation map to annex Strawberry to Tiburon.

Balmer contends that Mill Valley is not stalemated by action Monday of 41 Strawberry residents who filed a notice of intent to corporate Strawberry as a city. Balmer maintains that action is "illegal" since it was filed with the County Clerk rather than with the Local Agency Formation Commission.

## Board Rejects Lone Bid On Health Center

A lone bid submitted yesterday on the community mental health center proposed as a joint county-hospital district project was $311,081 over the architect's estimate.

County supervisors rejected the bid and asked Public Works Director Donald R. Frost to

**DOES NOTEBOOK HOLD CLUE?**—This notebook "log" of operations of the Everett F. Zimmerman dairy farm at 1295 San Antonio Creek Road, near the Marin-Sonoma line, was scanned by sheriff's officers today in hope it may provide a clue to who killed Zimmerman and his wife. Sheriff's Inspector Marco Melovich holds the book. (Independent-Journal photos)

# Car Is Lead To Killer; Book May Hide Clues

## Farmhand List To Be Combed

By ROSS DAVIS

A dime-store notebook today supplied sheriff's officers with their second best of few clues in the savage skull-crushing deaths of a dairy farm couple in their home near the Marin - Sonoma County line.

Best lead to identity and location of the slayer of Everett F. Zimmerman, 57, and his wife, Margaret Jean Zimmerman, 51, officers hoped, may be a car which vanished from their garage.

A state-wide bulletin for the car, a wine-colored 1959 Chevrolet, California license EDC 701, last midnight was enlarged to include an alert throughout 11 western states.

Officers said whoever took the vehicle is almost certainly the killer.

The notebook, an ordinary 7-by-10-inch pad, is a running farm record book kept by the murdered couple. It contains such routine items as dates and prices of hay purchases, and statistics on milk sales by the Zimmermans.

More important, according to officers, it also contains the names of about six former hired hands, dating back to 1951. Undersheriff Sidney Stinson, who described the log as "fairly accurate" in farm activities, emphasized the book "doesn't indicate any disgruntled employees."

He added, however, that the former milders are identified, and all will be questioned if possible.

Undersheriff Stinson said the log, apparently in Mrs. Zimmerman's handwriting, skips only a few days. It was found in the home, a modest one-story house hidden by trees about half a mile south of San An-

**FRUITLESS SEARCH**—Sheriff's officers went foot-by-foot yesterday over the Zimmerman dairy farm property on San Antonio Creek Road, seeking the bludgeon with which Everett F. Zimmerman and his wife were slain as they lay in bed. Their search turned up no weapon.

## Earlier, Motiveless Killing Still Unsolved

By ROBERT STREBEIGH

Yesterday's double slaying of Everett and Margaret Zimmerman was the second murder without apparent motive to send a wave of shock through Marin County this year.

On Feb. 2, the brutally beaten body of Marjorie S. Rudolph was found immersed in the bathtub of her San Rafael home.

Her killing remains shrouded in mystery seven months later.

Like the Zimmermans, Mrs. Rudolph—wife of manager Leroy Rudolph of the main San Rafael branch of the Bank of America—was well liked and highly regarded in the community. The intensive investigation that followed turned up no enemies or grudges in her past.

Unlike the Zimmermans—who evidently were beaten to death in their sleep—Mrs. Rudolph saw her killer face-to-face. The 60-year-old woman put up a desperate struggle that left a trail of blood through several rooms of her otherwise immaculate house.

Robbery was ruled out as a motive in Mrs. Rudolph's murder, since her jewelry was left on her person and other valuables in the house were undisturbed.

There was official speculation that she must have admitted her killer to the house, since no sign of forced entry was discovered and it was her custom to keep the place well locked, especially at that time when her husband was in Marin General Hospital recovering from an operation and she was alone at home.

This ledt to the belief that

## Five Killed In Helicopter Crash

LOS ANGELES (UPI)—Famed "airwatch" pilot Capt. Max Schumacher and four other persons were killed yesterday in a flaming in-flight collision of two traffic-monitoring helicopters over Dodger Stadium.

Schumacher, 39, a Marine combat pilot during World War II and the Korean conflict, was at the controls of a helicopter he had flown since 1959 for radio station KMPC, owned by cowboy star Gene Autry.

The other aircraft, operated by the Los Angeles Police Department, was piloted by officer A. E. Ilnicki, 46, of Inglewood, Calif.

The other dead were identified as B. W. (Buck) Newcomb, 40, and his wife, Lorraine, 39, of San Gabriel, passengers in Schumacher's helicopter; and officer Larry D. Amberg, 28, of Long Beach, Ilnicki's observer.

Joe Hall, a witness, said Schumacher's helicopter appeared to be hovering at an altitude of about 500 feet when the police craft approached.

"It didn't look like they saw each other and then they collided," Hall said.

## Senate Favors Europe Troop Cut

WASHINGTON (AP)—Thirteen members of the Democratic Police Committee offered a resolution today to put the Senate on record as favoring a "substantial reduction" of U.S. forces in Europe.

Senate Democratic Leader Mike Mansfield of Montana told the Senate he had discussed the action with Senate Republican Leader Everett M. Dirksen of Illinois and "he is understanding of what is involved."

Mansfield also hinted broadly that President Johnson would welcome Senate approval of a resolution which would cancel the Senate's decision of 15 years ago that six American divisions are required in Europe.

He made unusual arrangement to pave the way for prompt Senate action on the resolution after the Labor Day recess.

## Thousands Homeless In Mexican Floods

PRESIDIO, Tex. (UPI) —The Rio Grande, gorged by flooding tributaries that inundated thousands of square miles of northern Mexico and forced thousands from their homes, surged toward a crest today.

It was the worst flooding along the normally almost dry stream since 1958. The river ran 18.5 feet past the port of entry at Presidio, instead of the normal three feet. Both approaches to the international bridge linking Presidio and Ojinaga, Mexico, were under water.

So were the river depth gauges.

Presidio, in a valley in the extreme south of southwest Texas is normally noted for being one of the hottest spots in the United States.

Customs officials conducted their business from rowboats, questioning travelers in other boats, the only way to cross the rampaging river.

Torrents of rain earlier in the week in the Mexican state of Chihuahua sent the San Pedro, the Florida and the Conchos rivers out of their banks, flooding hundreds of cotton farms.

At least 2,000 persons were homeless in north Mexico. The worst flooding was along a stretch of the Rio Grande northwest of Big Bend National Park.

## Sacramento In Running For Huge Atom Smasher

WASHINGTON (UPI) — For what must be the hundredth time, Chairman Glenn T. Seaborg of the Atomic Energy Commission has assured anxious congressmen that no choice has been made of a site for that much sought $375 million atom smasher.

Seaborg's latest assurances were given yesterday to the New York state cogressional delegation, which is supporting the Brookhaven National Laboratory on Long Island as the site. He said political considerations will not be involved in choosing from among the six sites under consideration. One of the sites is near Sacramento.

"It is a very difficult decision," Seaborg said.

"We are faced with a close balance in evaluating various factors involved. We will make the choice before the end of the year and it will be on the merits of the site only."

## Conservation Director

## Rare Surgery Fails To Save Judy Lynn, 5

ANN ARBOR, Mich. (AP) — Judy Lynn Funsch, 5, who underwent rare heart surgery, died today without achieving her cherished goal of enrolling in kindergarten.

The end came for Judy at 5:30 a.m. at the University of Michigan Hospital where last March she had spent six hours on the operating table for removal of an obstruction in a pulmonary vein bringing blood from the lungs to the heart.

The frail child had been home in Flint, Mich., for several months before returning to the hospital for observation three weeks ago. She had looked forward to entering school this fall.

But doctors were not satisfied with her progress. Judy had failed to add any weight to her 28-pound body. She tired easily, and remained pale. Two months after returning home, the pretty little blonde developed pneumonia for the 19th time in her young life.

A striking change in farm, rural and urban communities in northern Wisconsin has been wrought by a 20 per cent decline in population during the last two decades.

BARKED ABOUT MIDNIGHT—One of Zimmermans' three dogs, who were heard barking about midnight Monday, lies in yard outside house where the couple were slain. Asst. Coroner William C. Bradley estimated the time of death of Mr. and Mrs. Zimmerman at near midnight.
(Independent-Journal photos)

## MURDER

Continued from page 1

tonio Creek Road and a quarter of a mile south of the creek itself.

He described the victims as "nice, friendly people, not the type who would likely have disgruntled employees."

Neighbors and friends, he said, knew of no enemy of the Zimmermans.

Motive of the killings is unknown. There was apparently no robbery, Stinson said, nor any attempt at burglary.

Stinson said Mrs. Zimmerman's purse contained no wallet, but it has not been established if she had one.

An extensive search of the premises was conducted yesterday, and 15 deputies today were again combing the area. No murder weapon had been found.

There also was no indication inside or outside the house of any intruder or visitor. A T-shirt, a box of fresh candy, check stubs and a tube of jelly were found at the creek and in a field in back of the house, but Stinson said these are only things any search of an area would turn up, and are not considered significant finds at this time.

He said remoteness of the house would make it unlikely that a hitch-hiker could be involved.

Medical examination of the bodies, found in sleeping positions in the bed of their northwest bedroom, showed both had been brutally struck on the head with a blunt instrument, probably a board similar to a 2-by-4 plank.

It was first reported both victims had been shot. Examination, however, disclosed no gunshot wound.

There was a possibility that different weapons might have been used on each victim, the medical examiner said. Zimmerman, clad in long underwear pants and a T-shirt, was struck only once on the skull, fracturing it and forcing a half-dollar sized piece of skull bone about half-an-inch into the brain.

Mrs. Zimmerman, clad in a light nightgown and lying face down, had been struck 15 times. Her wounds evidenced the sharper edge of a weapon, while Zimmerman had a single, straight but rough head cut.

Sheriff's officers said wood splinters on the bed and on blood-splattered bedding gave indication that a wooden club or clubs were used.

Doctors who examined the bodies said nature of the injuries indicated that the slayer wielded it with both hands in an overhead clubbing fashion.

"They were quite good blows," said one doctor. There was apparently no struggle.

The preliminary autopsy had been completed today, but results of more specific examinations will not be finished until sometime next week.

Officers gave the following account:

The Zimmermans and Elsie Kay Sidbeck, 9-year-old daughter of Raymond and Alma Sidbeck of 404 San Francisco Boulevard, San Anselmo, had dinner Monday evening, watched television, then retired to bed about 9:30 p.m.

Sometime during the night, the barking of the Zimmermans' three dogs was heard in their yard by three sons of the wife of the Zimmermans' current milker, Hollis Raymond Davison. The boys, Douglas O'Kihra, 15, Joseph O'Kihra, 12, and Butch O'Kihra, age unknown, had been camping overnight in a tent between the Zimmerman house and Davidson cottage about an eighth of a mile away

Also during the night, the Sidbeck girl said she heard the noise of footsteps. She assumed it was Zimmerman arising at his usual hour of 4:20 a.m. to start milking.

At 9 a.m. yesterday she arose, saw no one about, and wandered up to the Davidson residence.

Davidson's wife, Betty, grew worried. She went to the Zimmerman house and found the slain couple.

Davidson called the Zimmercans' son, Dr. John E. Zimmerman, a Point Reyees Station veterinarian; Fred L. Zimmerman, brother of Everett Zimmerman who resides on a nearby ranch at 522 Red Hill Road in Sonoma County, and Petaluma police.

Petaluma police notified Marin sheriff's officers.

Investigators said Zimmerman's alarm clock was set for 4:20 a.m. The alarm had not been turned off, indicating Zimmerman was struck before then.

Asst. Coroner William C. Bradley said examination of the bodies indicated they probably were slain about 10 hours before being discovered.

Undersheriff Stinson said dozens of fingerpriints were taken inside the Zimmerman house. He said elimination of prints of the family and friends would be a "gigantic" task.

A neighbor, Mrs. Joseph Pacheco ofg 3786 I Street extension, Petaluma, said the Zimmermans were "wonderful people and nobody would want to harm them." She said she worked with Mrs. Zimmerman for several years in the "Mother's Club" and Mrs. Zimmerman's cookies were always the best.

"Everyone wanted her recipies," she said.

The victim's bodies were taken to Chapel of Marin, Novato.

## Missing Contractor's Body Found

The body of Louis A. Yuvan of San Rafael, missing since he failed to return from a boating trip last Thursday, was found today on McNear's Beach, behind the brickworks offices.

Asst. Coroner William C. Bradley said the body had apparently been washed up by the tide. It was found by a man looking for broken bricks.

The search for Yuvan, 49-year-old general contractor, began after the Coast Guard found his 26-foot cabin cruiser "going around in circles" in San Pablo Bay near the entrance to Petaluma Creek.

His wife, Louise Yuvan of 20 Fairhills Drive, raised the alarm when her husband failed to return from a trip he began from Loch Lomond Yacht Harbor Thursday at 6 p.m.

Bradley said an autopsy is scheduled at the Harry M. Williams Mortuary, San Rafael.

Yuvan had lived in San Rafael 16 years and longer in the county. He is survived by his wife; two sons, Lawrence and Louis A. Yuvan, and a daughter, Linda.

# Public Health Nurses Return To Higher Pay

SAN FRANCISCO (AP)—The city's public health nurses went back to work today with the promise of a 15 per cent pay boost—the result of their mass strike 24 hours earlier.

"Things are beginning to look normal," said a supervisor at San Francisco General Hospital.

Nearly 300 registered nurses went back to their jobs after reporting sick yesterday in support of their demands for higher pay.

They voted last night to return and accept a pay increase.

All 193 registered nurses scheduled for duty in the three public hospitals had reported themselves sick yesterday, causing Mayor John F. Shelley to declare an emergency which he said permitted evading city

Although nurses voted 347 to 104 to return, the working out of details of the mayor's offer was not completed. Civil Service commissioners are meeting today to recommend the increases and the Board of Supervisors is meeting to pass a special appropriation.

Needed after those measures is approval by city controller Nathan Cooper who says he will not act until courts explore the validity of Mayor Shelley's proclamation.

Cooper said the plan would cost the city nearly $900,000 between Sept. 1 and July 1, when a new fiscal year starts.

charter provisions against pay hikes in the middle of a fiscal year.

He offered a new scale starting tomorrow, ranging from $578 to $703 a month, depending on experience. The range had been $465 to $565.

she must have known the slayer, since members of her family, friends and neighbors told police she was a cautious woman who would never have admitted a stranger.

Stranger or not, the assailant bludgeoned her to death with an instrument that was never found, in what Coroner Frank J. Keaton called an "unusually violent assault."

An autopsy showed she was dead when immersed in the tub, leading San Rafael Police Chief Joseph J. Chiesa to ask: "What kind of a man beats a woman to death and then takes the time to fill a tub and put her into it? There are quicker ways to make sure she's dead."

It was that tub that yielded what slender clues San Rafael police were to uncover: a few unidentified fingerprints.

These, and what police call the "M.O.," the killer's method of operation, are on file with the state's Bureau of Criminal Investigation and Identification in Sacramento.

Chief Chiesa said yesterday that a careful watch is kept on the department's teletype for any crime in the state that might bear on the Rudolph murder. He said: "The CII is immediately asked to compare fingerprints in the new case with the ones on file."

Chiesa said Inspector Thomas Cheetham has traveled to cities throughout the Bay Area and to Sacramento to interview more than 45 suspects turned up in connection with other crimes of violence.

"We keep hoping something will turn up," Chiesa said.

That the something might be another murder is no comfort to the investigators. Until something does turn up, the Rudolph case joins a scattering of other unsolved killings in the county, the latest being:

On June 16, 1953, 41-year-old Mill Valley photographer Henri Strand was shot to death outside the Strawberry Point home of his former wife, Ann Strand Walter, shortly after they had finished celebrating together the fifth birthday of their daughter.

On May 9, 1958, Edwin Norbert Hart, 54-year-old San Rafael liquor store owner, was beaten to death with a bottle in his shop at 1605 Fourth Street. More than $200 was found on his person and nothing in the shop had been disturbed.

On Feb. 5, 1961, the nude body of Jerry Keith Sangster, 25-year-old itinerant carpet-layer and ex-Marine, was found shot to death in a shallow grave off Fairfax-Bolinas Road on Mount Tamalpais. He had last been seen alive three weeks before when boarding a bus in South San Francisco, ostensibly bound for Fresno.

find out what went wrong.

Frost said eight or nine contractors took out specifications for the job and by Friday, five were still interested in bidding. At noon yesterday, there were only two still interested and by 4 p.m. there was only one.

That was Pacific Coast Builders of San Francisco with a bid of $1,498,100, well above the estimate of $1,188,019 by architect Ellis Kaplan.

"There was concern over the ability of various agencies to pay the bill," Frost said. He also said he believes the new, tough non-discrimination hiring clause "entered into it."

Supervisors two weeks ago added a requirement calling for the low bidder to attend a prebid conference and produce written agreements from unions and subcontractors specifying means of on-job training and apprentice programs to increase minority employment.

Last Thursday county auditor-controller Michael Mitchell said there might be difficulty in finding money for progress payments, pointing particularly to the chance of delay in state and federal payments.

The state and federal government will each contribute a third of the project under the Short-Doyle Act. The remaining third will be provided by equal contributions from the county, Marin Hospital District and private contributors.

Frost was asked to set up a meeting with contractors who were originally interested and determine what restricted the bidding.

Dr. Clyde G. Miller, director of Community Mental Health Services, said the sole bidder informed him the figure had been increased as soon as it was learned there was no competition.

## San Rafael Youth Shot In Gun Accident

Doctors today fought to save the life of a 16-year-old San Rafael youth accidentally shot in the head when a rifle discharged last night during a teen-age jack rabbit hunting trip near Point Reyes Station.

Paul F. Merz of 179 Reservoir Road was listed in critical condition in the intensive care unit of Marin General Hospital, with severe wounds in the side and back of the head.

Merz was one of six youths, all under 18, who used two cars last night to go hunting jack rabbits on the New Albion Ranch, about five miles west of Inverness Park.

One of the party was Roger L. Garety, 16-year-old son of former Dist. Atty. Roger P. Garety.

According to Sheriff's Deputy William Christensen, the victim was riding in a car belonging to Garety. With him were Richard E. Wendell, 17, of 150 Sequoia Drive, San Anselmo, and Phillip L. Schwab, 16, of 40 Corte Ramon, Greenbrae, who was driving.

Wendell was holding a .22-caliber rifle with the barrel pointing outside the car window.

The car lurched over a rough bit of road, Wendell fell back in the car and the rifle went off, said Christensen. Merz slumped forward over the shoulder of the driver.

Both cars were driven to the Silver Dollar Tavern in Point Reyes Station, where sheriff's officers were called at 11:15 p.m.

In the other car were Garety; the victim's brother, Jeff Merz, 17, and Eugene Maffei, 16, of Corte de Sabla, Greenbrae.

CHINA RED GUARDS EXPEL NUNS

An elderly Roman Catholic nun, one of eight thrown out of Communist China after rampaging Red Guard teen-agers raided and shut down their school in Peking, is unloaded from an ambulance at a Hong Kong hospital. The youthful demonstrators are still reported roaming Chinese streets, but there were indications the students were being brought under control after more than a week of violence. The official Peking People's Daily said the Red Guards have expressed "warmest support" of the Communist Party's call for discipline.

# Freeway Fund Switch To Urban Areas Fails

SACRAMENTO (UPI) — Two rebel highway commissioners lost their bid yesterday to "balance up the imbalances" and switch freeway building funds from rural to urban areas.

Commissioners Alexander H. Pope and Joseph C. Houghteling, relative newcomers to the seven-member commission, lost their attempts at changes in the proposed $760 million 1967-68 highway construction budget on a series of 3-2 votes.

Both commissioners contended the state's rural areas were getting a greater share of the money than their residents had contributed in the form of gasoline taxes and vehicle fees.

Houghteling, a former state park commissioner, tried to switch $5.5 million from a redwood freeway project in Mendocino County to the San Francisco Bay Area. The motion died for a second.

He then joined Pope in a series of other motions asking for deletion of projects in Shasta and rural San Diego counties in favor of spending the money on urban roads. The motions were voted down by Commission Chairman Robert B. Bradford and Commissioners Abraham Kofman and Rogers W. Woolley.

Bradford and Chief Engineer J. C. Womack defended the projects as laid out by engineers and also suggested the budget had gathered too much momentum for a change.

"I think your point is perfectly legitimate," Bradford told Pope, "but it's untimely."

The highway budget will be voted upon early this fall. It then will be sent to the legislature next winter.

# More Racial Strife Seen In Violence Torn Michigan

By ASSOCIATED PRESS

Mayor Wilbert Smith of Benton Harbor, Mich., today declared a state of emergency but was turned down on his request for the dispatch of National Guard troops to this southwestern Michigan city torn by two straight nights of racial violence.

Gov. George Romney said at Lansing an 18-year-old Negro wounded in last night's gunfire had died, but he declined an immediate call-up of troops.

Romney told newsmen in Lansing: "I will take whatever additional steps are necessary to maintain law and order."

Romney indicated some Guard units had been placed under an alert, but refused to say if this specifically were the case.

Romney dispatched State Police Commissioner Frederick Davids here to take command of some 75 troopers on hand.

Before the governor announced the Negro youth's death, a policeman had told a reporter: "We're expecting more trouble, maybe today."

Cecil Hunt was cut down by bullets fired from a passing car and Police Sgt. Earl Merrill said witnesses saw two white youths in the car.

The shooting came after an unruly crowd of about 300 Negroes marched into a downtown area, throwing rocks and bottles at police and newsmen. The shots were fired after the crowd had been forced back into a Negro section and was beginning to break up into smaller groups.

During the march 14 persons were arrested for disorderly loitering. One Negro, who led the march for a short time, said the demonstration was to focus attention on what he called a lack of recreational facilities.

At Waukegan, Ill., where a 7:30 p.m. curfew was again imposed, eviction proceedings were initiated against a public housing tenant who was arrested during recent rioting.

Mayor Robert Sabonjian, saying people should not be allowed to use public housing as an arsenal, ordered David Kinder, 24, evicted.

Sabonjian talked to 32 Negro leaders during the day, and a rally of 150 NAACP members heard the Rev. H. J. Cook say, "I believe we have made a step towards a workable means by which we can solve the problems." He said the problems include segregation in housing and schools and job discrimination.

Sabonjian has called off the curfew and said he would hold meetings to resolve racial differences in the city. Sabonjian's action came after police arrested 56 curfew violators Monday night and confiscated automatic pistols, revolvers, ax handles, rubber hoses, knives and hammers. There were no incidents last night.

In Milwaukee, a hearing initiated by recent racial troubles was set for the Wisconsin Industrial Commission to investigate charges of discriminatory practices by social organizations.

The hearings arose from picketing against the membership of Circuit Judge Robert C. Cannon in the Fraternal Order of Eagles.

The Milwaukee Youth Council of the National Association for the Advancement of Colored People, which has been leading the demonstrations that eventually led to a callup of the National Guard, decided against a 12th straight night of protests yesterday.

Demonstrations are to resume tonight, however.

In Los Angeles, a fight between groups of Negro youths that police say attacked whites disrupted junior Olympic games attended by 10,000 teen-agers yesterday.

Fourteen young whites and three adults were treated at a hospital for injuries and then released. Officers booked three juveniles on suspicion of assault with a weapon, burglary and robbery.

Cicero, Ill., city officials decided to approve an open-housing demonstration set for Sunday, while renewing a request for National Guard protection.

Gov. Otto Kerner was to be asked today to call Illinois Guard units to patrol the march of 1,000 demonstrators.

A city officer announced yesterday a parade permit would be issued without the customary 30-day waiting period.

## Santa Cruz Taxes Down

SANTA CRUZ (AP) — Santa Cruz city and county tax rates will go down this fiscal year.

County auditor George Kriz said yesterday the count's rate per $100 assessed valuation is now set at $2.74, down 3.1 cents from 1965-1966.

The city tax rate dropped to $9.966 per $100 against last year's record $10.201. Capitola's tax rate will be $9.974, Watsonville $7.868 and Scotts Valley's $8.75.

The plane's registry number is N-2376-R.

## Soviets Ask U.S. Ban On Warren Commission Report

MOSCO W(AP) — The Soviet government has told the U.S. Embassy to stop distributing a Russian-language text of the Warren Commission report on the assassination of President John F. Kennedy, an embassy spokesman said today.

The Soviet Foreign Ministry called the report "slanderous to the Soviet people" and said its distribution in the Soviet Union was "improper and inadmissible," the spokesman said.

The embassy objected to the ban, denied the Soviet charges and asked the Foreign Ministry to reconsider. But the spokesman said there was little chance the Foreign Ministry would reverse itself.

The Warren Commission report was given to top Soviet government officials as an authoritative document of the U.S. government. Its distribution did not fall under any U.S.-Soviet agreement.

It was also distributed to 178 Soviets who had written the embassy and asked for copies.

## Training

WASHINGTON (AP) —The Labor Department awarded $7,800 Tuesday to the Joost Manufacturing Co. of Berkeley, for on-the-job training of the unemployed.

## Watts Riot Participants Had Work

LOS ANGELES (AP)—Rioters in south Los Angeles a year ago may not be the sort of persons they were thought to be, Atty. Gen. Thomas C. Lynch says.

Statistics of 3,927 persons arrested show the composite as a Negro high school dropout with an arrest record who was earning $200 to $400 a month as a domestic or unskilled laborer, Lynch said yesterday.

This, he said, "would seem to indicate that this group of individuals was not the same type of person as is usually booked on similar felony charges."

An 11-month study of arrests during the outbreak showed a police record less serious than that of many persons arrested at other times, he said.

Lynch also said of the rioters:

Most arrests — 74 per cent—were for burglary.

Most convictions — 69 per cent — were for misdemeanors such as trespassing and petty theft.

Nearly 57 per cent of the persons lived in rented quarters, and more than 31 per cent in the homes of relatives.

About 73 per cent were employed.

Nearly 32 per cent said they were high school graduates.

### FLAMING CHERRY RACK OF LAMB

3-pound rack of lamb**
seasoned salt
⅓ cup maraschino cherry juice
⅓ cup lemon juice
¼ cup chopped red maraschino cherries (about 10 cherries)
1 teaspoon cornstarch
½ teaspoon mace or nutmeg
4 orange baskets
grapes and whole red maraschino cherries
3 tablespoons Brandy

Place lamb on rack in shallow roasting pan; sprinkle with seasoned salt. Bake in moderate oven (325°F) 1½ hours. Meanwhile, stir cherry juice, lemon juice and chopped cherries into cornstarch and mace in saucepan; cook, stirring constantly until mixture boils. Drain off lamb drippings; pour ½ the cherry glaze over lamb. Bake 30 minutes; pour remaining cherry glaze over lamb and bake 10 minutes longer or until meat thermometer registers 175° to 180°F. (depending upon desired degree of "doneness"). Place lamb on serving platter and garnish with orange baskets filled with grapes and cherries. Heat brandy and ignite; pour over lamb. ## Booming Cannon Ousts Scarecrow

MILLINGTON, N.J. (AP) — A funny-looking scarecrow that goes boom every 15 minutes of the day and night does a pretty good job scaring birds and deer — but people, they're another story.

Residents of this town have had about enough of a two-foot-long cannon used by farmer Philip Bardy to chase wild life from his fields.

"The dogs bark all night," one said, "the children cry and some people lie awake waiting for the damn thing to go boom — just like waiting for the other shoe to drop."

And go boom it does. The cannon is timed to boom automatically every 15 minutes.

In the daytime, the cannon is located near a cornfield to scare away blackbirds. At night, it's moved to a tomato and melon patch to frighten herds of deer that had fed there regularly until April 15 — the day it was installed.

The Passaic Township Committee has issued Bardy a warning to "cease the operation of your noise-making device" but he has ignored it so far.

The farmer says he was given permission by the New Jersey Division of Wild Fish and Game to use the cannon after an inspector visited his field, shook his head and said, "You've got problems."

Bardy told of experiments in the past with strawman scarecrows, noisemakers that clap together and strings of flapping multicolored flags. He said none worked.

Then he hit on the cannon.

The cannon is operated with carbonated water and minerals which build up pressure and fire off the device periodically.

## Negro Woman Federal Judge

WASHINGTON (AP) — The Senate has confirmed President Johnson's nomination of Constance Baker Motley as a U.S. district court judge. She is believed to be the first Negro woman to hold a federal judgeship.

Mrs. Motley, 44, a Democrat, will fill a federal court vacancy in New York City. She now serves as president of the Borough of Manhattan.

Mrs. Motley, a native of New Haven, Conn., is married and the mother of a son. Long active in civil rights, she achieved wide recognition as the attorney in some landmark civil rights cases around the country. In 1964 and 1965 she served as a New York state senator.

## Scottish Games Set This Weekend

SANTA ROSA—The 101st annual Scottish Gathering and Games will be held Saturday and Sunday at the Sonoma County Fairgrounds here. This year's games will celebrate the 100th anniversary of the Caledonia Club of San Francisco.

The 91 scheduled events include performances by pipe bands from Los Angeles, San Francisco, Sacramento and Vernon, British Columbia. Saturday's program starts at 10 a.m., Sunday's at 9 a.m.

About two-thirds of the people in this country have eye disorders such as near- and farsightedness and other visual imperfections.

## Dock Bill Unpaid, Diner Arrested

William N. McKillop, 41, of 214 Centro East Street, Tiburon, was arrested last night on a charge that he failed to pay his $19.65 bill at the Dock Restaurant on Main Street, Tiburon.

Asst. Mgr. Gerald W. Miller signed a citizen's complaint charging that McKillop tore up the bill and refused to pay it.

McKillop was released on $110 bail pending a Municipal Court appearance this afternoon.

## Sally Rand's Fans Given To Museum

CHICAGO (AP) — Sally Rand finally has shed her fans.

The dancer gave the famous 3-foot-long white ostrich plumes to the Chicago Historical Society Tuesday.

"They're symbolic of an age," said Clement Silvestro, society director, as he accepted them.

Miss Rand, 62, stirred up a lot of controversy — and male fairgoers — when she danced wearing them — and nothing else — at Chicago's 1933-34 Century of Progress World's Fair.

Silvestro said the fans, each weighing seven pounds, are valued at about $400.

## Storer Wants Another PUC Water Check

County Supervisor Thomas T. Storer has requested another investigation by the State Public Utilities Commission of service provided by the Point Reyes Station Water Co.

Storer's request was prompted by a water shortage Aug. 16, when "the entire town of Point Reyes Station was out of water for the better part of a day and when the water did come on again it was black and muddy," according to a letter the supervisor wrote the PUC yesterday.

In his letter, Storer recalled the PUC held a hearing on Point Reyes Station water service in May, 1964, which resulted in demands by the PUC for improvements in the water company's service. "Although there has been some improvement in the service,' he wrote, "it still leaves much to be desired."

Dissatisfaction with the service provided by the company, owned by James Downey of Penngrove, Sonoma County, has prompted some residents of West Marin to petition for annexation to the Marin Municipal Water District.

## Anti-Kuchel Reagan Shocks Christopher

SAN FRANCISCO (UPI)—George Christopher says he is "shocked and puzzled" by Ronald Reagan's plan not to support Sen. Thomas Kuchel, R-Calif., in the 1968 primary election.

Reagan, who defeated Christopher for the Republican gubernatorial nomination this year, said in Los Angeles Monday that he would withhold support from Kuchel when he seeks re-election and added he would back the primary's survivor.

"I am shocked and puzzled at the attitude of some Republicans who preach the doctrine of complete and total unity and then hesitate about supporting an incumbent Republican U.S. senator," Christopher said Tuesday.

The former San Francisco mayor also hinted he may withdraw the weak support he has given Reagan in the current campaign. The Reagan statement, Christopher said, "causes skepticism on my part and perhaps may bring about a reappraisal with regard to the entire picture."

## All-Time Pools Winner Nets Almost Million

LONDON (AP)—A 52-year-old laborer has won $927,348.80 — claimed to be a world record—on a soccer pool.

The pool operators, Littlewoods, said today it was the largest sum ever won by an individual anywhere on a soccer pool. It is tax free.

It was only the second time the winner, Percy Harrison, played the pool. He bet only 51 cents.

Last week, when he played the pool the first time, he won $1.40.

This encouraged him to try again.

He has a wife and five children.

## Jackie Robinson Praises Job Corps As Help To Youth

NEW BEDFORD, Mass. (AP) — Former baseball star Jackie Robinson says the Job Corps is taking the same kind of interest in young people that a group of adults took in him when he was a teen-ager in trouble.

Speaking at the Fort Rodman Job Corps Center in New Bedford Robinson told of his membership in a teen-age gang and how he appeared in juvenile court.

"All of a sudden some adults in Pasadena, Calif., took an interest in us, asking us where we thought we were going, and we ended up being pretty good kids," Robinson said Tuesday.

"This is what I think the Job Corps does," he went on. "It takes an interest in young people."

Back-to-school styles and fall fashions for the whole family are big news in The Village these days. Most shops are open Frisay evening and Sunday afternoons to help you be fallishly fashionable. Window shoppers welcome at
STRAWBERRY.

*Maybe daisies don't tell, but we will! The new "Villager Corner" at* THE LITTLE DAISY *is something to shout about. The famous Villager line has been joined here by the Ladybug label (similar styles, junior sizes). We've been fans of Villager sportswear for years and are always pleased with the selection of "Villagers" at* THE LITTLE DAISY. *This newly enlarged department carries sweaters, dresses, skirts, suits, blouses, velour tops, coats and knee socks . . . all in those marvelous Villager (and Ladybug) prints and colors (luscious new shades this year are Cactus Green, Persimmon and Sandringham Blue.) This is just a "for instance," to give you an idea of the smart casual clothes for women and teens found at* THE LITTLE DAISY.

"Dear MUTTS OF MARIN—As soon as I put on my Sergeant's Sentry Flea Collar, all my fleas fled. This clear plastic collar goes beautifully with my plaid collar you sold me earlier . . . but, I'm not convinced it's flea flight powers will last three months. You can expect a further report. Thanks a heap. Lisa."

*Ran across a wonderful buy at* HAPPY HOUSE . . . *a fifty piece set of stainless flatware on sale for nine, ninety-five (regular price is thirteen, ninety-five). This service for eight includes a sugar shell and butter knife. New shipment at* HAPPY HOUSE *of famed Norwegian, cast iron cooking equipment. Made by Jotul of Norway, this shipment includes waffle iron, crum cake iron, plett pan and munk pan (also known as an aebleskiver.)*

Noticed a fine selection of watches, in a wide price range, at VILLAGE JEWELERS. This might be a happy answer for getting reluctant scholars to class on time. If summertime fun has taken it's toll of junior's watch, VILLAGE JEWELERS has an excellent watch repair service. Also noted here, stop watches for those back-to-school sports.

*For back-to-school sewing, we noticed some dark cottons at* K. MYERS FABRICS. *These would be perfect for starting school in our warm Indian Summer weather. Another good weight for our autumns, is English Viyella (wool and cotton material) found at* K. MYERS FABRICS.

Just plain delicious food at BERNSTEIN'S DELICATESSEN. There is cafeteria style service here in a friendly and attractive atmosphere . . . but today we'll visit BERNSTEIN'S cold meat counter. Come along and browse through the Lox, Creamed Herring, Soppressata, Galantina, Mortadella, Pastrami, Prosciutto, Salami, Garlic Sausage, Russian Bologna, Liver Sausage and (low and behold, Mabel) Old Fashioned Franks. And then there are cheeses, but you're on your own there for now . . . we're still happily sampling our way through the meats.

*We are impressed by the complete decorating service at* RHODA SELDEN *Interiors. This service includes upholstery, custom designed draperies and a full line of decorative home accessories.*

Hip hostesses are hooked on hors d'oeuvres from L'ENTREE. Master chef Louis Reimers has concocted a marvelous hors d'oeuvres menu that includes hot, cold, plain, fancy, the familiar and the exotic. L'ENTREE provides a complete catering service besides their fabulous food. The prices are reasonable . . . the food is superb . . . the compliments are all yours.

*A newsworthy note from* INTERNATIONALE, LTD.: *"Internationale announces a new and unique service to their customers . . . come in and see the most beautiful and unusual selection of pierced earrings in the Bay Area . . . Have your ears pierced while you wait with any purchase."*

For Polynesian, Chinese or American cuisine, beautifully served in attractive surroundings, we suggest you visit KUBLAI KHAN. This newest Village restaurant is open from noon to ten in the evening, and has banquet facilities for up to seventy-five. A popular service at KUBLAI KHAN is their take-out department . . . we recommend you phone ahead (388-2412) for this service.

If scholars at your house are haunted by words (what do they mean, and how do you spell them?), we reccommend you send them to CAPRICORN BOOKS. Let them pick out their own dictionery (prices from $1.69) and other reference books at this well stocked shop, and quite possible they will find new or renewed interest in the wonderful world of words.

*Labor Day can be Ladies Day, if mom is invited to dinner at* THE HICK'RY PIT. *The whole family will enjoy this informan eating spot . . . if junior wants only a hamburger, dad wants a steak and mom and sister want spareribs, a congenial waitress will take care of your wishes in "nothing flat."* THE HICK'RY PIT *has been planned with families in mind . . . and we hope lots of families will continue to plan on* THE HICK'RY PIT.

Feminine "fuss 'n feathers" at EXPECTATION MATERNITY SHOP . . . the Feather Dress, by Ma Mere. This swishy cocktail frock is sleeveless with a high neckline in front, that dips discreetly at the back. The Feather Dress is an elegant shift of crepe in black, white or "wow" pink with a swirl of dyed-to-match feathers just above the hemline. A really great dress.

## Victim Calls "Goodbye", Leaps Bridge

A 41-year-old San Mateo plasterer shouted "tell her goodbye" to a passing motorist, then jumped to his death from the Golden Gate Bridge at 1:11 p.m. yesterday.

The body of Richard H. Van Bilderbeek was recovered by the Coast Guard 10 minutes later.

Ed Pietrowiki, 21, of Hayward told the California Highway Patrol that he saw Van Bilderbeek stop his pickup truck in the northbound lane near the south tower. Van Bilderbeek shouted the goodbye just before he leaped over the bridge railing, Pietrowiki said.

The patrol said that only a wallet containing $13 in cash was found in the truck. Van Bilderbeek leaves a wife, Zona.

## Laos Operations

MOSCOW (AP) — Pravda said today that testimony and documents from downed American pilots had ripped away the "curtain of secrecy" around U.S. military operations in Laos.

## Hidden Valley School Bonds Sale Authorized

The San Anselmo School District Board last night authorized sale of $188,000 in bonds for completion of Hidden Valley school.

The $118,000 is the last of $700,000 authorized in a bond election in April, 1965.

The board approved two additional morning school bus runs along Butterfield Road into Sleepy Hollow, to take students in Hawthorne Terrace and Morningside Court areas, to Hidden Valley School.

Classes at the school will start 20 minutes earlier than at the other schools in the district—at 8:30 a.m. instead of 8:55 a.m.

The board accepted the resignation of Barbara Neely, first grade teacher at Isabel Cook School, who plans to marry, and granted a year's sick leave to James W. Stinchcomb, sixth grade teacher at Isabel Cook. Yvonne Hickey's request to work half time rather than full time as district music teacher was granted, as was Stanley Rutherford's request that the board rescind his sabbatical leave. Rutherford will continue as a seventh and eighth grade teacher at Brookside School.

The board hired Warren E. English to teach sixth grade, Mrs. Barbara Jones to teach first grade, and Mrs. Jeanne Wilson to teach kindergarten, all at Isabel Cook School.

## Farm Prices Rise Government Says

WASHINGTON (AP) — Farm product prices increased by 2 per cent between mid-July and mid-August, reports the Agriculture Department.

The latest boost put current farm prices 9 per cent above the August 1965 level.

The department also said that the level of prices paid by farmers for goods and services used in production and family living climbed one-third of one per cent during the same period to a new high — about 4 per cent over comparable 1965 figures.

## Congressman Asks Shriver To Resign

WASHINGTON (UPI) —Rep. Adam Clayton Powell, charging the Johnson administration's war on poverty was being conducted "in a pitiful little vacuum," offered his own sweeping solution today to the problems of ghetto violence and decay.

The free-swinging Harlem Democrat, never one to shirk a challenge, touched all the bases in testimony prepared for a Senate subcommittee studying the effectiveness of federal aid to the nation's ailing cities.

Powell's statement left it to President Johnson to decide whether he had been kissed or kicked. But Director Sargent Shriver of the Office of Economic Opportunity would have no trouble getting the message—resign.

Powell said the antipoverty effort should be expanded to include programs such as manpower training and public works. Since Shriver isn't the "unusually capable administrator" such an expanded program would need, "it would be expedient for ... (him) to resign," he said.

The man for the OEO job, Powell said, is Vice President Hubert H. Humphrey. But Humphrey would just coordinate, while either Defense Secretary Robert S. McNamara or Labor Secretary W. Willard Wirtz would do the actual work, he said.

Powell assailed what he described as a "fashion parade of numbers-quoters who throw out billions of dollars as if the words themselves are a solution to our black urban ills."

He then proposed that $35 billion be spent over the next decade on urban rehabilitation, "starting with the black ghettos of Watts, Chicago's west side, Harlem, Cleveland and other areas where the black uncared-for live.

## Teacher Moves To Texas Slot

F. Avery McClurg of San Rafael will leave tomorrow to become an associate professor of French and English at East Texas State University in Commerce, Tex.

An instructor at Empire College of Commerce in Santa Rosa for the last year, the 46-year-old McClurg has been teaching shorthand, English, medical terminology and remedial reading.

He resided at 24 Harcourt Street.

## School Board Meets Tomorrow In Kentfield

A special meeting of the Kentfield School District board of trustees has been set for tomorrow at 8 p.m. at Wolfe Grade School.

The board met behind closed doors last night for what Supt. Howard C. Harmon described as hiring an employee. The superintendent said tonight's open meeting would be on the same subject, but declined to elaborate.

## A Gallant Old Car Gives Two Youths A Long, Long Ride

SAN FRANCISCO (AP) — A 1931 Model A Ford crossed the Golden Gate Bridge Tuesday bearing two young men who have driven it 7,186 miles in 25 days and expect to go a lot farther.

Charles Harter, 21, and Ladd Pagan, 22, started their trip April 5 at their home city of East Peoria, Ill., and have driven through Illinois, Wisconsin, Minnesota, North Dakota, Saskatchewan, Alberta, British Columbia, the Yukon Territory, Alaska, Washington, Oregon and California.

They plan to drive on to the tip of Baja California in Mexico and then back to East Peoria.

They turned to the car, which Harter bought for $30 five years ago, when one of the two motorcycles they had planned to use broke down.

"We made it both ways without flats or any major breakdowns. We had 11 fires, however — seven carburetor, three exhaust manifold and one electrical."

# A Mystery Witness To Testify Wilson Trial

SAN FRANCISCO (AP)—The state was to call a mystery witness to the stand today in the trial of Norman Call for the murder of labor leader Dow Wilson.

Call, 46, is accused in the shotgun assassination on a San Francisco street April 5 of Wilson, AFL-CIO Painters Union local leader here.

The mysterious "Mr. de la Cruz" came within seconds of witnessing the cold blooded killing and was called to describe who was in a nearby car and how they behaved as he walked by.

Since he told police he feared for his own life, his full name has not been revealed even to the grand jury that indicted Call and four others.

Wallace Charleston, Tiburon resident who testified that Call and another man had offered him $5000 prior to April 5 to kill Wilson, left the stand yesterday after three sessions of cross examination.

He said he declined the offer.

Arthur Christiansen, a police inspector who followed Charleston to the stand, said Charleston had telephoned him after Wilson's death expressing fear for his own life.

Charleston had told police about the offer but had not been able to recall the threatened man's name.

Christiansen quoted Charleston as saying: "Now I'm in a bad spot. They know I know and my life is in danger. They might try to set me up."

Call, a Sacramento painting contractor, was an employer trustee for a Painters Union local's welfare fund in that city. Witnesses have testified the fund was looted.

Wilson, who had worked with the Sacramento local, had criticized the fund's handling.

The four others charged but not yet tried are Max Ward, 47, Sacramento painting contractor who also was a fund employer trustee; Clyde Simmonds, 75, an employee of Call; Carl Black, 47, an Oakland accountant who was the fund's auditor; and Richard Rock, 33, of Mill Valley, San Francisco Tenderloin saloon owner. They are to have separate trials.

# Novato Committee Says Twin Bond Issues Needed

Two bond issues would be necessary to finance Novato's proposed $8,483,000 program of street improvements, the capital improvements committee appointed by the city council agreed last night.

Lawrence A. Coleman, director of public works, proposed a $2,025,000 bond issue for 1967 and a $2,764,000 bond issue in 1971. The remainder of the program would be financed by gasoline tax money and assessment districts, according to Coleman's proposal.

The first bond issue would require a tax rate of 34 cents per $100 assessed valuation, Coleman estimated. This would rise to 63 cents after passage of the second issue, then gradually decline to 33 cents, he estimated.

The committee asked for the same tax estimate on the $1,354,000 bond proposal for financing parks, to be presented at its meeting at 8 p.m. tomorrow in the city manager's office.

# Faith Swirls Madly Off Atlantic Coast

MIAMI (UPI) —Hurricane Faith, packing 120 miles-per-hour winds, moved tauntingly along a course parallel to the U.S. Atlantic coast today kicking up rough seas to the south, but remaining far offshore.

The season's sixth tropical storm yesterday skirted a target area in the Atlantic where scientists had hoped to kill it with large doses of silver iodide crystals.

In a 6 a.m. EDT hurricane advisory from the Miami Weather Bureau, Faith was located near latitude 29.2 north, longitude 73.6 west, or about 450 miles east of Daytona Beach, Fla.

Faith was moving between north-northwest and north at a leisurely 9 m.p.h and weathermen predicted she would hold that course through today and tonight with a gradual trend to the north-northeast "likely" thereafter. This course would generally follow the eastern seaboard.

Gale winds extended 300 miles northeast of the center and 200 miles to the southeast. Hurricane force winds stretched 80 miles in all directions from the eye.

Rough seas were evident along the southeast Florida coast, Bermuda and the northern Bahamas and small craft were warned not to venture far from shore.

The weather bureau said little change was expected in the size or intensity of the storm today.

# Pentagon News Chief Denies 'Lie' Report

WASHINGTON (AP) — Arthur Sylvester, assistant secretary of defense in charge of public affairs, said today no government official should lie when giving out information about the country.

The official should withhold information if that is important to safeguard the country, he told the Senate Foreign Relations Committee.

"No government information program can be based on lies," Sylvester said. "No government official has the right to lie but he has the duty to protect the country.

"He should be able to withhold information for a time if it involves the safety of the country," he said, "He should not be required to give out the information just because it was asked by the news media."

Sylvester's comment came in response to a question by Chairman J.W. Fulbright, D-Ark., about a speech he made in New York before Sigma Delta Chi, the professional journalism fraternity.

In it, Fulbright said, Sylvester was quoted as saying "the government can lie" to carry out its policy. Fulbright wanted to know if the Defense Department used this theory in disseminating news about the war in Viet Nam.

"That's not true," Sylvester said, in regard to his speech before Sigma Delta Chi. "My statement was taken out of the context in which it was given. And I have testified before two congressional hearings to that effect."

# HOW TO KEEP WELL

**By DR. THEODORE R. VAN DELLEN**

## Calcium Method Of Diagnosis For Tuberculosis Suffers Setback

VAN DELLEN

When a tuberculous lesion in the chest heals, it is replaced by calcium. This hard, stonelike material is easy to see under the X-ray and remains ever after as telltale evidence of having had the disease. A positive tuberculin test also denotes that the infection was present at one time. The initial attack may have been so slight as to produce no symptoms; in others, it masqueraded as a cold or a severe attack of bronchitis. These two procedures have been used for several decades in the diagnosis of tuberculosis.

Several years ago this concept of calcified areas in the lung was upset when it was discovered that not every one of these individuals had a positive tuberculin test; in one study of 2,577, only 18.3 per cent were tuberculin positive. But this was only part of the story.

**WHEN A SKIN TEST** was done for the fungus disease, histoplasmosis, 82.5 per cent were positive. Moreover, prior to this study, histoplasmosis was considered a rare and a fatal disease. It is now the consensus that in the past only the serious cases came to the attention of the medical profession.

The causative fungus invades not only the lungs but the bones, spleen, liver, blood, and digestive system; in fact, few organs are exempt. Those with the acute form of the disease develop an irregular fever, enlargement of the glands, shortness of breath, malaise, and persistent cough; now and then chest pain is noted. In some, ulcers and papules appear on the skin, lips, tongue, tonsils, and back of the throat. When the fungus settles in the stomach or intestines, loss of appetite, nausea, vomiting, abdominal distention, and diarrhea ensue. The liver and spleen enlarge. In a few, the condition spreads throughout the body and causes a serious form of the disorder.

**HISTOPLASMOSIS** is confused so frequently with pulmonary tuberculosis that tests are done for both conditions in most sanatoriums. We also have an excellent remedy in Amphotericin B.

**(Dr. Van Dellen will answer questions on medical topics if stamped, self-addressed envelope accompanies request.**

### START OF MENOPAUSE

A reader writes: How can a woman of 45 tell when she is in the menopause without consulting a physician?

REPLY

Menopause means pause in menstruation. All women suspect the condition when your age is reached and there is a lessening of menstruation. Not everyone develops hot flashes or becomes nervous and irritable.

### ACROBATIC DANCING

Mrs. R. writes: Is it safe for a 6-year-old girl to take lessons in acrobatic dancing? Someone told me my little girl would suffer later in life if I permit her to do such exercises.

REPLY

This old idea should be refuted once and for all. Barring accidents, no harm will come from acrobatic dancing.

### NERVE INJECTION

M. C. G. writes: What is a nerve root injection?

REPLY

The injection of an anesthetic such as procaine into a nerve as it emerges from the spinal cord. The procedure is done to deaden pain over an area in which the bothersome nerve is distributed.

### BREAST CANCER AND CIGARETS

Mrs. V. writes: Can smoking cause cancer of the breast?

REPLY

The cause of cancer of the breast is not known but it is doubtful if smoking plays a role.

## Two Journalists Break Record In Death Valley Hike

DEATH VALLEY (AP)—Two journalists, tired and blistered, have hiked 130 miles in six days to better the distance walked last month by Frenchman Jean Pierre Marquant across one of the hottest spots in the world.

But three other men — Boris Yankoff, 52, Broderick, Yolo County; Imant Samilas, 24, Marion, Ohio, and Dick Kittson, 30- have set out to outdo them all in the apparent strange new fad of walking across Death Valley in the sunlight.

"The last four miles was the hardest part of the whole trip," a member of the support party for journalists Cliff McAdams, 36, and Gordon Ritzman, 32, said yesterday after they finished their six-day odyssey along the length of this desert national monument.

Marquant had hiked 102 miles alone in seven days.

McAdams is travel editor of the San Gabriel Valley Tribune and Ritzman, a Balboa photographer.

## Fairfax Auto Theft Plea

Leonard Frank Galick, 26, of 55 Park Road, Fairfax, was to enter plea in Marin Municipal Court this afternoon to a charge of auto theft.

Galick, free on $1,1000 bail, is accused of taking the car of Michael McGinn in Fairfax between last Dec. 25 and Jan. 2.

## Alaskan Quake Brings Memory

ANCHORAGE, Alaska (UPI) Two sharp earthquakes jolted this area yesterday, reviving memories of the violent temblor which left much of civilized Alaska a shambles March 27, 1964.

Yesterday's shocks caused practically no damage, but for a few frightening moments the earthquake had residents reliving that day two and one half years ago when 115 persons died and property damage exceeded $300 million.

Seismologists said the quake had a magnitude of between 5 and 6 on the Richter scale. That compared with a reading of between 8 and 8.5 for the Good Friday earthquake of 1964.

# FLOOD CONTROL PROJECT TAX KICK

## Corte Madera Creek Flood Board Acts To Wipe Out Land Enhancement Taxes

Corte Madera Creek Flood Control Board last night changed its mood from protest to action.

No longer content with merely complaining against the $28,000 "land enhancement" tax connected with the flood control project, members agreed to take two steps they hoped would help keep the bill collector away from their door—temporarily."

1. Board members will ask Rep. Donald H. Clausen (R-First District) for continuing help in pressing for legislative amendment wiping out the need for the tax of three per cent of the total cost asked from local taxpayers by the Army Corps of Engineers. The name of Sen. Thomas H. Kuchel, (R-Calif.) was mentioned also as a possible lever.

2. The county board of supervisors will be asked to seek postponement of the first installment of the tax pending the outcome of such legislation.

If the supervisors find they have no authority or if a postponement would hold up the start of the project, the county should go ahead and pay the first bill "under protest," said chairman Edward W. Colthurst, mayor of Corte Madera.

The corps has been authorized to ask for the three per cent—amounting to $28,000 in the case of the Corte Madera flood zone—as lands in the immediate vicinity of Corte Madera would be improved by the dumping of silt from the creek bottom.

In support of the two protest measures were Colthurst; Corte Madera Town Councilman Charles F. Pendleton, and Larkspur Mayor Vaughn Marker and City Councilman Neil R. Brixon. The fifth board member, Ann McCorry of Greenbrae, abstained.

Pendleton said paying once for the land enhancement was one thing, but the three per cent was likely to go on for an indefinite time. And as cost rose, so would the taxpayers' contribution.

Donald R. Frost, county director of public works, argued—and some board members agreed—that if royalties derived by the county for selling spoils amounted to the expected $11,000, it seemed unreasonable to have to pay $28,000 for enhancement.

He said the county had only one spoils site capable of meeting the needs of the project. Unquestionably, the placement of spoils on that site would enhance the value of the land, but there is no legal way to force the owner to compensate the county, Frost contended.

As a result, he said, if the county pays the bill for the enhancement of private land, the taxpayers of the flood control zone would actually be paying the premium.

## Minimum Speed Law Backed By Chamber

The streets and highways committee of the San Rafael Chamber of Commerce decided yesterday to offer a resolution to the chamber's directors Friday supporting State Sen. John F. McCarthy's proposal to establish minimum speed laws on state highways. (See story, on page 25).

The chamber board will meet at noon Friday at the West End Villa in San Rafael.

# Doctor Rapped After Welfare Report Delay

One doctor's delay on a county welfare case put some heat under the entire profession at yesterday's meeting of Marin County supervisors.

County Social Worker Michele Ritchie told the board that a report from a psychiatrist assigned to examine a 57-year-old San Rafael woman on general relief was delayed a month.

The report was necessary, she said, to determine whether the woman should be put on categorical aid, in other words, transferred from full county subsidy of $145 a month to a similar grant made up mostly by state and federal funds.

The psychiatrist under fire was not named, but department director Betty L. Presley said it was the first and last time he will be used.

"This is a hell of a way to run a war," Supervisor Peter H. Behr fumed. "All this time the meter is down and it's taxpayer's money ticking away." This is stupid."

"I agree ahundred per cent," Supervisor Ernest N. Kettenhofen said.

Vice Chairman Thomas T. Storer, sitting in for the absent Byron W. Leydecker, was authorized to write to the Marin Medical Society, pointing out the importance of dispatch in welfare matters and protesting the delay in this particular case.

Fire chief of Alto Fire District is Carl Heynen Jr.

# Property Taxes To Rise Sharply In Much Of County This Year

By RICHARD LYTTLE

If you own a $25,000 home in Mill Valley, your property taxes this year will be $637.63, an increase of $50.02.

For the same valued home in Marinwood, the tax will be $638.48, up $50.59, and in Terra Linda, $648.83, up $56.34.

These figures come from a list of the total tax in 14 sample code areas prepared by Asst. County Auditor-Controller George Donaldson.

There are several qualifications in the figures. Donaldson emphasized that they do not show the impact of reappraisals, the amount of increase applying only if appraisal is unchanged from last year.

The $25,000 market value and $5,750 assessed value (23 per cent of market) was applied to the tax in all areas.

Both Terra Linda and Marinwood are unincorporated, but Donaldson's sampling shows that the taxes there are higher than in any city except Corte Madera, where the owner of a $25,000 home would pay $657.49, up $16.09 over last year.

The bill in San Rafael is the lowest in any city at $563.75, up $48.30 over last year. The increase here is due mostly to the tax bill for San Rafael Elementary School District going up by $46.

Three of the 14 code areas showed decreases. The bill for the $25,000 home in Belevdere will be $612.90, down $6.62, in Novato $626.87, down $12.33, and in Kentfield, $562, down $10.36.

Kentfield, however, was one of the areas reappraised this year, and this impact is not reflected in Donaldson's report.

Other tax bills in the sample at Fairfax, $583.29, up 85 cents; Larkspur, $629.58, up $17.79; San Anselmo, $624.48, up $10.63; Sausalito, $568.35, up $24.16; Tiburon, $609.45, up $31.91, and West Marin, $412.82, up $47.15.

The total bill includes taxes levied by all agencies, county, school, city and special districts in each code area. There are 280 tax code areas in the county.

# Downtown Delay May Be Asked

A delay in city council consideration of the proposed Tiburon downtown plan may be asked by the new Tiburon Parks and Recreation Commission when it holds its first meeting at 8 p.m. today in the city hall.

Commissioners reportedly want to make their own study and recommendations before the plan is discussed by the council.

The initial meeting of the new commission also is to discuss landscaping Tiburon Boulevard between Lyford Drive and San Rafael Avenue.

# Encephalitis Epidemic May Be On Wane

CORPUS CHRISTI, Tex. (AP) — Dr. R. W. Metzger, city health director, says Corpus Christi had a "fantastic kill" of the encephalitis-bearing culex mosquito from spraying with an insecticide.

"We have two experts out looking for the female culex mosquito and they can't find any," he said yesterday. "We can assume we have broken the back of the epidemic."

Three Air Force planes completed spraying of this Gulf Coast area yesterday. Metzger said two deaths resulted from encephalitis and there were 35 confirmed and 55 suspected cases of the disease.

Encephalitis has claimed 11 lives in Texas, including seven in Dallas and one each at Tulia and Amarillo.

Dallas was the hardest-hit area with 91 confirmed cases and 22 suspected.

# Six Youths Face Charges In Break-In

Three youths were in custody today and three other expected to be cited to juvenile court by sheriff's deputies in a break-in Sunday night of Lagunitas General Merchandise Store.

Arrested by police in Davis, Yolo County, and returned to Marin County yesterday were Amerigo Melvin Fumeo Jr., 18, of San Geronimo, a 16-year-old runaway from Fairfax, and a 17-year-old from San Geronimo. Fumeo, was also booked in county jail for investigation of auto theft. His two companions were booked in juvenile hall.

Sheriff's officers said the six were involved in breaking a window at the store about 8 p.m. Sunday. Nothing was taken, however.

Deputies said Fumeo allegedly then stole a 1956 model Ford owned by Duke Jennsen of San Geronimo, and he and two of the others drove toward Sacramento. They were halted for questioning by Davis police, the stolen car was recovered, and the three were returned. The other three were not immediately arrested, deputies said.

SERVING ALL OF MARIN COUNTY

# FOOD PAGE

SECOND SECTION Wed., Aug. 31, 1966 17

FOR A DELICIOUS brunch to relax over, serve a macedoine of fresh fruit; ham rolls temptingly stuffed with rice seasoned with a new bottled creamy onion dressing for lively flavor and easy preparation. Rolls or buns should be kept warm . . . and "brisk" tea should be freshly brewed and piping hot.

## Exotic Salads For Hot Days Ahead

Temperate Marin, saved by the bay breezes from the parching heat of the central valleys and far from the oppressive heat of the eastern and mid western states, still has days that make entree salads and iced drinks preferable and enjoyable.

When you have gone through your list of hot air fare you might like to try your hand at these exotic suggestions from Angelo Sabella of Sabella's of Marin:

**GREEN GODDESS CHICKEN SALAD ALA SABELLA**

1-3 to 4 lb. capon
1 tsp. fresh chopped parsley
1 tsp. fresh chopped watercress
1 ripe avocado—mashed
1 tsp. capers—chopped
1 clove of garlic
3 scallions
½ cup diced celery
1 cup mayonnaise
½ tsp. English mustard
1 tsp. distilled vinegar

Boil capon with a bouquet of celery, onion, carrot and parsley. Add salt and a pinch each of thyme and rosemary. Cool chicken in liquid. When cold, skin, bone and dice in ¼ inch cubes. Combine chopped parsley, watercress, capers and scallions with clove of garlic and mashed avocado and add one cup of mayonnaise and ½ cup English mustard mixed with a tsp. of distilled vinegar. To this add ½ cup diced celery and mix with diced chicken.

Serve on a crisp lettuce leaf garnished with tomato, parsley and sliced avocado. This will serve six to eight.

HEARTS OF PALM SALAD
"Vinaigrette"

Use contents of No. 2½ can of palm hearts. Drain and cut in halves

Place 4 halves on a crisp lettuce leaf

Prepare sauce with 1 tsp. each of chopped egg white, parseley, chili, anchovies, dill pickle, pimento

Mix to desirable consistency with mixture of ⅓ vinegar and ⅔ oil

Salt and pepper to taste

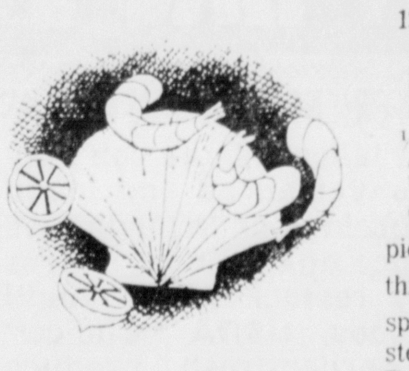
Spoon over palm hearts and garnish with strips of pimento and watercress

No. 2½ can of palm hearts contains enough for 4 servings.

MIKADO SALAD

Chrysanthemum petals
1 cup shrimp
1 cup diced potatoes
½ cup mayonnaise
1 tsp. Soya sauce
Pimento julienne
Diced tomatoes
Chopped chives

Mixed diced potatoes with shrimp and bind together with mayonnaise seasoned with soya sauce. Arrange in a dome.



Garnish the top of the mound with chrysanthemum petals which have been blanched, drained and seasoned with oil, lemon juice, salt and pepper. Surround with a border of sweet pimentoes, cut in julienne, and sliced tomatoes. Sprinkle with chopped chives. Serves four.

## Veal Steaks Go With Pineapple

Foods wrapped around each other make such neat bundles for serving that homemakers like them.

**HAWAIIAN VEAL TREAT**

2 veal round steaks, cut ½-inch thick
12 canned pineapple spears
1 egg
2 tablespoons flour
1 teaspoon salt
⅛ teaspoon pepper
2 tablespoons lard or drippings

Cut each veal steak into 3 pieces. Pound steaks to ¼-inch thickness. Place 2 pineapple spears on each piece of veal steak and roll as a jelly roll. Fasten with wooden picks or skewers. Beat together egg, flour, salt and pepper. Dip veal birds in batter and then brown lightly in lard or drippings. Place birds in a greased 8x8-inch baking dish. Cover tightly and bake in a slow oven (325° F.) 45 minutes. Uncover and continue baking 15 minutes. 6 servings.

## Try This Easy-To-Make Dish Created Especially For Brunch

For the busy work-a-day week, a hearty, wholesome breakfast should be standard fare. But to really make the most of those days of leisure, its brunch . . . tastefully served, thoroughly enjoyed with a take-your-time attitude! Brunchtime is a good time to practice "relaxicizing" . . . a good time, too, to invite friends over to share the food as well as pleasant, cozy companionship.

Your food might be a bit more elaborate than usual, but don't spend hours cooking it. Try this easy-to-make dish created especially for brunch: Boiled ham, stuffed to deliciousness with a rice mixture which has the lively flavor of onion, provided by a new bottled creamy onion dressing so you don't have to bother with peeling and mincing onions first thing in the morning. All you do is pour the rich, creamy white dressing right as it comes from the bottle for just the right touch of seasonings, conveniently blended for you.

**CREAMY RICE HAM ROLLS**

2 cups cooked rice
1 cup Creamy Onion Dressing
½ cup finely diced celery
½ cup finely diced carrots
½ teaspoon dry mustard
12 slices (approx. ¾ pound) boiled ham
1 tablespoon finely chopped parsley
2 hard-cooked eggs, finely chopped

Combine rice with ¾ cup of Creamy Onion Dressing, celery, carrots and mustard.

On each ham slice place a spoonful of rice mixture, roll up; place seam side down in a greased shallow baking pan and brush with remaining Creamy Onion Dressing. Broil on lowest level from source of heat for 8 to 10 minutes. Garnish each ham roll with mixture of chopped egg and parsley. Makes 12 ham rolls.

## French Toast Is Featured Along With A Date Butter

Planning a party brunch? If so there are few combinations that are as picture pretty, flavorsome and nutritious as one featuring French Toast, Indio . . . so named because the toast is served with a date butter and, as we all know, Indio is the date center of America. Along with the French Toast go Fruit-Bacon Wrap-Ups. A pitcher of ice cold milk on the table for everyone and plenty of hot coffee for adults and the picture is complete. For 8 to 10 slices French Toast proceed as follows:

3 eggs, beaten
1 cup milk
3 tablespoons honey
⅛ teaspoon salt
½ teaspoon vanilla
8 to 10 slices French bread, cut at least ½ inch thick
Butter for frying
*Date butter

Combine eggs, milk, honey, salt and vanilla. Dip French bread slices into mixture, turning to coat both sides and letting them soak just a bit. Grill or pan-fry in melted butter until lightly browned on both sides. Keep warm in oven until ready to serve topped with Date Butter.

***DATE BUTTER.** Recipe makes about 1½ cups. Whip ½ cup (1 stick) soft butter with ½ cup (firmly packed) light brown sugar until light and fluffy. Add ½ cup finely chopped dates and 2 teaspoons lemon juice. Any remaining date butter may be refrigerated and used later on biscuits, muffins or other hot breads.

**FRUIT-BACON WRAP-UPS**

These tasty morsels are the perfect garnishment as well as fruit course for our super special brunch. Peel firm bananas; brush lightly with melted butter. Wind strips of bacon spiral fashion around bananas and fresh or canned pineapple spears; secure with food picks. Broil 6 inches from source of heat about 3 minutes; turn and broil other side until bacon is crisp.

THIS HANDSOME brunch featuring Fruit-Bacon Wrap-Ups and French Toast, Indio . . . so named because it is served with Date Butter . . . is party-going pretty, and filled with good nutrition.

# Top Yachtswoman Aids Others

By BETTY FROST

The thrill of a sailing victory in the Midget qualifying races turned to bitter disappointment for a 12-year-old child when she was told that she couldn't go to the championships because she was a girl.

There is still a hint of bitterness for America's outstanding yachtswoman, Allegra Knapp Mertz, as she recalls the incident which happened some 40 years ago. The way in which Allegra turned the rebuff into a constructive force has given hundreds of other yachtswomen an opportunity to prove themselves in sailing competitions.

In Marin to officiate at the 39th annual Women's North American Sailing Championships hosted by San Francisco Yacht Club in Belvedere this week, Mrs. Mertz is the national chairman for the Adams Cup Races. She was named 16 years ago to head the Adams Cup Committee for the North American Yacht Racing Union, and is the second chairman in the long history of the cup, symbolic of excellence on the part of the nation's yachtswomen. Mrs. Willis D. Wood, the first chairman, continues with Mrs. Mertz as one of the trustees of the Cup.

**BESIDES ADMINISTRATIVE** responsibilities for the Adams Cup and the women who sail to obtain it, Mrs. Mertz has also raced for and won it four times as skipper, most recently in 1963, and has several times been a member of a winning crew representing the American Yacht Club on Long Island Sound.

**SHE APPLAUDS** the increase in women in sailing competition although she says, "It's tough. Racing gets a little harder all the time and you don't want to make a fool of yourself."

She was honored earlier this year when she was awarded the Edmund G. Anderson trophy for "outstanding service to yacht racing on Long Island Sound." She was the first woman ever to receive this honor. Her name now appears on the cup along with that of her brother, Arthur Knapp, who was named in 1963. Knapp is the author of a sailing classic, "Race Your Boat Right." The right way of doing things on any craft is also a guiding principal for Allegra, who is outspoken in her demands for good practices for safety and skill.

She is also a writer and a frequent contributor to boating magazines.

Mrs. Mertz is the national president of the Blue Jay class. Since this class has almost 5,000 boats, it is a very large task. She volunteers her services to teach youngsters in her home club to sail.

**MARRIED TO** James M. Mertz, Allegra has two children, a son, Jamie Brickell, 25, (by a previous marriage), and a daughter, little Allegra, 22. The family live in Rye, N.Y. She and her husband sail a 210 class racing yacht. Another hobby is breeding dogs.

The 24 women, representing the country's eight racing districts in this year's finals on San Francisco Bay know that the personal dedication of Allegra Mertz has a lot to do with their chance to be here. Some of those who have taken part in other championships tell of her great contribution to the sport. The youngsters who are in big-time sailing combat for the first time soon find that they have a powerful ally in the Adams Cup chairman.

Mibach of Mill Valley, and bridesmaids were Lavonne Henry and Mrs. Melanie Thomas of San Rafael and the bridegroom's sister-in-law, Mrs. Jacques Guiraut of Fairfax. # HELEN HELP US!

By HELEN BOTTEL

## Serving The Public Leaves One Wondering Where Courtesy Went

**DEAR HELEN:**

If people could realize what we put up with working as checkers in supermarkets, they might show more courtesy toward us.

A checker goes to work in a fine mood, ready to get along with everybody. What happens? Along comes someone right away to ruin his day.

A man comes to the checkstand. He starts biting my head off, then he bounces a head of lettuce off the counter and stalks out. The manager comes over and says, without hearing my side, "Don't let that ever happen again."

Or a little old lady mumbles, and you ask her to repeat. She shouts, "Are you deaf or something?"

Don't people know what it's like to be insulted, cursed at and bawled out when you've been on your feet all day? They must think checkers are machines. When you make a mistake they imply you're deliberately cheating, but when it's in their favor, they never tell you.

Of course all my customers aren't like this—I have some good and wonderful ones, but I wish you'd let the other kind know we're—**HUMAN TOO.**

**DEAR HUMAN TOO:**

Be glad to. And that also goes for people who browbeat and harrass — 1. department store clerks (a low-down trick here is for the top- or bottom-heavy gal to switch size markings on two-piece suits, leaving a 12-16 combination for the next customer); 2. waiters and waitresses; 3. hairdressers; 4. Anyone who serves the public.—**H.**

**DEAR HELEN:**

I'm writing instead of delivering letters today. You might call this a postman's holiday.

Besides unreadable addresses, and stamps being put on the wrong corner, the USPO has another problem: window envelopes.

These are fine for business offices where the secretary knows what she is doing, but when a firm sends out window envelopes for customers to send their checks and bills back in, well, that's expecting too much of haphazard people.

Even my wife inserts the gas bill backwards sometimes.

It might cost business houses a few mills more per letter, but I wish they'd go back to self-addressed envelopes for their bills.—**POSTMAN.**

**DEAR POSTMAN:**

Your wife, too? I'm glad to know I'm not the only one who sometimes goofs up a window envelope.

Efficiency experts take note: Many of us housewives aren't quite that efficient.—**H.**

**DEAR HELEN:**

We rent an apartment in a two-family house. Our landlord has two small children who play with our three. What is bothering me is that he constantly takes it upon himself to scold ours, but not his. Sometimes he screams so loud that they come in the house scared to pieces and sobbing hysterically.

It's never about anything big, and our kids are no worse than his. I treat his with respect, even though sometimes they get pretty ornery. Shouldn't he come to me if mine are doing something wrong, rather than jump all over them?

My husband heard him yelling at our children once and he was going to call him on it, but I stopped him. We don't want to lose this apartment!—**M.M.**

**DEAR M:**

If the apartment means more to you than your children's welfare, by all means keep quiet, and let the browbeating continue.

My vote goes to your husband. —**H.**

## Keeping Track Of Domestics' Payroll Vital To Housewives

"The demands of running a modern household make it more and more important for housewives to be well-versed in business matters." These words were spoken by Mr. Joseph M. Cullen, district director of Internal Revenue.

**TODAY,** housewives are engaged more and more in matters of budget, credit, time schedules and payrolls much more so today than their mothers were twenty years ago. Budgets, sales credit and the ubiquitous time schedule are things well-known to every housewife but payrolls? "Yes, payrolls" the director reported, paid household help is becoming more and more common in Northern California.

**MORE AND** more women are making use of part or full-time household help. More so, in fact, than their mothers and grandmothers did, and on a wider and more practical scale. Household help, to name a few broad catagories, includes such occupations as maids, laundresses, cooks, housekeepers, gardeners (if they work for you alone) and baby sitters.

**KEEPING** track of your domestic helps' payroll is very important, especially for Social Security purposes. Under our Social Security System taxes are imposed on both the employer and the employee to insure retirement benefits to the employee when he or she reaches retirement age. These taxes are, of course, "Social Security" taxes. According to Mr. Cullen, under the Social Security Law the employee and employer each contribute 4.2 per cent of the employee's taxable wages to the Social Security Administration through their collecting agency, the Internal Revenue Service. The tax, of course, only applies to "Cash Wages" and not to such items as the value of food consumed on the job or streetcar tokens. We asked the director if all this tax business isn't a little to complicated for the average home-maker. He told us that Internal Revenue Service had gone out of its way to make it as simple as possible.

**THE TAX** form is a simple envelope. The actual tax computation is a matter of simple multiplication. The tax form is mailed to the employer just before each quarter's taxes are due to simplify remembering when to mail the return in.

**THE INTERNAL** Revenue Service supplies householders with a booklet called Circular H or "Householders, Employers Social Security Tax Guide". This 15-page publication explains in plain language, the Social Security regulations, how they affect the household employer and how to fill out the quarterly tax return. It also contains a facsimile of a completed return which makes the matter of filling out the return much simpler for the homemaker.

**WHAT SHOULD** a householder do when he undertakes the hiring of household help? Mr. Cullen stated that, at the time of hiring, the householder should write to the Internal Revenue Service and ask for Form SS4H. Proper completion of this form places the employer's name on the mailing list and assigns an identification number to her. The District Director will keep the name on his mailing list until advised that the name should be removed.

"When you decide you will not hire any help for some time in the future, or move, inform the Internal Revenue Service. Two minutes of your time saves us hours of manpower".

"In order to help the district director maintain a current mailing list and avoid follow-up inquiries, you should make a return for each calendar quarter whether or not your return is taxable". As an example: Returns for the period January, February and March are due 30 days after March 31. That would be April 30. Returns for the period April, May and June are due July 31. Returns for July, August and September are due October 31. Returns for October, November and December are due January 31. Each quarter you will receive your Social Security Tax return. What are the greatest problems connected with these returns? According to Mr. Cullen, people who no longer intend to maintain household help fail to tell us. As a result, we send out a return each quarter, but our files do not show any evidence of a "final" return. We must then send out one of our field personnel to correct the situation. Along with this, we also have the problem of a householder who does not have any help for one quarter and, therefore, does not file a return. The correct procedure would be to mail in the return we send you for the quarter with the notation "Not Liable" or "No Employees".

**IN CLOSING,** the director stressed that the main thing to remember is that the correct and timely filing of the return is not complicated or confusing. The return and the instruction guide are very simple. The only time this matter becomes complicated is when a return is not filed and the Internal Revenue Service has to go back over a period of months or years to secure the delinquent returns and assesses the penalties that are due.

# Milton Salkind Named Conservatory Director

Mill Valley concert pianist and teacher Milton Salkind was named acting director of the San Francisco Conservatory of Music yesterday.

Mrs. George N. Crocker, president of the conservatory's board of directors, announced selection of Salkind by the board and Conservatory Council, made up of faculty members.

Salkind and his wife Peggy, both graduates of the Juilliard School of Music in New York City, are internationally known for their performances of music for four hands, one piano, and for commissioning of works by contemporary composers.

Salkind is a graduate also of George Washington University, with a degree in economics.

The Salkinds have lived in Marin since 1950, first in Sausalito and in Mill Valley for the last eight years. They have two children, Karen, 15, and Mark, 13.

Salkind said they will continue their concert work beginning with the Oct. 24 opening of the San Francisco Chamber Music Society season.

After appearances at the University of Chicago on March 31 and in New York City in April, they will begin their fourth tour of Europe.

# Five Boys Enroll And Break Old Louisiana Segregation

NEW ORLEANS, La. (AP) — Five Negro boys walked quietly past white pickets holding "Don't" signs and entered Woodlawn School today, breaking Plaquemines Parish's (county's) rigid segregation pattern. White pupils stayed away.

Court ordered desegregation —termed a catastrophe by fiery Parish Council Pesident Leander Perez — had reached Plaquemines, the swampy, oil-rich parish that straddles the Mississippi River downstream from New Orleans.

The five Negroes arrived at the 12-grade Woodlawn Consolidated School by car. They were accompanied by their parents.

"We didn't come for trouble just came to enroll our children in school," said Mrs. Clarence Ben. Her three boys, Michael, 7; Tyrone, 12, and Lawrence, 16, were with her.

The other two boys, Henry, 17, and Ernest Jr., 14, sons of Mr. and Mrs. Ernest Griffin, walked in behind the Bens.

About 20 pickets marched outside the red brick school. Their signs, stenciled in big red letters, were identical to placards carried by other adults at the Belle Chasse School.

No Negroes appeared at the parish's other public schools as the first day of classes opened. Registration appeared below normal at all schools, although no figures were available.

The Woodlawn School has a normal enrollment of 250.

## Peking Cautious

NEW YORK (AP) — A Red Chinese diplomat who defected to the United States says Peking is still very cautious about a direct confrontation with this country. Miao Chen-pai, 29, who sought asylum in the U.S. Embassy in Damascus, Syria, last month, told newsmen yesterday that Mao is facing serious opposition within China.

# Berkeley Atomic Conclave Opens; Red China Absent

BERKELEY (UPI) — The 13th International Conference on High Energy Physics opened today at the University of California with about 450 of the world's outstanding scientists on hand.

Most of the physicists who turned out for the week-long session were from the United States, Western Europe and Russia. Communist China was invited to send delegates but failed to respond.

The conference was sponsored by the U.S. Atomic Energy Commission and the International Union of Pure and Applied Physics of Paris.

Originally the meeting was strictly for American scientists but in 1958 it was internationalized with sessions being held in the United States, Europe or Russia.

# Film On JFK Stirs Row In Congress

WASHINGTON (UPI) —Two Midwestern congressmen were embroiled in an argument Tuesday over the alleged partisan political use of a government film on the life of the late President Kennedy.

Rep. Glenn Davis, R-Wis., said his probable opponent in the November elections, James P. Buckley, was using the U.S. Information Agency film "Years of Lightning, Day of Drums" to help raise campaign funds.

Davis said a planned showing of the film by Buckley's campaign committee flaunted the intent of Congress which indicated that the movie could not be used for partisan political purpose.

In Milwaukee, Buckley said he was using the film legitimately and that money raised by the Sept. 28 showing would be used by the Buckley for Congress Club, for contribution to the Milwaukee County Democratic party and for contribution to the Kennedy Memorial Foundation.

## Assassination Plot

ISTANBUL, Turkey (AP) — Two left-wing Istanbul papers reported today that seven foreign agents had slipped into Turkey to assassinate King Faisal of Saudi Arabia during his current visit. The director general of security said neither the Interior Ministry nor his office had any such information. Faisal is in Turkey for a week.

Police chief of the City of Mill Valley is Dan Terzich.

# Desi Arnaz Jailed For Gun Shots

SAN DIEGO (AP) — Actor-producer Desi Arnaz was arrested Tuesday night on a charge of assault with a deadly weapon, the sheriff's office reported.

The 49-year-old Cuban-born Arnaz, divorced from actress Lucille Ball in 1960, fired two shots at a 20-year-old man who was parked with a friend near the Arnaz residence in suburban Del Mar, sheriff's Sgt. Max Justice reported.

Justice said Arnaz approached the parked car, containing John W. Bevee of Ranch Santa Fe, Calif., and an unidentified friend and told them:

"I've got a .38 and I'll shoot your tires and car."

Then, said Justice, the star of the old "I Love Lucy" television series fired one shot past Bevee and another at his feet. Both shots went into the ground and struck no one, Justice reported.

Booked and held at the San Diego Jail, Arnaz had telephoned friends in an attempt to secure bail, officers said.

# Pinball Machine Idea Helps Cripples Write

SAN FRANCISCO (AP) — A machine by which an almost totally paralyzed person can operate a typewriter went on display Tuesday at the American Congress of Physical Medicine and Rehabilitation's convention.

Developed by Lou Wolcher, a San Francisco pinball machine king, the machine's console contains an illuminated panel bearing 50 letters and symbols of the English language.

Rows of lights blink endlessly from one to another of the symbols and pressure on a single switch stops the lights at any given letter and activates the appropriate key on an electric typewriter.

The switch can be operated by any part of a patient's body of which he has reasonably voluntary control, a fist, a foot, a chin or a knee, for examples.

The resultis slow but accurate typing.

One patient, who can move only one shoulder, has been going through high school with the machine.

## Registration For New Pupils At Schools

Pupils new to the Larkspur-Corte Madera School District may register now at the district's four schools for the fall semester which begins Sept. 12.

To start kindergarten, children must be 4 years, nine months old by Thursday. Schools are open from 9 a.m. to 4 p.m. for registration.

## Rock Contest Judges Named

Judges for the rock 'n' roll band contest and teen-ager outdoor dance to be held at the Muir Woods Park Improvement Assn.'s Mountain Fair Sept. 10 and 11 were announced today by fair chairman John R. Iacometti.

They are Chuck Gregory of Mill Valley, representing Columbia records; Johnny Holliday, KYA disc jockey; Royce Johnson of KFRC; Joseph Angiulo, music insturctor, and Robert McKendrick, proprietor of the Mod Hatters Shop, Mill Valley.

Golden State Recorders Corp. of San Francisco is to present a contest award of a recording contract and publication of the "most original and promising song." Information regarding the contest may be obtained from Iacometti of 10 St. Jude Road, Mill Valley.

## Stewardesses Help In Laos

NEW YORK (AP) — Two airline stewardesses have taken leaves of absence from their jobs to work as volunteers for the Thomas A. Dooley Foundation in Laos.

The stewardesses, Corinne Conner, 23, of Pepper Pike, Ohio, and Linda Waller, 24, of College Park, Ga., will be overseas for three months and then return to their jobs with Eastern Airlines.

# McCarthy Declares War On Slow Freeway Drivers

State Sen. John F. McCarthy, R-San Rafael, today declared war on slow drivers "who display arrogant bad manners and flout all highway safety principles by proceeding too slowly in those freeway lanes designated specifically for the use of fast-moving vehicles."

At a press conference in the State Building in San Francisco, Senator McCarthy recommended that 60 miles per hour be the minimum speed in the fast lane and 45 miles the minimum in the slow lane on all major freeways.

"The danger of the pokey road-hogs has been overlooked for too long in our concern—a rightful concern, I might add—with the chronic speeder and the drunken driver," McCarthy charged.

A few years ago, McCarthy introduced legislation making it illegal to proceed at too slow a speed in the fast lanes of a freeway. Noting that this law alone has not solved the problem, today he offered these five recommendations:

1. All major freeways be posted with signs designating minimum speed in the two fast lanes (of a four-lane freeway) at 60 miles per hour; in the center lane at 55, and in the curb lane at 45 miles per hour.

2. The California Highway Patrol be instructed to enforce these minimum speeds.

3. All driver education courses be required to stress the dangers of slow driving on a freeway.

4. Large signs be posted at California border-crossing points to acquaint the out-of-state driver with this regulation.

5. Civic groups and service organizations to assist in educating the driving public of dangers of driving too slowly in fast lanes of a freeway.

## Voters Booth

The League of Women Voters of Southern Marin will maintain a booth to register voters this Saturday and next from 10 a.m. to 5 p.m., at the Safeway Store, Strawberry Town and Country Village.

# Inmate Pleads Guilt To Escape

Herman Edward Eyrich, 30-year-old San Quentin Prison inmate, pleaded guilty in Marin Superior Court yesterday to a July 15 prison escape.

Judge Thomas F. Keating sentenced him to six months to five years in prison, to run concurrently with time he is serving for second degree burglary on a Sept. 5, 1963 conviction in Butte County.

Eyrich escaped from the waterfront area outside the prison walls by hiding in the second van of a double trailer rig. He was arrested after one day's freedom by San Anselmo police.

# Child Beating Hearing Put Off Two Days

Preliminary hearing for Eugene A. Boehm, 21, on a charge of child beating was postponed in Marin Municipal Court yesterday until 9:30 a.m. tomorrow because two witnesses did not appear.

Deputy Dist. Atty. Michael Dufficy said one witness, Dr. Maurice C. Smith, could not appear because he is ill. He said the other, Mrs. Robert Mare Buckley, mother of the beating victim, did not appear because she had not yet been subpoenaed as a witness.

Mrs. Buckley, of 70 Lucky Drive, Greenbrae, could not be reached to serve the subpoena, he said, but added that he does not believe she has left the county.

Mrs. Buckley had been jailed on a charge of failing to report the beatings which resulted in death of her 16-month-old son, Timothy Wayne Buckley. Last Friday, Judge Leonard A. Thomas ordered her $7,875 bail remitted and released her on her own recognizance.

## Guilty Plea Given In Burglary Charge

William Leon Dickinson, 23, pleaded guilty to second-degree burglary yesterday in Marin Superior Court and is to be sentenced Sept. 7.

Dickinson, of 16 Rena Court, Novato, burglarized Goldsmith's Saddle Shop, 817 Grant Avenue, Novato, on June 24.

## Freeway Truck Spill Causes Two Injuries

Two young women were slightly injured in a two-car rear-end collision on Highway 101 caused by a truck spilling its load on the Greenbrae overcrossing at 4:30 p.m. Tuesday, the California Highway Patrol reported.

Treated in Marin General Hospital were Helen M. Mountpart, 19, of 51 Camino de Herrera, San Anselmo, for a cut lip, and Theresa Deny, 19, of Sonoma, for head bruises. Miss Deny was a passenger in a car driven by Timothy J. Connolly, 17, also of Sonoma.

The patrol said a sheet of plywood and a sawhorse fell from the pickup truck and landed in front of the southbound Connolly car. Connolly slammed on his brakes and his car was hit by Miss Montpart's.

The truck driver, William H. Perdue, 52, of 70 Surrey Avenue, Mill Valley, was cited for dumping his load on the highway.

## New County Job Deadline Extended

Wanting a wider selection for the recently created job of executive officer for the Marin County Human Rights Commission, the county personnel department has extended the application deadline until Sept. 18.

Personnel analyst Martin E. Nelson said there are many qualified among the 25 who applied prior to the deadline Sunday, but he wanted a bigger volume of applications before the start of screening. The salary range is $790 to $960 a month.

## Sheriff Assault Trial Scheduled

New jury trial for William L. Bland, 19, charged with felony assault on a deputy sheriff in Marin City on June 12, was scheduled yesterday in Marin Superior Court for Nov. 14.

The original trial ended in a mistrial last Wednesday after a woman juror allegedly discussed the case in a Sausalito bar. A second cause for the mistrial was a motion that cross-examination of a defense witness in the trial created prejudice against Bland.

Bland, of 99 Cole Drive, Marin City, is accused of assaulting Deputy Gary Bartolotti.

The district attorney's office also is seeking a contempt order against the juror, Mrs. Mary Lawson, 72 Oak Springs Drive, San Anselmo.

## Gets Probation In Embezzlement

Mrs. Jacqueline E. Gianola, former secretary of Bolinas Beach Public Utilities District, was placed on five years probation in Marin Superior Court yesterday for embezzling $1,065 in district funds.

Judge Thomas F. Keating, who also ordered her to make full restitution including costs of county auditing to determine the status of her incomplete files, said he was considering her previous clear record in not sentencing her to jail.

Mrs. Gianola, 32-year-old mother of five children, had pleaded guilty to the embezzlement of cash water bill payments from district customers from November, 1964, through last April.

# College Board To Be Asked To Approve Study Money

Marin Junior College District trustees will be asked to approve $5,500 for an engineering study of college buildings built before 1933 at their board meeting at 8 p.m. tomorrow in room G-3 at the college in Kentfield.

Irwin P. Diamond, acting president of the college, recommends the study be made by Brown and Smith, structural engineers of Santa Rosa.

Before its regular business session, the board will meet with college personnel at 6 p.m.

The board will consider calling for bids on a storage yard, estimated to cost $43,400, and will receive plans for building a $20,000 physical education storage building.

It will consider applying for federal funds to pay 50 per cent for physical science, engineering, mathematics and art equipment totaling $155,654.

Revisions in campus parking regulations will be considered.

## Youths Arraigned For Burglary

Michael Eugene Gilliam and Bryant Lynn Hamilton, 18-year-old San Rafael youths, were arraigned in Marin Municipal Court Tuesday on a joint charge of burglary.

Judge eLonard A. Thomas referred their cases to the public defender's office and scheduled plea entries for this afternoon.

Gilliam, of 814 Fifth Avenue, and Hamilton, of 1 Welch Street, allegedly burgled a building occupied by Harry Charles Bell, 53 Glenaire Drive, San Rafael,

## Community Project Picture Correction

In a caption to a picture published Monday showing tree-planting in a San Anselmo community project, one of the planters was incorrectly identified as Jim Reed, chairman of the Congress for Community Progress.

The person pictured was, in fact, William Trewhella, president of San Anselmo Chamber of Commerce.

## Concrete Permit

Mr. and Mrs. Lawrence E. Dewey have applied for an Army Engineers permit to place concrete piling for construction of a residence in Racoon Strait, Tiburon.

Objections to this work will be received by the Army Corps of Engineers, 100 McAllister Street, San Francisco, in triplicate by Sept. 28.

## Retirement Group To Continue Meetings

The Marin Chapter of the American Assn. of Retired Persons, which did not meet during the summer, will resume regular monthly meetings Saturday at 1:30 p.m. at the First Methodist Church, Ross Valley Drive, San Rafael.

Mr. and Mrs. William B. MacLane of Mill Valley will tell about and show slides from their recent world tour. Refreshments will be served.

## Medical-Minded Belli To Speak In Marin

Attorney Melvin S. Belli, noted for his handling of medical evidence in damage suits, will address the Marin Medical Society tomorrow on "Is There an IBM Machine in the House?"

Belli will be speaker at the first of the society's monthly dinner meetings following the summer recess. The meeting at the Meadow Club above Fairfax will begin with cocktails at 7 p.m., followed by dinner and Belli's address.

SERVING ALL OF MARIN COUNTY

### *HOURLY PAY: $8.32*

# Plumbers 'New Aristocracy' With Best Take Home Wage

**By JOHN F. KEARNEY**
**Cartoon by Jack Lucey**

All that glitters under the kitchen sink is not gold, but plumbers are fast getting that golden touch.

The man with the pipe wrench and the spare faucet washers in his tool bag gets paid the most of all the tradesmen who knock on the doors of Marin County homes.

You could almost call plumbers the "New Aristocracy of Labor." Peter T. Schemann, president of the Plumbers and Pipe Fitters Union, called their condition merely "prosperous."

Beginning tomorrow, plumbers in Marin County will be paid $8.32 an hour, including fringe benefits, retroactive from the signing of their best-yet contract last June.

Some comparisons with other industries: Electricians, $6.56; painters, $6.01; carpenters, $5.93; moving men, $3.51.

And like members to an exclusive club, plumbers have to hand over $1,000 before than can even join the union. It is called an initiation fee.

That is considerably more than it costs to join the San Francisco Yacht Club at Belvedere ($600) and for $1,000 you could be a members of the American Medical Assn., for more than five years. The AMA doesn't even ask for an initiation fee.

Someone close to the plumbers union and who asked not to be identified called the fee "pretty exorbitant."

"It is their way of keeping out people they don't like—particularly people coming in from out of state." he commented.

While the union is understandably jubilant at negotiating a contract giving its members the best take-home pay in its 77-year history, no flags are being strung out by the contractors who have to face householders with the final bill.

"I'm afraid it is not encouraging a great deal of repair work," said Samuel H. deLisle, president of the Plumbing, Heating and Cooling Contractors of Marin, Sonoma and Mendocino counties. "We tried to fight it, but there it is."

Most contractors in Marin charge householders a minimum of $13 an hour—more than the average physician's bill for a housecall.

"This $13 is what we consider the charge which would cover all overheads," said de Lisle. "On top of that would go a reasonable profit for the contractor and the plumber's traveling expenses.

**FITTINGS PROFIT**

"Some of this additional cost might be offset by profit made on fittings when found necessary."

Marin residents with leaky faucets or a new bathtub to install might ponder on their way to the bank that plumbers have now some of the best fringe benefits in the country.

They have vacation and holiday benefits equalled by few other unions. They pay into a fund which, at the end of the contract period in 1972, will bring $500 a month pension money to a member with 25 years service.

A spokesman for Local 38 in San Francisco commented, "We think we negotiated rather a fine contract."

The local's business manager, Joseph Mazzola, was reportedly at a meeting and could not be reached for comment. His secretary said: "He wouldn't talk to you anyway. He does not find time to talk about details of a contract after he has negotiated it."

A question about the initiation fee of $1,000 to join the union was referred to the local's financial treasurer, but he also was out of the office.

At its convention in Kansas City recently, the union was encouraged to reach even higher by George Meany, president of the AFL-CIO.

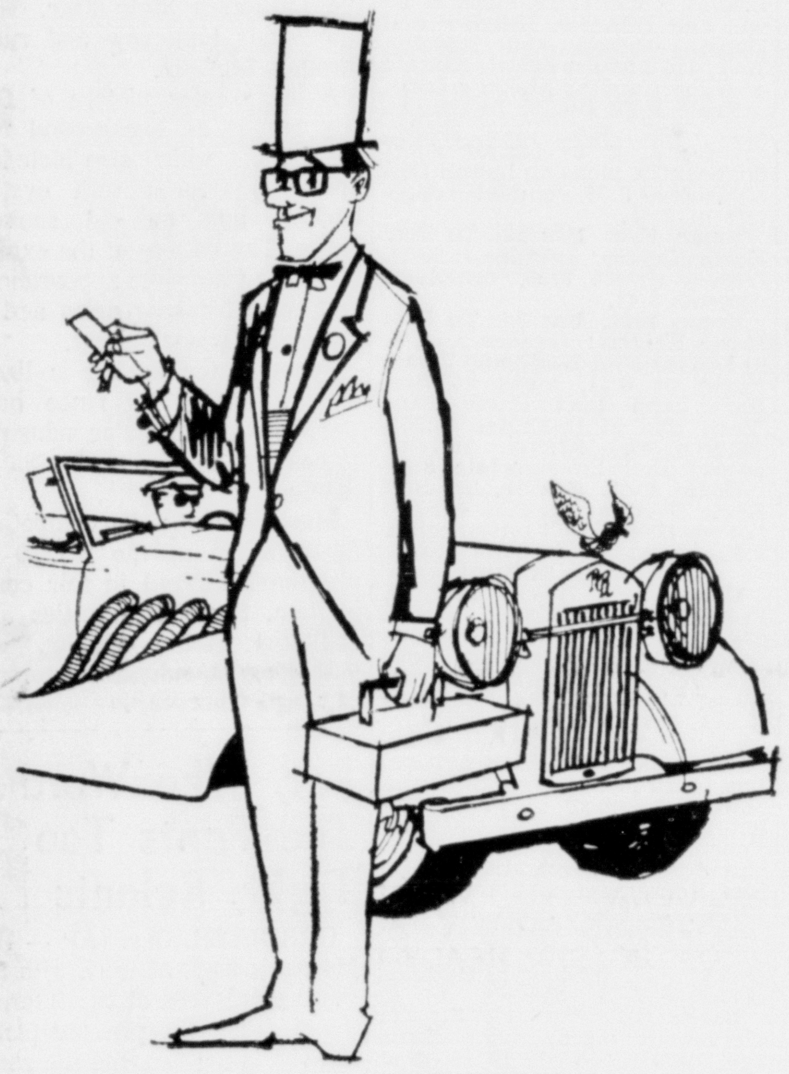
**STRIVE FOR MORE**

In a telegraphed message he urged the union to strive for ever-greater gains because the workers "for whom we speak, must have a better and fuller life."

At that same convention, union president Schoemann reported the average wage rates and take-home pay at record levels and added:

"Reports from our local unions indicate that there is lots of work and that unemployment is low."

In Marin, despite a slowdown in building work, employment of plumbers was described by contractors' association president deLisle as "reasonably steady."



## Hamilton Retirement Rite Caps General Lolli Career

Andrew R. Lolli, who joined the Army on a one-year enlistment in 1940, put away the two stars of an Air Force major general today to retire to civilian life.

**ANDREW R. LOLLI**
**Commander retires**

The career that started as a 12-month signup the year before the United States entered World War II ended with General Lolli commanding the Western North American Air Defense Command, with headquarters at Hamilton Air Force Base. Under his orders were U.S. Army and Air Force and Royal Canadian Air Force units all along the west coast.

In addition to being commander of the Western North American Air Defense Command, he was commander of the Sixth Army Air Defense Command with headquarters at Fort Baker.

He announced his retirement, moved up from the scheduled date of Sept. 30, to become consultant to several companies engaged in space research and missile production. He declined to identify the companies.

General Lolli is regarded as one of America's top missilemen.

He came to Hamilton in June, 1964, to command the 28th North American Air Defense Region. It was enlarged last April to the Western Air Defense Command, including all or parts of 11 western states and two Canadian provinces.

General Lolli holds the Distinguished Service Medal, highest non-combatant award given by the U.S. armed forces.

He will live in San Francisco.

Army Maj. Gen. Ethan A. Chapman, now serving in Japan, has been named as his successor in command of the Western NORAD Region. Maj. Gen. Carroll W. McColpin, deputy commander, will be in charge of the region until General Chapman arrives at Hamilton.

General Chapman, a native of Houston, Tex., enlisted in the Army in 1928 and graduated from West Point in 1933. During World War II, he served in the Allied Forces headquarters in Italy. Later he was stationed in the Pentagon.

He was active in planning the Supreme Headquarters Allied Forces in Europe in Paris, and served there in the advance planning group. He has also served in Korea.

## Three File For Strawberry Board

Two incumbents and one challenger have filed so far to run for three Strawberry Recreation District Board seats in the Nov. 8 election.

Board members Arthur R. Senter of 257 Ricardo Road and Clarence G. Bush of 104 Belvedere Drive and newsomer James L. Andrews of 296 Ricardo Road have filed for the four-year terms. Filing deadline is Sept. 9.

## East Bay Pact Raises Workers To $302 A Week

RICHMOND — Journeymen plumbers in Contra Costa County will get $302.10 for a 38-hour week in 1968 under terms of a three-year contract ratified yesterday by Plumbers Union Local 159.

This is not including $20.60 per week in fringe benefits which the new contract will provide.

It replaces a contract which expired July 1 which paid $6.15 per hour, or $266 for a 40-hour week including fringe benefits. The union struck until Aug. 1, when members returned to work under an interim agreement.

The new contract, retroactive to July 1, provides $6.70 per hour this year, $7.33 next year, and $7.95 in 1968—plus fringe benefits. The 38-hour week will start next July 1.

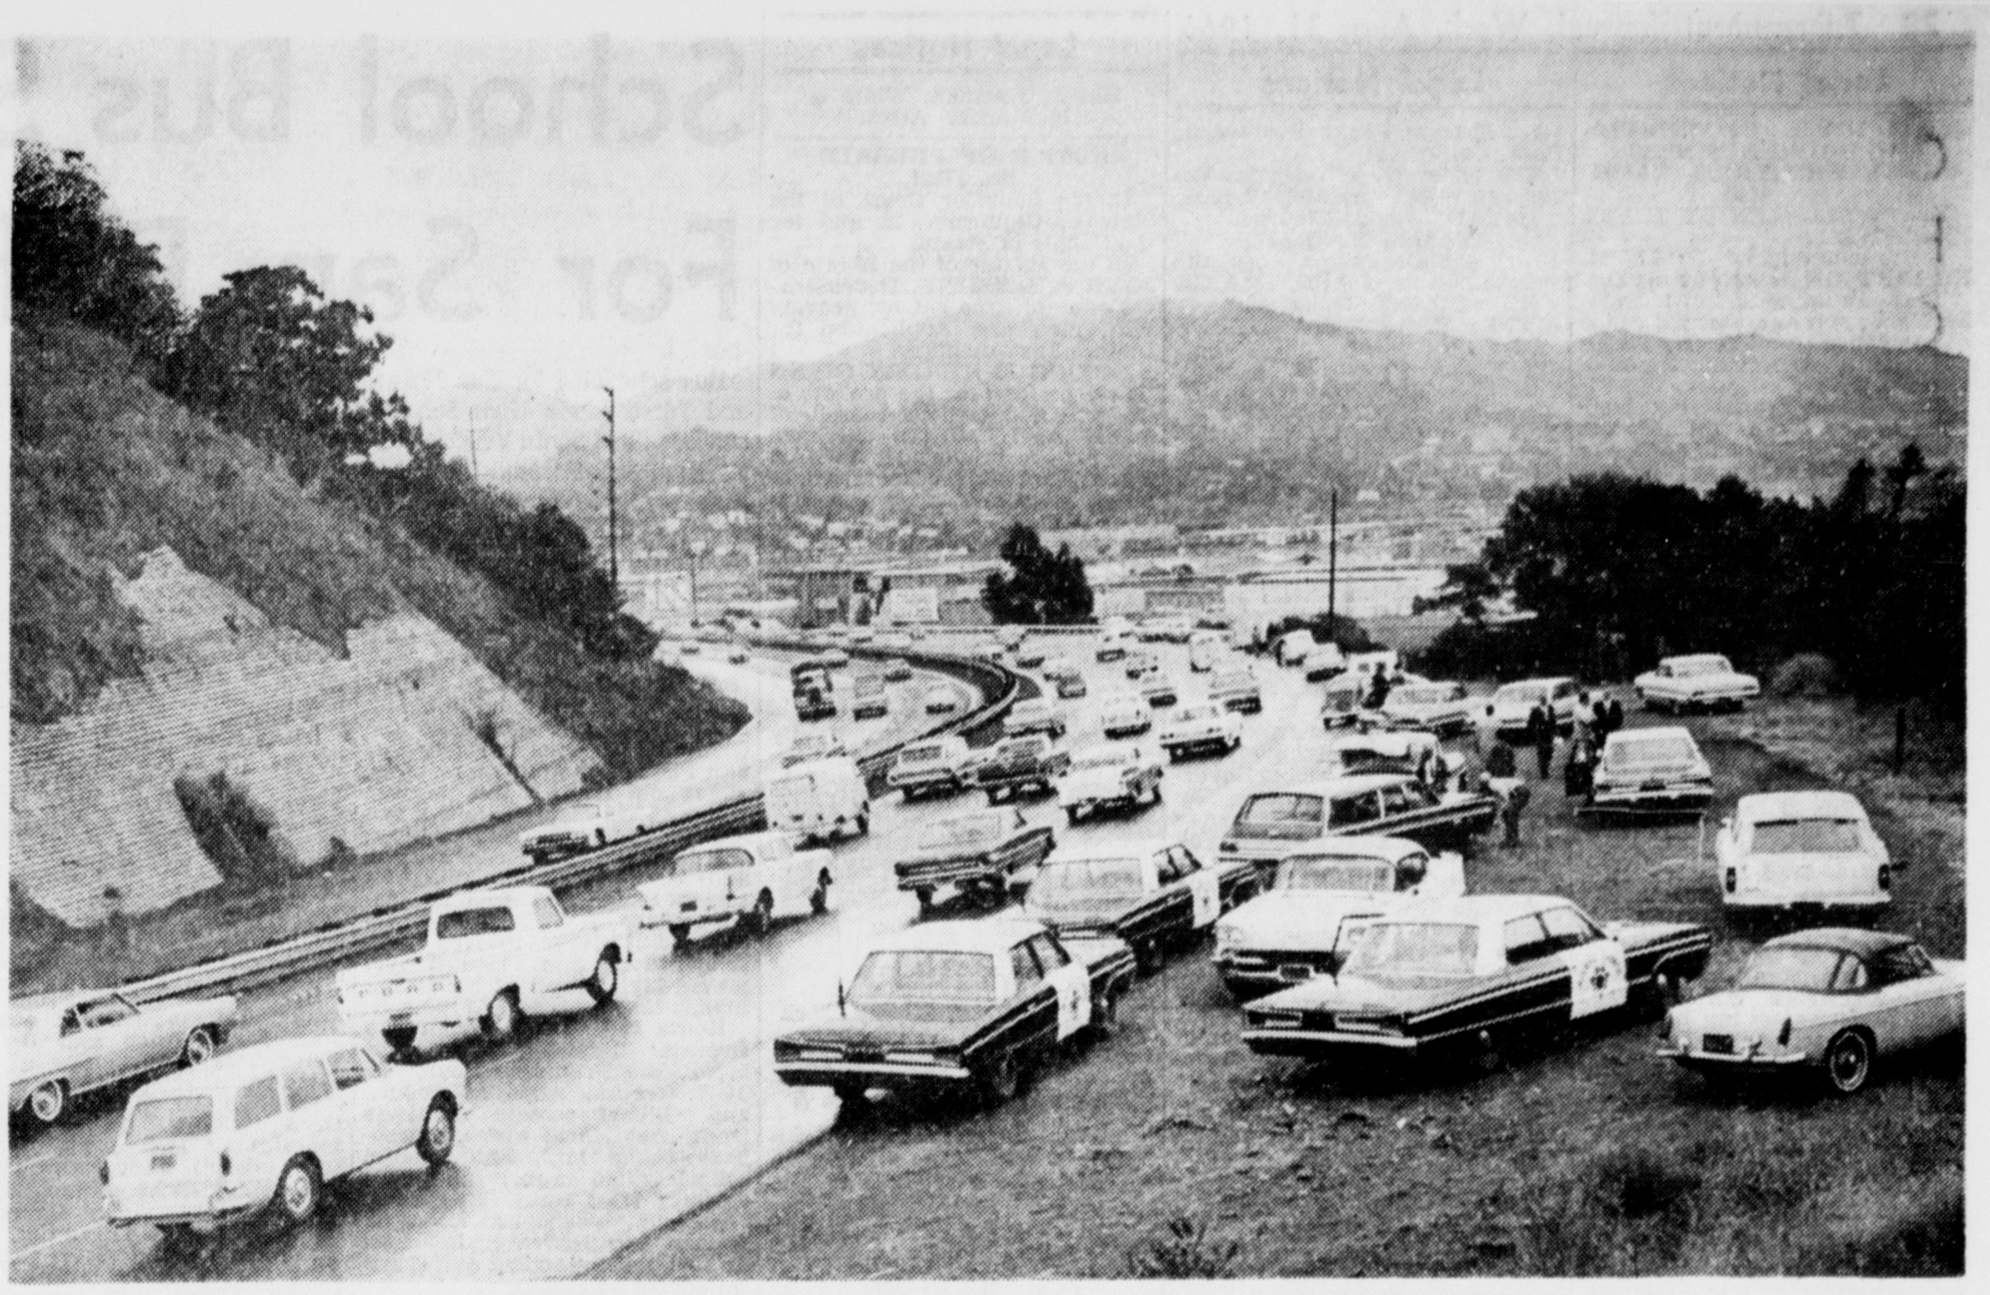
E. C. Bliss. Local 159 business manager, noted that under the new contract, if a journeyman were to work 36 weeks in 1968, he would make $11,592—which, incidentally, is near the top of annual salaries for school teachers, who work 36 weeks out of the year.

## Police Get Tips On Assault Suspect

San Rafael police today said several persons had reported men who fit the description of one alleged to have raped a 37-year-old mother of three last Saturday after threatening her with a gun and forcing her to swallow 20 sleeping tablets.

Inspector Thomas C. Cheetham said he had "a number of possibilities to check from various angles."

The woman, in the Loch Lomond area told police the man, between 28 and 31 years old, broke into her home about 3:30 a.m. Saturday. Armed with a snub-nosed automatic, he ordered her to swallow 20 sleeping pills, then assaulted her.



## *KING-SIZED TRAFFIC TIE-UP; TWO HURT*

About 25 cars were involved in three accidents on the California Park Overpass southeast of San Rafael at mid-day yesterday. This was the scene atop the hill as the California Highway Patrol labored to clear the traffic. Only two persons were injured, the highway patrol reported: Leo A. Weist, 28, of 189 Cascade Drive, Fairfax, who was treated at Marin General Hospital for a bump on the head, and his passenger, Sandra Dudek, 24, of 151 Filbert Avenue, Sausalito, who was treated for back sprain and a left knee cut. The patrol said Weist's car was involved in an accident with cars driven by Beatrice E. Kurtz, 51, of 52 Castlewood Drive, San Rafael, and George Christie, 50, of San Francisco.

## Oyster Industry At Fair

SACRAMENTO — The oyster industry of Tomales Bay, started in 1858, is presented in the Marin County exhibit housed in the huge Counties Building at the California State Fair. The fair starts tomorrow and runs through Sept. 11.

A large color picture of the bay serves as background for the exhibit, which also includes animated figures with oyster baskets and an old sunken barge. The bottom of the exhibit, with a water-like appearance, and color transparencies add a three-dimensional effect.

Front of the exhibit is lined with a eucalyptus fence barrier, used in the oyster industry, to convey the "Oyster for Sale" theme.

Marin County is competing for a share of the $64,800 in premiums offered in fair competition. Some 51 counties are exhibiting in the building.

Judging of exhibits is tomorrow and Thursday.

## Pat, Who Wore The Pants Too Tight, Relents

GARDINER, Ore. (AP — Pat Morris is back at work with 315 other employees at the International Paper Co. plywood plant, but she is not wearing the same clothes she wore when a strike began a week ago.

Miss Morris, 35, whose measurements are 39-27-39, was suspended because her jeans and sweater were too tight and too distracting to male workers, the company said.

Local 2195 of the Lumber and Sawmill Workers Union called a strike, maintaining Miss Morris did not receive a written warning to change her attire.

A union spokesman said the decision was made to return to work on the assumption that Miss Morris was not suspended, but merely sent home to change clothes.

She worked last night in loosely fitting coveralls.

## Mystery Luna II Equipment Told

MOSCOW (AP) — The Soviet mystery satellite Luna 11 contains "an entire orchestra of rocket engines," Pravda said today.

The Communist party publication gave the first brief description of some of the equipment aboard the unmanned spaceship but gave no hint of the 3,615-pound vehicle's mission.

Luna 11 went into orbit around the moon late Saturday night. On Monday night it sent back picture signals which were picked up at Britain's Jodrell Bank tracking station. Signals from Luna 11 were picked up at Jodrell Bank again last night, but scientists there said these were not picture signals.

They are Henry J. Broderk of Tiburon, Harry Diner of Corte Madera, and Edwin W. Thomas Jr. of San Rafael.

## Sincere Sinner Settles Debt

BARTLESVILLE, Okla. (UPI) —Someone who described himself as a converted sinner settled an old debt today.

"You will find $2 inclosed," said a letter addressed to the librarian at Carnegie Library in Bartlesville and mailed from Fayetteville, Ark. "It is is to pay for a book I took with me when we moved away 38 years ago. I didn't purposely steal it —just failed to return it when we left. I'm getting ready to go to heaven, and don't want anything on my conscience."

The letter was signed: "Sincerely, a converted sinner."

# County Hikes Pound Fees

Marin County supervisors yesterday approved raising some charges at the Humane Society pound and took steps to fix pet owners' responsibility for the cost of their animals to the county.

The charges do not become effective until all towns and cities in the county adopt similarly worded ordinances.

The animal keeping fee was raised from 50 cents to 75 cents per day. Boarding charges for large animals were increased from 50 cents to $2 a day.

The quarantine fee went from 50 cents to $1.75 a day for owners who cannot quarantine their dogs at home, bringing this charge in line with those of private veterinary establishments.

Dogs raised as guides for the blind are exempted from license fees but must still be licensed. The $4 dog license fee remains the same, but the penalty for delinquent licenses was raised from $1 to $3.

The previous owner of a dog is required to notify the treasurer-tax collector of its sale, otherwise he will be liable for any expense incurred under the animal control section of the county code should the new owner fail to change the registration.

The new ordinance also forbids an owner to escape responsibility for upkeep and other costs of an impounded pet by surrendering it to the pound.

## Submarine Deaths

## HOW TO PLAY WINNING BRIDGE

By ALFRED SHEINWOLD

## For A Genuine Bridge Victory, You Need Outstanding Opponents

For an outstanding bridge hand you need good opponents.

Bad defense gives you only an easy victory, but first-class opposition may give you a real triumph.

Opening lead — ♡ J

West opened the jack of hearts, and East took the ace. If East made the routine return of a heart, South would win and lead diamonds to force out the ace.

With four diamond tricks as a nucleus South would get nine easy tricks.

The hand didn't go that way because East was Frank Westcott, for many years one of the leading players of New England. Westcott returned the king of spades at the second trick.

Declarer refused the trick, hoping East would change his mind, but Westcott continued with a spade to dummy's ace. Now there was no side entry to dummy's diamonds.

### HOLDS OFF

Declarer led a diamond to the queen and another to dummy's king, but East held off. Now it seemed that South was due to make only two tricks in each suit.

Once again the hand didn't go as expected. Thi time the reason was that South was Danny Rotman, well-known Chicago expert.

Rotman took the ace and king of clubs to see if the queen would fall. Then he cashed his high hearts and the queen of spades. Finally, he led his last diamond to force East into the lead.

East was stuck with the queen-ten of clubs and had to give dummy a trick with the jack of clubs, thus providing declarer's ninth trick.

"That'll teach you not to be such a troublemaker," Rotman told a smiling Westcott.

### DAILY QUESTION

As dealer, you hold:

♠ K 10 7
♥ A 7 2
♦ A 9 2
♣ Q 10 9 2

What do you say?

**Answer:** Bid one club.

With 13 points in high cards you have an aptional opening bid. Decide to bid rather than to pass because you also have two tens and two nines.

You cannot count points for these cards, but they should incline you to bid a borderline hand.

## Average Consumption For Meals Measured

PHILADELPHIA (UPI) —At a typical turkey dinner, each person on the average will eat about a half pound of meat, according to an institutional food service company.

The company, Automatic Retailers of America, Inc., bases its estimate on the fact that it daily serves 9,700 pounds of turkey to 19,400 persons, or a half pound per serving.

**The evening star is Saturn.**

American writer William Saroyan was born on this day in 1908.

On this day in history:

In 1886, the first major earthquake recorded in the United States killed 41 persons at Charleston, S.C.

In 1887, Thomas Edison received a patent for a motion picture device.

In 1954, 68 persons were killed and property damage was estimated at $500 million as hurricane "Carol" lashed the New England coastline.

In 1965, Argentine President Juan Peron offered to resign to end political unrest in the country. He later withdrew the offer but was ousted and went into exile.

**A thought for the day — Winston Churchill said:**

"I cannot forecast to you the action of Russia. It is a riddle wrapped in a mystery inside an enigma."

## TIME AND TIDE

# Gen. Schriever Retires After Rocket Career

WASHINGTON (AP) —Gen. Bernard A. Schriever, who staked his Air Force career on his belief that missiles rather than bombers were the weapons of the future, retires today.

A special review and a flyby of 19 aircraft were scheduled in his honor.

The success of Schriever's fight for missiles, begun when he was an obscure colonel in the early 1950's, is reflected in the Air Force Systems Command, the multibillion-dollar research program he has headed since 1959.

It also is reflected in the rocket-like rise in rank that brought Schriever from colonel to four-star general in seven years.

Until 1952, Schriever recalled recently, "I had been more interested in big bombers as a deterrent force. Then the picture changed, with smaller payloads missiles became more practical."

Five of these were in San Rafael, which also had one case each of the measles, pertussis, and syphillis.

# 'Up With People' Lands On NBC-TV

By RICK DU BROW

HOLLYWOOD (UPI) — Last night's one-hour NBC-TV musical special, "Up With People," which had freedom as its theme and Pat Boone as its host, was controversial, in case you didn't know it.

The network, which usually sends out multi-page press releases for anything remotely resembling a special broadcast, had announced the broadcast Aug. 22 in a very brief four-paragraph notice.

And so far as I know, there were no followup features elaborating on the considerable details of the program. At least, I never received any from NBC-TV.

A while back, the Shick Safety Razor Co. tried to place the show on the five television stations owned by CBS, but that broadcasting organization decided against presenting it.

About 30 cities did carry the program on a syndicated basis, sponsored by Schick.

The program has been presented in 40 countries. The cast included 130 high school and college-age youths from the United States and 17 other nations. They are members of moral rearmament. NBC-TV didn't mention this in its press release. Apparently the network considered this less titillating than one of its own series in which the host pretends to be boozed up on camera.

When CBS turned down "Up With People," it said its policy banned commercial entertainment programs with an editorial or ideological point of view.

For those with eyebrows immediately raised, CBS-TV could point out that, in similar grounds, it did reject the recent drama specials on the United Nations which ABC-TV showed after they were put together by a foundation formed especially to promote the U.N.

On the other hand, one might well ask precisely what CBS-TV's "The Defenders" and "East Side-West Side" were, if not commercial entertainment programs with an editorial and ideological point of view.

It would, in fact, be rather difficult to find many major dramatic productions without these very qualities.

In short, the network would appear to have a very convenient apparatus for touchy situations—like a hearing aid that one can turn on and off at will, according to one's feelings on a matter.

A report has it, by the way, that ABC-TV did agree to accept "Up With People," but that NBC-TV gave a better time period. It was shown from 7:30 to 8:30 p.m. EDT, in color.

When the five CBS stations rejected "Up With People," Schick Chairman Patrick Frawley threatened to register a complaint with the Federal Communications Commission.

According to "Variety," the show business weekly, the NBC-owned stations "had said back then that they couldn't clear the time desired by the advertiser."

You may recall that Schick once had a bit of a fuss with ABC-TV when Alger Hiss appeared on Howard K. Smith's highly controversial "Political Obituary" of Richard Nixon.

The sponsor tried without success to withdraw commercial billings from ABC-TV because Hiss was used on the broadcast.

The matter of networks occasionally turning down certain shows is a steady one. For example, both CBS and NBC have rejected a program on auto safety produced by David Wolper for General Motors.

As a result, General Motors is arranging on a syndicated basis for more than 130 stations to present the hour show, which, according to "Variety," is being handled through "GM's ad and publicity department."

The show business newspaper quotes an NBC spokesman as saying the network considers auto safety a public issue, "and public issues are covered by NBC news, not from outside."

# Mets Drub Dodgers 10-4; Pirates Whip Astros 8-2

Independent Journal Sports

FOURTH SECTION Wed., Aug. 31, 1966 43

By FRED MCMANE
UPI Sports Writer

Sandy Koufax will never steal a page from Ring Lardner no matter how rough the going gets.

The Dodgers' ace southpaw was shelled from the mound in the third inning by the New York Mets last night as Los Angeles dropped a 10-4 decision, and while members of the press box swore Koufax was wincing every time he threw the ball, the classy lefty refused to be an "Alibi Ike."

Koufax, upon whose arthritic left arm hinge the pennant hopes of the Dodgers, has been having some trouble with his arm the past few weeks but he refused to use that excuse for his poor showing against the Mets.

"I was just plain awful," a disappointed Koufax said after the Mets had beaten him for only the second time in their five-year career. "I had no pain in my elbow, I just couldn't get the curve ball over the plate. It's no disgrace to lose to the Mets. If they weren't a big league team, they wouldn't be here."

Despite Koufax' insistence that his elbow was okay, there were some writers who were skeptical while believing that the Dodger lefty was keeping his troubles to himself so as not to upset the team's morale.

In other National League action, San Francisco topped Philadelphia 7-1, Pittsburgh beat Houston 8-2, Cincinnati defeated St. Louis 6-4 and Chicago downed Atlanta 5-3.

In American League activity, Minnesota beat Washington 3-1, Kansas City defeated New York 4-1, Detroit edged Baltimore 5-4, Cleveland topped Chicago 6-2 and Boston edged California 7-6.

Koufax, who failed to finish a game against the Mets for only the fourth time in his career, walked three batters to force in a run in the second inning then was kayoed in the third after Ron Swoboda's single had upped the Mets' lead to 4-2. Joe Moeller relieved and was touched for a two-run double by Jerry Grote, both runs being charged to Koufax.

In all, Koufax was charged with five earned runs which raised his major league-leading ERA from 1.62 to 1.79. It was only the fourth time this season that Koufax had failed to get past the fifth inning. His record is now 21-8.

Tug McGraw, who beat Koufax on Aug. 26 last year, started the game but was relieved in the second inning by Bob Friend who went the rest of the way to notch his fifth victory in 10 decisions. Wes Parker and Wes Covington hit home runs for the Dodgers.

### PIRATES EXPLODE

Pittsburgh exploded for five runs in the fourth inning to break open their game with the Astros. The Pirates, who got 16 hits, banged out six in the fourth inning and tagged Dave Giusti with his 11th loss. Woody Fryman got credit for his 11th victory although he needed help from Pete Mikkelsen in the eighth. Matty Alou, Roberto Clemente, Willie Stargell and Bill Mazeroski each had three hits for the Pirates.

Pete Rose hit two homers and Deron Johnson blasted a solo homer as the Reds extended their winning streak to seven games. Sammy Ellis, with relief help from Billy McCool in the last 2 1-3 innings, notched his 11th victory while Al Jackson suffered his 12th loss. Charlie Smith homered for the Cardinals.

Ernie Banks blasted a three-run homer and rookie southpaw Ken Holtzman scattered nine hits as the last place Cubs beat the Braves for the 10th time in 15 meetings. Holtzman, now 8-12, lost his shutout in the seventh inning when Hank Aaron hit his 36th homer with two mates aboard. Aaron's blast gave him 102 runs batted in for the year, marking the eighth time in his career he has passed the century mark in RBI's. Joey Jay was the loser.

## ALONG MARIN'S SPORTS TRAIL

By JIM GILMARTIN
I-J Sports Editor

### Olympian Coached Dipsea Doll; Fouts Is 'Voice Of The 49ers'

**DIPSEA DOODLES:** Miss Elaine Pedersen, the 29-year-old blonde airline stewardess supervisor who dolled up the Dipsea Race Sunday, was coached for her unusual 6.8-mile run by Dr. George Rhoden, former Olympic sprint champion from Jamaica.

Dr. Rhoden, who attended the Dipsea as a spectator but wound up administering first aid to some of the scratched and blistered contestants, won the 400-meter dash and helped Jamaica's 1600-meter relay team to victory in the 1952 Olympics at Helsinki, Finland. He is a member of the staff at San Francisco Eye and Ear Hospital, whose administrator, Pax Beale, also ran the Dipsea.

Beale wound up spending an hour in an oxygen tent at the finish line. Miss Pedersen, his teammate, finished in much better shape.

**MILL VALLEY'S** Jim Imperiale, who organized the Marin Athletic Club several years ago, watched his club win its ninth Dipsea team title. Imperiale won the individual title back in 1959.

Another spectator was Dr. Robert Furlong of San Rafael who ran the second annual Dipsea back in 1906, when the course was about a furlong longer—with the finish line on the beach at Stinson.

**SUNDAY'S WINNER,** 21-year-old Carl Jensen of Novato, has won three other major AAU distance races in his budding career—the West Ridge Canyon Run at Novato (seven miles), the El Dorado Race (15½ miles) and the Belmont Marathon (26 miles). Not to mention numerous collegiate races as a student-athlete at College of Marin and Sonoma State College.

Jensen, by the way, was NOT the first scratch runner to win the Dipsea, as advertised. Peter Paul McArdle did the trick back in 1962.

**AN INTERESTED** reader informs me that last week I erroneously identified Dave Scofield of Larkspur as "Voice of the 49ers" when actually Bob Fouts of Sleepy Hollow is the "Voice of the 49ers" and Scofield the "Voice of Kezar." (This is going from bad to voice.)

**A WEEKEND** featherweight fight in Tokyo saw Yoshio Nakano of Japan outpoint I Won-Sok of South Korea. I presume the latter will change his name to I Lose-Sok.

**SABELLA'S OF MARIN** was jumping with four busloads of baseball fans Sunday morning — for brunch en route to the Giant-Dodger game. Fizzed eggs outnumbered scrambled cackleberries by a 2-to-1 ratio, my spies tell me.

**HEADLINE:** "Marin Goes To Baltimore." Don't get excited, folks, it's Jack Marin, the Duke All-American cager, who signed his pro cage contract with the Baltimore Bullets.

Also, there is a Jay Gilmartin playing halfback for the Navy varsity this season, but don't hold that against him. Could be a nice kid.

**TERRA LINDAN** Bill Lee, a lefty relief pitcher, was a member of the Alaska Goldpanners team that last weekend won the Hawaiian Invitational Baseball Tournament.

**THE LITCHFIELD** semi-pro baseballers of San Rafael made quite an impression on the folks back in Grand Junction, Colo. during their recent series there. Litchfield Manager Joe Anselmo received a letter from Grand Junction's Sam Suplizio saying, "You are far and away the best California representative that we have ever had play here."

While on the subject, I'd like to know why Marin's two top semi-pro teams—Litchfield's and Mill Valley Merchants—have not played each other this year?

**ALL THE BIG** spenders attended that softball-baseball game in Mill Valley Sunday. The teams passed the hat and collected $28.

SAN RAFAEL HIGH SCHOOL

**MUSTER'S ELEVEN** — San Rafael High's head football coach Bob Muster, who Monday ran his gridders back and forth until only 11 could carry on, puts the stopwatch on his "first team," so designated after just two days of practice because they held on after the others (in background) found the "death run" impossible. There's still trial ahead, but for now, the Bulldog "first string" consists of Roger Widmer and Doug Jones (foreground, from left); Tom Bales and Herb Rowland, (second row); Mark Stephens, Bob Maglione and Mike Rosso, (third row); Rafael Gallardo, Don Weiss, Bill Joost and Gary Welch (fourth row).

## Two New Coaches For Marin Prep Grid League

Two men will get their first taste of head varsity football coaching in the Marin Athletic League this season, taking over teams on the opposite rungs of the ladder.

Al Scott has moved up from assistant varsity coach at Novato High School, replacing Harry Moore, who moves to the dean of students' desk. Scott will be taking over the defending champions.

Joel Kiff will be the new football boss at Marin Catholic, taking over for Chuck Vaughan, who has taken a coaching job in Illinois. Marin Catholic was winless last year, finishing again in the MCAL cellar.

A large turnout — for Marin Catholic—was on hand Monday when practice opened in Kentfield. Sixty-eight gridders were in uniform, 48 on varsity and 20 on junior varsity. Kiff, who'll cut his varsity squad to 40 at the end of the week, said, "The players have the best attitude I've ever seen here."

### MARIN SPIRIT

It is said the spirit of the Wildcats' championship baseball season a few months ago is carrying over to football. Kiff, who coached junior varsity football for two years at Marin Catholic, hopes his varsity team gives a good show for itself. Marin has won only one league game in the seven-year history of the MCAL.

But with an enrollment of only 750, Marin Catholic football fortunes are never bright playing against league schools with enrollments touching 2,000.

Helping Kiff will be Mike Burke, a recent graduate from San Francisco State. Junior varsity coaches will be Jim Caranica, the only returnee on the grid staff other than Kiff, and Jack Breen. Cliff Vattuone and John Leonard will handle the frosh.

Assisting Scott at Novato will be Bob Aune and Bob Martin. Hornets J.V. coaches will be Ford Joy and Jerry Colletto, with Mike Quinn and Larry Keranin tutoring the frosh team.

At Terra Linda High, Brad Squires will be in his second year as head varsity coach. Don Lucas will handle the backs and Jess Payan the linemen. Joe Brighenti will be in charge of the jayvee and Hank Yamagata and Fred Goodwin will coach frosh.

### HECTOR RETURNS

Willie Hector will also be in his second year as head coach for the Tamalpais Indians. Hector, a former Tamalpais star himself before playing college and pro ball, will be assisted by Norm Cady, Al Ahlsten and Len Fitzgerald coach the junior varsity Indians and Jim Healey and Mike Campas the frosh.

Bob Troppmann, Redwood's head coach, will be starting his 12th year of Marin County coaching. Before coming to Redwood when it opened in 1958, he had coached at Drake from 1954 to '57. Tropp is assisted by Al Endriss and Phil Roark. Junior varsity coaches at Redwood are Tony Bailey and Wes Price, while Lyle Fisher and Dennis Ragan teach the freshmen.

### BULLDOGS' MUSTER

San Rafael High School coach Bob Muster has been in charge of the Bulldogs' fortunes since 1961. His assistants are Bill Monte and Bill Burns, splitting up the varsity and J.V. duties. Gay Quandt and Robert Pollitt coach the frosh.

Drake head coach is Bob Franceschini, head football mentor since 1958. His assistant is Carl (Red) Brown. Morris Shepherd and George Storti are the junior varsity coaches at Drake and Pete Hayward and Jim Brown are in charge of the frosh.

## 49ers Give Axe To 3 Vets, 4 Rookies

By ASSOCIATED PRESS

Coach Jack Christiansen lopped three veterans and four rookies from his San Francisco 49er roster yet still seeks an answer to the inept performances of his pros in their first four games.

"We didn't seem mentally ready," the coach said as he worked the club in preparation for the final pre-season game against the arch foe Rams in Los Angeles Saturday night.

Christiansen remains rankled over the four losses, especially the final two when Pittsburgh and then Atlanta beat the 49ers for their initial victories of 1966.

To reduce his club to the required 43 limit, Christiansen released veterans Karl Rubke, Floyd Dean and Vern Burke plus rookies Dave Hettema, Lyle Loebach, Bob Daugherty and Preston Ridlehuber.

Rubke, a defensive end, was picked up by the Atlanta Falcons even before the waiver lists were released officially yesterday.

Christiansen said the Falcons had indicated interest in Burke as well as Rubke.

Burke has been playing at tight end on offense and Dean at defensive end.

Except for questions caused by injuries, the 49ers are expected to start the alignments against Los Angeles which will open the regular season in Kezar Stadium against Minnesota on Sept. 11.

Most of the injury questions concern the defensive secondary. Jim Johnson hurt a knee in the Atlanta game and Kermit Alexander has bruised ribs. Rookie Mel Phillips can't play because of torn rib cartilage.

On the bright side, rookie defensive end Stan Hindman from Mississippi, the 49ers' No. 1 draft choice last winter, has recovered from an ankle injury suffered in the All-Star game at Chicago.

He was reactivated yesterday and probably will see his first pro action in the Rams game.

Players cut from pro teams included:

**National Football League
Western Conference.**

Minnesota — 43: Placed on waviers veterans Billy Ray Barnes, halfback; Ken Byers, guard, and Gary Hill, defensive back, and rookies Stan Quintana, defensive back; Bill Briggs, defensive end, and Mike Fitzgerald.

San Francisco — 43: Cut veteran Kark Rubke, center and defensive lineman; Floyd Dean, defensive end, and Vern Burke, en, and rookies Dave Hettema, tackle; Lyle Loebach, tackle; Bob Daugherty, halfback, and Preston Ridlenhuber, defensive halfback.

Baltimore — 46; Cut veterans Frank McClendon, defensive tackle; Duane Allen, split end, and Jim Hollingsworth, punter. Will make public three more cuts Wednesday.

## 'Series' Begins In National League

NEW YORK (UPI) —The first game of the 1966 World Series will be played Wednesday, Oct. 5, in the home of the National League pennant winner, Commissioner William D. Eckert announced yesterday.

The Commissioner also scheduled a meeting for next Wednesday of 12 major league clubs, six from each league, to complete plans for the series.

## Marichal Throws Tonight In N.Y.

By RALPH BERNSTEIN

PHILADELPHIA (AP) — It may sound silly to talk about defense in a 7-1 ball game, but the San Francisco Giants dazzled the Philadelphia Phillies with their gloves last night before applying the knockout with a couple of home runs.

Manager Herman Franks, who seems to be bothered more by what appears in the newspapers than what's going on on the field, complimented his defense by saying, "The leather was really crackling out there tonight."

The Giants open a two-game series with the New York Mets tonight, Juan Marichal slated to start on the mound.

Before he would talk about the victory over the Phillies that kept the Giants in a first-place deadlock with Pittsburgh, Franks bawled out his second reporter in two nights.

"I'm not talking to you," he told the writer. "I got a call from San Francisco that you wrote I'm giving the club the pennant jitters. I'm not talking until you leave."

Asked if he read the article he was objecting too, and if he had been misquoted, Franks said, "I didn't read it and I don't want to read it. Go on up and write another one."

So, from a reliable source, it was learned the Giants' skipper was pleased with the fine play against the Phillies of Tito Fuentes. *He said Fuentes would* be a good one when he gets more experience.

"He's got to learn while he's playing, which isn't easy, Franks observed.

Fuentes made a sensational play in the sixth inning that turned the game around. He raced to the other side of second base to grab a shot labeled base hit and threw out John Callison. Instead of runners at first and third and one out, there was a man at second and two out. The play loomed even bigger when the next hitter, Richie Allen singled.

The Giants, who have been rapped in most circles as a loose club defensively, made three other great plays to thwart the Phillies. In the fourth, pitcher Bob Bolin grabbed a tricky grounder by Allen, whirled and made a fine throw to third to Jim Ray Hart, who made a fine tag on the sliding Cookie Rojas coming from second.

With two out in the fifth, Clay Dalrymple tripled and Hart then came up with a ground ball off the bat of Rick Wise and threw low to first. Willie McCovey made a great save on the low throw saving a run.

Then, in the sixth, with two on, Willie Mays raced to the wall in center and speared a line shot with two on by Tony Gonzalez. Mays pooh poohed the play, saying, "It wasn't tough." But there are many center fielders who wouldn't have made the play like the Master.

It was a 2-1, then 3-1 ball game while all this glove work was going on. It held the Phillies at bay until the big bats made it a laughter in the eighth. Fuentes muscled one into the left field stands to start the inning and Hart ripped one into the stands with two on, his 30th.

## Thomsen Ties Early Lead In U.S. Amateur

ARDMORE, Pa. (AP) — Bob Kirouac, at 23 an assitant college dean, and airlines pilot Kai Thomsen, of Novato, toured historic Merion Golf Club in two over par 72s today and took the lead in the 66th annual U.S. Amateur Golf championship.

Playing together in one of the early morning twosomes of the four-day tournament, they carded identical 36-36—72 scores in the first 18 of the 72-hole test.

Kirouac, of Sharon, Mass., in *charge of discipline, guidance* and housing for 400 students at Rollins College in Winter Park, Fla., came here for his first shot at the amateur title.

Thomsen, 39, also in his first U.S. Amateur competition, had a bogey six on the 600-yard fourth hole, and a birdie on the par four seventh going out. He bogeyed 12 and 16 coming in.

One stroke behind the leaders were Bob Boldt of Portland, Ore., Charles Kocsis of Royals Oaks, Mich., Jack W. Lewis, Jr., of Florence, S.C., and Ward H. Wettlaufer, Atlanta, Ga.

Ron Cerrudo of San Rafael is also entered in the tourney, but was a late starter.

# Mets Drub Dodgers 10-4; Pirates Whip Astros 8-2

By FRED MCMANE
UPI Sports Writer

Sandy Koufax will never steal a page from Ring Lardner no matter how rough the going gets.

The Dodgers' ace southpaw was shelled from the mound in the third inning by the New York Mets last night as Los Angeles dropped a 10-4 decision, and while members of the press box swore Koufax was wincing every time he threw the ball, the classy lefty refused to be an "Alibi Ike."

Koufax, upon whose arthritic left arm hinge the pennant hopes of the Dodgers, has been having some trouble with his arm the past few weeks but he refused to use that excuse for his poor showing against the Mets.

"I was just plain awful," a disappointed Koufax said after the Mets had beaten him for only the second time in their five-year career. "I had no pain in my elbow, I just couldn't get the curve ball over the plate. It's no disgrace to lose to the Mets. If they weren't a big league team, they wouldn't be here."

Despite Koufax' insistence that his elbow was okay, there were some writers who were skeptical while believing that the Dodger lefty was keeping his troubles to himself so as not to upset the team's morale.

In other National League action, San Francisco topped Philadelphia 7-1, Pittsburgh beat Houston 8-2, Cincinnati defeated St. Louis 6-4 and Chicago downed Atlanta 5-3.

In American League activity, Minnesota beat Washington 3-1, Kansas City defeated New York 4-1, Detroit edged Baltimore 5-4, Cleveland topped Chicago 6-2 and Boston edged California 7-6.

Koufax, who failed to finish a game against the Mets for only the fourth time in his career, walked three batters to force in a run in the second inning then was kayoed in the third after Ron Swoboda's single had upped the Mets' lead to 4-2. Joe Moeller relieved and was touched for a two-run double by Jerry Grote, both runs being charged to Koufax.

In all, Koufax was charged with five earned runs which raised his major league-leading ERA from 1.62 to 1.79. It was only the fourth time this season that Koufax had failed to get past the fifth inning. His record is now 21-8.

Tug McGraw, who beat Koufax on Aug. 26 last year, started the game but was relieved in the second inning by Bob Friend who went the rest of the way to notch his fifth victory in 10 decisions. Wes Parker and Wes Covington hit home runs for the Dodgers.

### PIRATES EXPLODE

Pittsburgh exploded for five runs in the fourth inning to break open their game with the Astros. The Pirates, who got 16 hits, banged out six in the fourth inning and tagged Dave Giusti with his 11th loss. Woody Fryman got credit for his 11th victory although he needed help from Pete Mikkelsen in the eighth. Matty Alou, Roberto Clemente, Willie Stargell and Bill Mazeroski each had three hits for the Pirates.

Pete Rose hit two homers and Deron Johnson blasted a solo homer as the Reds extended their winning streak to seven games. Sammy Ellis, with relief help from Billy McCool in the last 2 1-3 innings, notched his 11th victory while Al Jackson suffered his 12th loss. Charlie Smith homered for the Cardinals.

Ernie Banks blasted a three-run homer and rookie southpaw Ken Holtzman scattered nine hits as the last place Cubs beat the Braves for the 10th time in 15 meetings. Holtzman, now 8-12, lost his shutout in the seventh inning when Hank Aaron hit his 36th homer with two mates aboard. Aaron's blast gave him 102 runs batted in for the year, marking the eighth time in his career he has passed the century mark in RBI's. Joey Jay was the loser.

## ALONG MARIN'S SPORTS TRAIL

By JIM GILMARTIN

### Olympian Coached Dipsea Doll; Fouts Is 'Voice Of The 49ers'

**DIPSEA DOODLES:** Miss Elaine Pedersen, the 29-year-old blonde airline stewardess supervisor who dolled up the Dipsea Race Sunday, was coached for her unusual 6.8-mile run by Dr. George Rhoden, former Olympic sprint champion from Jamaica.

Dr. Rhoden, who attended the Dipsea as a spectator but wound up administering first aid to some of the scratched and blistered contestants, won the 400-meter dash and helped Jamaica's 1600-meter relay team to victory in the 1952 Olympics at Helsinki, Finland. He is a member of the staff at San Francisco Eye and Ear Hospital, whose administrator, Pax Beale, also ran the Dipsea.

Beale wound up spending an hour in an oxygen tent at the finish line. Miss Pedersen, his teammate, finished in much better shape.

**MILL VALLEY'S** Jim Imperiale, who organized the Marin Athletic Club several years ago, watched his club win its ninth Dipsea team title. Imperiale won the individual title back in 1959.

Another spectator was Dr. Robert Furlong of San Rafael who ran the second annual Dipsea back in 1906, when the course was about a furlong longer—with the finish line on the beach at Stinson.

**SUNDAY'S WINNER,** 21-year-old Carl Jensen of Novato, has won three other major AAU distance races in his budding career—the West Ridge Canyon Run at Novato (seven miles), the El Dorado Race (15½ miles) and the Belmont Marathon (26 miles). Not to mention numerous collegiate races as a student-athlete at College of Marin and Sonoma State College.

Jensen, by the way, was NOT the first scratch runner to win the Dipsea, as advertised. Peter Paul McArdle did the trick back in 1962.

**AN INTERESTED** reader informs me that last week I erroneously identified Dave Scofield of Larkspur as "Voice of the 49ers" when actually Bob Fouts of Sleepy Hollow is the "Voice of the 49ers" and Scofield the "Voice of Kezar." (This is going from bad to voice.)

**A WEEKEND** featherweight fight in Tokyo saw Yoshio Nakano of Japan outpoint I Won-Sok of South Korea. I presume the latter will change his name to I Lose-Sok.

**SABELLA'S OF MARIN** was jumping with four busloads of baseball fans Sunday morning — for brunch en route to the Giant-Dodger game. Fizzed eggs outnumbered scrambled cackleberries by a 2-to-1 ratio, my spies tell me.

**HEADLINE:** "Marin Goes To Baltimore." Don't get excited, folks, it's Jack Marin, the Duke All-American cager, who signed his pro cage contract with the Baltimore Bullets.

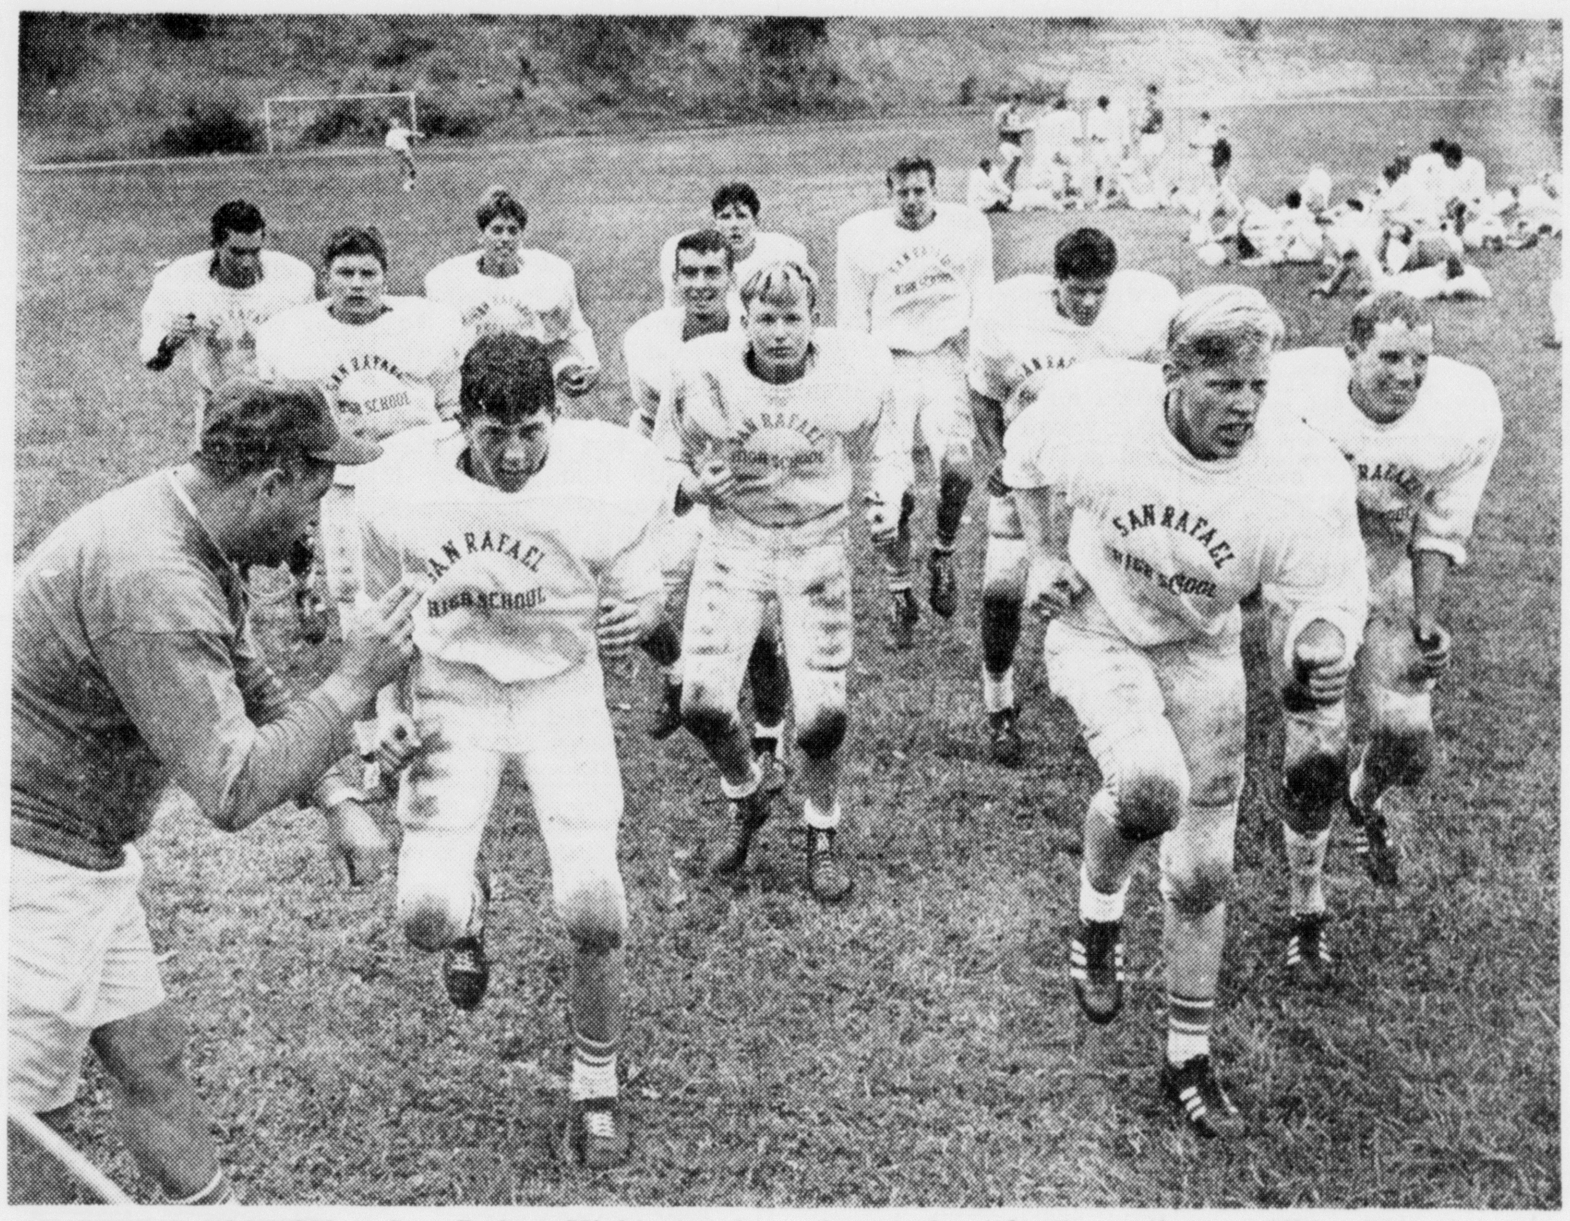
Also, there is a Jay Gilmartin playing halfback for the Navy varsity this season, but don't hold that against him. Could be a nice kid.

**TERRA LINDAN** Bill Lee, a lefty relief pitcher, was a member of the Alaska Goldpanners team that last weekend won the Hawaiian Invitational Baseball Tournament.

**THE LITCHFIELD** semi-pro baseballers of San Rafael made quite an impression on the folks back in Grand Junction, Colo. during their recent series there. Litchfield Manager Joe Anselmo received a letter from Grand Junction's Sam Suplizio saying, "You are far and away the best California representative that we have ever had play here."

While on the subject, I'd like to know why Marin's two top semi-pro teams—Litchfield's and Mill Valley Merchants—have not played each other this year?

**ALL THE BIG** spenders attended that softball-baseball game in Mill Valley Sunday. The teams passed the hat and collected $28.



**MUSTER'S ELEVEN** — San Rafael High's head football coach Bob Muster, who Monday ran his gridders back and forth until only 11 could carry on, puts the stopwatch on his "first team," so designated after just two days of practice because they held on after the others (in background) found the "death run" impossible. There's still trial ahead, but for now, the Bulldog "first string" consists of Roger Widmer and Doug Jones (foreground, from left); Tom Bales and Herb Rowland, (second row); Mark Stephens, Bob Maglione and Mike Rosso, (third row); Rafael Gallardo, Don Weiss, Bill Joost and Gary Welch (fourth row).

# Two New Coaches For Marin Prep Grid League

Two men will get their first taste of head varsity football coaching in the Marin Athletic League this season, taking over teams on the opposite rungs of the ladder.

Al Scott has moved up from assistant varsity coach at Novato High School, replacing Harry Moore, who moves to the dean of students' desk. Scott will be taking over the defending champions.

Joel Kiff will be the new football boss at Marin Catholic, taking over for Chuck Vaughan, who has taken a coaching job in Illinois. Marin Catholic was winless last year, finishing again in the MCAL cellar.

A large turnout — for Marin Catholic—was on hand Monday when practice opened in Kentfield. Sixty-eight gridders were in uniform, 48 on varsity and 20 on junior varsity. Kiff, who'll cut his varsity squad to 40 at the end of the week, said, "The players have the best attitude I've ever seen here."

### MARIN SPIRIT

It is said the spirit of the Wildcats' championship baseball season a few months ago is carrying over to football. Kiff, who coached junior varsity football for two years at Marin Catholic, hopes his varsity team gives a good show for itself. Marin has won only one league game in the seven-year history of the MCAL.

But with an enrollment of only 750, Marin Catholic football fortunes are never bright playing against league schools with enrollments touching 2,000.

Helping Kiff will be Mike Burke, a recent graduate from San Francisco State. Junior varsity coaches will be Jim Caranica, the only returnee on the grid staff other than Kiff, and Jack Breen. Cliff Vattuone and John Leonard will handle the frosh.

Assisting Scott at Novato will be Bob Aune and Bob Martin. Hornets J.V. coaches will be Ford Joy and Jerry Colletto, with Mike Quinn and Larry Keranin tutoring the frosh team.

At Terra Linda High, Brad Squires will be in his second year as head varsity coach. Don Lucas will handle the backs and Jess Payan the linemen. Joe Brighenti will be in charge of the jayvee and Hank Yamagata and Fred Goodwin will coach frosh.

### HECTOR RETURNS

Willie Hector will also be in his second year as head coach for the Tamalpais Indians. Hector, a former Tamalpais star himself before playing college and pro ball, will be assisted by Norm Cady, Al Ahlsten and Len Fitzgerald coach the junior varsity Indians and Jim Healey and Mike Campas the frosh.

Bob Troppmann, Redwood's head coach, will be starting his 12th year of Marin County coaching. Before coming to Redwood when it opened in 1958, he had coached at Drake from 1954 to '57. Tropp is assisted by Al Endriss and Phil Roark. Junior varsity coaches at Redwood are Tony Bailey and Wes Price, while Lyle Fisher and Dennis Ragan teach the freshmen.

### BULLDOGS' MUSTER

San Rafael High School coach Bob Muster has been in charge of the Bulldogs' fortunes since 1961. His assistants are Bill Monte and Bill Burns, splitting up the varsity and J.V. duties. Gay Quandt and Robert Pollitt coach the frosh.

Drake head coach is Bob Franceschini, head football mentor since 1958. His assistant is Carl (Red) Brown. Morris Shepherd and George Storti are the junior varsity coaches at Drake and Pete Hayward and Jim Brown are in charge of the frosh.

## 'Series' Begins In National League

NEW YORK (UPI) —The first game of the 1966 World Series will be played Wednesday, Oct. 5, in the home of the National League pennant winner, Commissioner William D. Eckert announced yesterday.

The Commissioner also scheduled a meeting for next Wednesday of 12 major league clubs, six from each league, to complete plans for the series.

## 49ers Give Axe To 3 Vets, 4 Rookies

By ASSOCIATED PRESS

Coach Jack Christiansen lopped three veterans and four rookies from his San Francisco 49er roster yet still seeks an answer to the inept performances of his pros in their first four games.

"We didn't seem mentally ready," the coach said as he worked the club in preparation for the final pre-season game against the arch foe Rams in Los Angeles Saturday night.

Christiansen remains rankled over the four losses, especially the final two when Pittsburgh and then Atlanta beat the 49ers for their initial victories of 1966.

To reduce his club to the required 43 limit, Christiansen released veterans Karl Rubke, Floyd Dean and Vern Burke plus rookies Dave Hettema, Lyle Loebach, Bob Daugherty and Preston Ridlehuber.

Rubke, a defensive end, was picked up by the Atlanta Falcons even before the waiver lists were released officially yesterday.

Christiansen said the Falcons had indicated interest in Burke as well as Rubke.

Burke has been playing at tight end on offense and Dean at defensive end.

Except for questions caused by injuries, the 49ers are expected to start the alignments against Los Angeles which will open the regular season in Kezar Stadium against Minnesota on Sept. 11.

Most of the injury questions concern the defensive secondary. Jim Johnson hurt a knee in the Atlanta game and Kermit Alexander has bruised ribs. Rookie Mel Phillips can't play because of torn rib cartilage.

On the bright side, rookie defensive end Stan Hindman from Mississippi, the 49ers' No. 1 draft choice last winter, has recovered from an ankle injury suffered in the All-Star game at Chicago.

He was reactivated yesterday and probably will see his first pro action in the Rams game.

Players cut from pro teams included:
National Football League
Western Conference.

Minnesota — 43: Placed on waviers veterans Billy Ray Barnes, halfback; Ken Byers, guard, and Gary Hill, defensive back, and rookies Stan Quintana, defensive back; Bill Briggs, defensive end, and Mike Fitzgerald.

San Francisco — 43: Cut veteran Kark Rubke, center and defensive lineman; Floyd Dean, defensive end, and Vern Burke, en, and rookies Dave Hettema, tackle; Lyle Loebach, tackle; Bob Daugherty, halfback, and Preston Ridlenhuber, defensive halfback.

Baltimore — 46: Cut veterans Frank McClendon, defensive tackle; Duane Allen, split end, and Jim Hollingsworth, punter. Will make public three more cuts Wednesday.

## Marichal Throws Tonight In N.Y.

By RALPH BERNSTEIN

PHILADELPHIA (AP) — It may sound silly to talk about defense in a 7-1 ball game, but the San Francisco Giants dazzled the Philadelphia Phillies with their gloves last night before applying the knockout with a couple of home runs.

Manager Herman Franks, who seems to be bothered more by what appears in the newspapers than what's going on on the field, complimented his defense by saying, "The leather was really crackling out there tonight."

The Giants open a two-game series with the New York Mets tonight, Juan Marichal slated to start on the mound.

Before he would talk about the victory over the Phillies that kept the Giants in a first-place deadlock with Pittsburgh, Franks bawled out his second reporter in two nights.

"I'm not talking to you," he told the writer. "I got a call from San Francisco that you wrote I'm giving the club the pennant jitters. I'm not talking until you leave."

Asked if he read the article he was objecting too, and if he had been misquoted, Franks said, "I didn't read it and I don't want to read it. Go on up and write another one."

So, from a reliable source, it was learned the Giants' skipper was pleased with the fine play against the Phillies of Tito Fuentes. *He said Fuentes would* be a good one when he gets more experience.

"He's got to learn while he's playing, which isn't easy, Franks observed.

Fuentes made a sensational play in the sixth inning that turned the game around. He raced to the other side of second base to grab a shot labeled base hit and threw out John Callison. Instead of runners at first and third and one out, there was a man at second and two out. The play loomed even bigger when the next hitter, Richie Allen singled.

The Giants, who have been rapped in most circles as a loose club defensively, made three other great plays to thwart the Phillies. In the fourth, pitcher Bob Bolin grabbed a tricky grounder by Allen, whirled and made a fine throw to third to Jim Ray Hart, who made a fine tag on the sliding Cookie Rojas coming from second.

With two out in the fifth, Clay Dalrymple tripled and Hart then came up with a ground ball off the bat of Rick Wise and threw low to first. Willie McCovey made a great save on the low throw saving a run.

Then, in the sixth, with two on, Willie Mays raced to the wall in center and speared a line shot with two on by Tony Gonzalez. Mays pooh poohed the play, saying, "It wasn't tough." But there are many center fielders who wouldn't have made the play like the Master.

It was a 2-1, then 3-1 ball game while all this glove work was going on. It held the Phillies at bay until the big bats made it a laughter in the eighth. Fuentes muscled one into the left field stands to start the inning and Hart ripped one into the stands with two on, his 30th.

Playing together in one of the early morning twosomes of the four-day tournament, they carded identical 36-36—72 scores in the first 18 of the 72-hole test.

Kirouac, of Sharon, Mass., in *charge of discipline, guidance* and housing for 400 students at Rollins College in Winter Park, Fla., came here for his first shot at the amateur title.

One stroke behind the leaders were Bob Boldt of Portland, Ore., Charles Kocsis of Royals Oaks, Mich., Jack W. Lewis, Jr., of Florence, S.C., and Ward H. Wettlaufer, Atlanta, Ga.

Ron Cerrudo of San Rafael is also entered in the tourney, but was a late starter.

# Jerie Clark Nears Triumph In Gals Sail Championship

Jerie Clark, the 23-year-old skipper and sales girl from Seattle, continued her bid for the Adams Cup in the Women's North American Sailing championships yesterday, as she extended her lead point total to 40¼.

Eight crews are racing in the eight-race round-robin competition in the Berkeley Shoals area of San Francisco Bay; the Belvedere-based San Francisco Yacht Club is the host.

Representing Seattle's Corinthian Yacht Club, Jerie now leads her closest rival, California representative Betty Sanchez of Redondo Beach, by 11¼ points.

Thus, Miss Clark and her crew, Renate McVittie and Mary Anne Easter, who spent yesterday's light-winded session of the annual series parlaying their lead by finishing second, third and fourth in three rain-showered races, needed only to finish in the top four on this morning's seventh heat to win the Adams Cup.

Last evening's sixth event was the worst performance for Jerie, who had previously crewed but never before skippered in the main event of yachtswomen sail racing.

Mrs. Sanchez chalked up a 3-7-6 record yesterday, barely holding on to second place with 29 points over Atlanta's Freddie Cleveland, with 28¼, and fourth place Sally Sawyer of Riverside, Conn., 27¼ points.

For the second straight day, a minor calamity hit the Rochester, N. Y., crew of Martha McDougle. With Wilma Dawes, 35, of Rochester, N. Y. recovered from Monday's fall in which she suffered a superficial head cut, shipmate Peggy Sawyer returned to the San Francisco Yacht Club and found that her son, Otis, had suffered an appendicitis attack during the races.

The eight-year-old youngster was taken to Merrit Hospital in Oakland for an emergency operation last night.

The team standings at the end of yesterday's three races were:

Seattle, Jerie Clark, skipper, Corinthian YC, 40¼; California, Betty Sanchez, skipper, King Harbor Yacht Club, 29; Georgia, Freddie Cleveland, skipper, Atlanta YC, 28¼; Connecticut, Sally Sawyer, skipper, Riverside Yacht Club, 27¼; Massachusetts, Penny Hare, skipper, Chapoquoit YC, 26½; New Jersey, Susan Doscher, skipper, Manasquan River YC, 21¼; Ohio, Diana Quatman, skipper, Indian Lake Yacht Club, 18.

# Clemente: 'My Greatest Year'

PITTSBURGH (AP)—Roberto Clemente is batting in a flock of runs and says: "This is my greatest year."

Quite a statement, coming from the National League batting champ the last two years and owner of one of the most feared arms in baseball.

The rifle-armed Pittsburgh Pirate outfielder set a career high of 96 runs batted in last night, knocking in a pair of runs as the Pirates crushed Houston 8-2.

It smashed Clemente's personal RBI high of 94 set in 1960 when the Pirates won the National League pennant and beat the New York Yankees in the World Series.

In the dressing room after the Houston game, Clemente thought over a question carefully and said:

"Yes, I would say that. Yes, so far I am having my greatest year."

In a rush of words, Clemente added:

"You remember I said I would have a good year. I was shooting for this year. Last year, I started the season sick with malaria and I was underweight But I did good. You remember I said then next year would be a good year. I said I couldn't wait for this year."

Last year, Clemente won the NL batting crown with a lusty .329 average but drove in only 65 runs.

Today, he's second in the league in batting with a .327 average but couldn't hit the long Alou who's hitting at a .341 clip. His 96 RBI mark is second best to only Atlanta's Hank Aaron with 102.

The difference this year is Clemente is unloading the long ball--something he's been aiming for.

He said:

"They all said I had a good average bqt couldn't hit the long ball. Well, I made up my mind I would hit the long ball. I told myself I would."

And he's doing it.

Clemente hit only 10 homers and 21 doubles in 1965. With 30 games to go this year, he already has 22 homers and 24 doubles.

But Clemente said his good RBI showing isn't all his doing.

"You have to have men on base to drive in a lot of runs," he said. "There's no way a man can get a lot of runs batted in if the men in front of him don't get on base."

# Nagle Takes Early Carling Open Lead

SOUTHPORT, England (AP)—Ken Nagle, the gentle Australian who has been a constant threat on the U.S. pro golf tour the past decade, fired a five-under-par 68 today and was the early first round leader in the $200,000 Carling Open, the world's richest tournament.

Approximately half the field still was out on the 7,037-yard Royal Birkdale course when Nagle, who lost to Gary Player in the playoff for the 1965 U.S. Open tourney, finished.

However, scores of the late starters mounted throughout the day as the heat and wind increased.

Tied for second place at this stage were Peter Butler of England and Bob Charles of New Zealand with 70's.

Terry Dill and Jack Cupit, two of the 90 U.S. pros in the handpicked international field of 165, had 71's on the par 35-38—73 layout as did Neil Coles of Great Britain.

They were followed closely by Doug Sanders at 36-36—72.

Other early finishers among the U.S. contingent included Bob Roseburg at 73; Chuck Courtney and Dave Ragan at 74; Billy Maxwell had 75; Bert Weaver at 77; Gary Brewer with 76 and Chris Blocker at 82.

Billy Casper, current U.S. open champion, was a late starter. The entire field will play 18 hole rounds today and tomorrow after which it will be cut to the low 75 for Friday and Saturday's rounds. Firse prize amounts to $35,000.

Casper is the 4-1 favorite in the tourney that was won last year in the United States by the late Tony Lema.

# Rush Vs. Lincoln In Big S.F. Fight

SAN FRANCISCO (AP) — Amos (Big Train) Lincoln wants a heavyweight title fight with Cassius Clay and figures an impressive victory over San Francisco dock worker Elmer Rush tonight will boost his chances.

The Los Angeles heavyweight observed that Clay frequently says he seeks opponents yet never mentions the name Lincoln.

"I'm going out and flatten this Rush as fast as I can," he declared. "Then maybe Clay's people will be good enough the next time to mention my name as a possible future title opponent."

The Lincoln-Rush battle scheduled for 10 rounds at the Civic Auditorium, 8:30, comes as a rematch. Referee Bob Mitchell ruled Lincoln the winner on June 21 when he suffered a sixth round cut as the result of a butt.

Lincoln led on points at the time and under California rules the fighter who is cut by a butt while ahead is awarded the fight by decision. If behind, he gets a draw.

The result put the Los Angeles boxer's record at 20-3-3.Rush who maintains the damage was inflated by a punch and not a butt, is 14-2-2.

"I made mistakes in the first fight," Rush admits. "I felt myself getting exhausted in the third and fourth rounds. I came back in the fifth and sixth and was about even when they stopped it. The other guy was getting tired and if it went on, I'd have won."

So where Lincoln is expected to unload heavy artillery early this time. Rush apparently figures to utilize his boxing skills

Matchmaker Bennie Ford estimates a gate of $14,000 for the rematch and has suggested Clay might be interested in fighting the winner.

## Erikson Will Try Farallon Swim Again

SAN FRANCISCO (AP)—Ted A. Erikson of Chicago, who failed two weeks ago in an attempt to be the first to swim the 31 miles from the Farallon Islands to San Francisco, said yesterday he would try again tomorrow.

The 34-year-old marathon swimmer was hauled from the Pacific Aug. 16 after 17 hours in the water, two miles short of his goal.

The Chicago chemist holds the record for dual crossing of the English Channel — 30 hours, 3 minutes on Sept. 19-21, 1965.

He told a news conference he would take "a completely new approach" in his second try.

"Instead of trying to gain headway by riding an incoming flood tide," he said, "I will swim against the tide in the San Francisco ship channel and will make Point Bonita on the Marin County side across the Golden Gate from San Francisco the ultimate goal.

"If everything goes according to schedule when we reach that point—and I feel okay—we may change the goal to Golden Gate Bridge and farther."

# Meet Marin's Best Women Bowlers

If you're the kind of guy who doesn't like to get beat by a woman in any sport, don't bowl against Lu Sharp, Marilyn Epidendio, Fay Scott, Charlotte Warcup or Vivian Gray.

Unless you are a darned good bowler, you'll probably come out second best.

These five gals are the I-J's pick as Marin County All-Star Women Bowlers.

Mrs. Sharp, a mother of two, has the highest average among all Marin County women bowlers, a 178, and it has been steadily increasing each year. Two years ago she was at 174 and last year was at 176.

Lu, 35, started bowling when she was in high school, but started bowling regularly in league competition in 1960. Her husband, Robert W., is a general contractor in Mill Valley. The Sharps and son Glenn, 16, and daughter Terry, 8, live at 534 Shoreline Highway, Mill Valley.

Mrs. Sharp usually bowls in two leagues during the winter season, but doesn't bowl in summer leagues. Instead, the family spends its time in the Russian River area.

Lu won the Marin County Queen's Bowling Tourney last year, the first year the event was held.

Charlotte and Fay are both 36, both have 171 bowling averages, work at the Pacific Coast Stock Exchange together, and share a home together, along with Peggy Torok, cocktail waitress at Greenbrae Lanes. And both Charlotte and Fay have been bowling "for about six or seven years," they say in unison. They've known each other for about eight years.

Charlotte won the all-events title in the Marin County Bowling Tournament three years ago. She also won a major tournament in 1961 in San Francisco. Her career high game is 269.

Fay, who started bowling with Charlotte at the old Marin Bowl in San Rafael, is a former winner in all three divisions of the Marin County Bowling Tourney, winning singles, doubles and team titles in various years.

A dividends supervisor at Pacific Coast Stock Exchange in San Francisco, Fay has career highs of 257 and 669 game and series scores. Fay, who usually bowls in two leagues a season, said she tried once and immediately took to it.

"It's like gambling," she said. "It just gets in your blood." Fay and Charlotte live at 120 D Street, San Rafael.

Mrs. Epidendio is a housewife for a bowling family. Her husband, Rich, is owner of Rich Readimix Concrete in Greenbrae. He and their three children, Lynn, 14, Janice, 12, and Richard, 9, are all bowlers. The family home is at 116 Locust Avenue, Larkspur.

Marilyn, 35, has been bowling for seven years. "When Greenbrae Lanes opened I tried bowling for a novelty," she said. Now she bowls at all three Marin County houses. Her high game was a 276 three years ago, and her current average is 172.

Mrs. Gray has been bowling for only six years regularly but already has the highest women's single league game ever bowled in Marin County. It was three years ago at Greenbrae Lanes when she rocked the pins for a whopping 288.

"Those were my peak years," said the 43-year-old Vivian. "I had a 180 average then." Viv's average is now 171, an average many men would like to have. She used to bowl in two or three leagues a season three years back, but last year competed in just one.

Among her many bowling trophies are those for the Marin County scratch all-events titles in 1963 and '65.

Her husband, Tom, is a salesman for Golden Bay Rambler in San Rafael. They have two children, Susan, 16, and Charles, 14, but Vivian is the only bowler in the family. Their home is at 2126 Fifth Avenue, San Rafael.

So there you have it . . . some strong reasons these gals were picked as the top women bowlers in Marin.

TOP BOWLERS—Five top Marin County women bowlers take time out for a picture. Seated (from left) are Vivian Gray and Marilyn Epidendio, and standing (from left) are Lu Sharp, Charlotte Warcup and Fay Scott.

# Jerie Clark Nears Triumph In Gals Sail Championship

Jerie Clark, the 23-year-old skipper and sales girl from Seattle, continued her bid for the Adams Cup in the Women's North American Sailing championships yesterday, as she extended her lead point total to 40¼.

Eight crews are racing in the eight-race round-robin competition in the Berkeley Shoals area of San Francisco Bay; the Belvedere-based San Francisco Yacht Club is the host.

Representing Seattle's Corinthian Yacht Club, Jerie now leads her closest rival, California representative Betty Sanchez of Redondo Beach, by 11¼ points.

Thus, Miss Clark and her crew, Renate McVittie and Mary Anne Easter, who spent yesterday's light-winded session of the annual series parlaying their lead by finishing second, third and fourth in three rain-showered races, needed only to finish in the top four on this morning's seventh heat to win the Adams Cup.

Last evening's sixth event was the worst performance for Jerie, who had previously crewed but never before skippered in the main event of yachtswomen sail racing.

Mrs. Sanchez chalked up a 3-7-6 record yesterday, barely holding on to second place with 29 points over Atlanta's Freddie Cleveland, with 28¼, and fourth place Sally Sawyer of Riverside, Conn., 27¼ points.

For the second straight day, a minor calamity hit the Rochester, N.Y., crew of Martha McDougle. With Wilma Dawes, 35, of Rochester, N.Y. recovered from Monday's fall in which she suffered a superficial head cut, shipmate Peggy Sawyer returned to the San Francisco Yacht Club and found that her son, Otis, had suffered an appendicitis attack during the races.

The eight-year-old youngster was taken to Merrit Hospital in Oakland for an emergency operation last night.

The team standings at the end of yesterday's three races were:

Seattle, Jerie Clark, skipper, Corinthian YC, 40¼; California, Betty Sanchez, skipper, King Harbor Yacht Club, 29; Georgia, Freddie Cleveland, skipper, Atlanta YC, 28¼; Connecticut, Sally Sawyer, skipper, Riverside Yacht Club, 27¼; Massachusetts, Penny Hare, skipper, Chapoquoit YC, 26½; New Jersey, Susan Doscher, skipper, Manasquan River YC, 21¼; Ohio, Diana Quatman, skipper, Indian Lake Yacht Club, 18.

# Clemente: 'My Greatest Year'

PITTSBURGH (AP)—Roberto Clemente is batting in a flock of runs and says: "This is my greatest year."

Quite a statement, coming from the National League batting champ the last two years and owner of one of the most feared arms in baseball.

The rifle-armed Pittsburgh Pirate outfielder set a career high of 96 runs batted in last night, knocking in a pair of runs as the Pirates crushed Houston 8-2.

It smashed Clemente's personal RBI high of 94 set in 1960 when the Pirates won the National League pennant and beat the New York Yankees in the World Series.

In the dressing room after the Houston game, Clemente thought over a question carefully and said:

"Yes, I would say that. Yes, so far I am having my greatest year."

In a rush of words, Clemente added:

"You remember I said I would have a good year. I was shooting for this year. Last year, I started the season sick with malaria and I was underweight But I did good. You remember I said then next year would be a good year. I said I couldn't wait for this year."

Last year, Clemente won the NL batting crown with a lusty .329 average but drove in only 65 runs.

Today, he's second in the league in batting with a .327 average but couldn't hit the long Alou who's hitting at a .341 clip. His 96 RBI mark is second best to only Atlanta's Hank Aaron with 102.

The difference this year is Clemente is unloading the long ball--something he's been aiming for.

He said:

"They all said I had a good average bqt couldn't hit the long ball. Well, I made up my mind I would hit the long ball. I told myself I would."

And he's doing it.

Clemente hit only 10 homers and 21 doubles in 1965. With 30 games to go this year, he already has 22 homers and 24 doubles.

But Clemente said his good RBI showing isn't all his doing.

"You have to have men on base to drive in a lot of runs," he said. "There's no way a man can get a lot of runs batted in if the men in front of him don't get on base."

# Nagle Takes Early Carling Open Lead

SOUTHPORT, England (AP)—Ken Nagle, the gentle Australian who has been a constant threat on the U.S. pro golf tour the past decade, fired a five-under-par 68 today and was the early first round leader in the $200,000 Carling Open, the world's richest tournament.

Approximately half the field still was out on the 7,037-yard Royal Birkdale course when Nagle, who lost to Gary Player in the playoff for the 1965 U.S. Open tourney, finished.

However, scores of the late starters mounted throughout the day as the heat and wind increased.

Tied for second place at this stage were Peter Butler of England and Bob Charles of New Zealand with 70's.

Terry Dill and Jack Cupit, two of the 90 U.S. pros in the handpicked international field of 165, had 71's on the par 35-38—73 layout as did Neil Coles of Great Britain.

They were followed closely by Doug Sanders at 36-36—72.

Other early finishers among the U.S. contingent included Bob Roseburg at 73; Chuck Courtney and Dave Ragan at 74; Billy Maxwell had 75; Bert Weaver at 77; Gary Brewer with 76 and Chris Blocker at 82.

Billy Casper, current U.S. open champion, was a late starter. The entire field will play 18 hole rounds today and tomorrow after which it will be cut to the low 75 for Friday and Saturday's rounds. Firse prize amounts to $35,000.

Casper is the 4-1 favorite in the tourney that was won last year in the United States by the late Tony Lema.

# $35,000 Fire Ruins S.F. Home Of Chamberlain

SAN FRANCISCO (AP) — A $35,000 fire ruined the Twin Peaks apartment yesterday of Wilt Chamberlain of the Philadelphia 76ers basketball team.

William Lindecker, assistant fire chief, estimated the damage but did not give the cause. Ruined were two bedrooms, two baths, a raftered living room and a dining room.

Chamberlain, who once played for the San Francisco Warriors, was in Boston with the 76ers.

# Marin Sailor Advances In Mallory Cup

Hal McCormack of the San Francisco Yacht Club in Belvedere vaulted into a tie for third place in the 1966 Mallory Cup North American men's sailing championships yesterday with 23 series points.

After winding up fourth in Monday's three-race opener on Long Island Sound, McCormack and his crew, Jerry Rumsey and Duncan Russell, representing California, finished fifth and second in yesterday's fourth and fifth races but still were trailing pace-setting Ben McNamara of Boston, with 37¾, and second-place William Cox of Noroton, Conn., with 35¼ points.

Three final heats were to conclude the regatta today; the races (five in all) being waged in 30-foot fiberglass shields class sloops.

# Rush Vs. Lincoln In Big S.F. Fight

SAN FRANCISCO (AP) — Amos (Big Train) Lincoln wants a heavyweight title fight with Cassius Clay and figures an impressive victory over San Francisco dock worker Elmer Rush tonight will boost his chances.

The Los Angeles heavyweight observed that Clay frequently says he seeks opponents yet never mentions the name Lincoln.

"I'm going out and flatten this Rush as fast as I can," he declared. "Then maybe Clay's people will be good enough the next time to mention my name as a possible future title opponent."

The Lincoln-Rush battle scheduled for 10 rounds at the Civic Auditorium, 8:30, comes as a rematch. Referee Bob Mitchell ruled Lincoln the winner on June 21 when he suffered a sixth round cut as the result of a butt.

Lincoln led on points at the time and under California rules the fighter who is cut by a butt while ahead is awarded the fight by decision. If behind, he gets a draw.

The result put the Los Angeles boxer's record at 20-3-3. Rush who maintains the damage was inflated by a punch and not a butt, is 14-2-2.

"I made mistakes in the first fight," Rush admits. "I felt myself getting exhausted in the third and fourth rounds. I came back in the fifth and sixth and was about even when they stopped it. The other guy was getting tired and if it went on, I'd have won."

So where Lincoln is expected to unload heavy artillery early this time. Rush apparently figures to utilize his boxing skills

Matchmaker Bennie Ford estimates a gate of $14,000 for the rematch and has suggested Clay might be interested in fighting the winner.

### STAR SWIMMERS

Linda Locati of the Tiburon Peninsula Club and Kit Thomas of the Ann Curtis Swim Club, both 14, show off their big trophies as high point winners in the Marin Swim League championships held last Saturday in the College of Marin pool. Tiburon won the swim title for the fourth straight year.

# Meet Marin's Best Women Bowlers

TOP BOWLERS—Five top Marin County women bowlers take time out for a picture. Seated (from left) are Vivian Gray and Marilyn Epidendio, and standing (from left) are Lu Sharp, Charlotte Warcup and Fay Scott.

If you're the kind of guy who doesn't like to get beat by a woman in any sport, don't bowl against Lu Sharp, Marilyn Epidendio, Fay Scott, Charlotte Warcup or Vivian Gray.

Unless you are a darned good bowler, you'll probably come out second best.

These five gals are the I-J's pick as Marin County All-Star Women Bowlers.

Mrs. Sharp, a mother of two, has the highest average among all Marin County women bowlers, a 178, and it has been steadily increasing each year. Two years ago she was at 174 and last year was at 176.

Lu, 35, started bowling when she was in high school, but started bowling regularly in league competition in 1960. Her husband, Robert W., is a general contractor in Mill Valley. The Sharps and son Glenn, 16, and daughter Terry, 8, live at 534 Shoreline Highway, Mill Valley.

Mrs. Sharp usually bowls in two leagues during the winter season, but doesn't bowl in summer leagues. Instead, the family spends its time in the Russian River area.

Lu won the Marin County Queen's Bowling Tourney last year, the first year the event was held.

Charlotte and Fay are both 36, both have 171 bowling averages, work at the Pacific Coast Stock Exchange together, and share a home together, along with Peggy Torok, cocktail waitress at Greenbrae Lanes. And both Charlotte and Fay have been bowling "for about six or seven years," they say in unison. They've known each other for about eight years.

Charlotte won the all-events title in the Marin County Bowling Tournament three years ago. She also won a major tournament in 1961 in San Francisco. Her career high game is 269.

Fay, who started bowling with Charlotte at the old Marin Bowl in San Rafael, is a former winner in all three divisions of the Marin County Bowling Tourney, winning singles, doubles and team titles in various years.

A dividends supervisor at Pacific Coast Stock Exchange in San Francisco, Fay has career highs of 257 and 669 game and series scores. Fay, who usually bowls in two leagues a season, said she tried once and immediately took to it.

"It's like gambling," she said. "It just gets in your blood." Fay and Charlotte live at 120 D Street, San Rafael.

Mrs. Epidendio is a housewife for a bowling family. Her husband, Rich, is owner of Rich Readimix Concrete in Greenbrae. He and their three children, Lynn, 14, Janice, 12, and Richard, 9, are all bowlers. The family home is at 116 Locust Avenue, Larkspur.

Marilyn, 35, has been bowling for seven years. "When Greenbrae Lanes opened I tried bowling for a novelty," she said. Now she bowls at all three Marin County houses. Her high game was a 276 three years ago, and her current average is 172.

Mrs. Gray has been bowling for only six years regularly but already has the highest women's single league game ever bowled in Marin County. It was three years ago at Greenbrae Lanes when she rocked the pins for a whopping 288.

"Those were my peak years," said the 43-year-old Vivian. "I had a 180 average then." Viv's average is now 171, an average many men would like to have. She used to bowl in two or three leagues a season three years back, but last year competed in just one.

Among her many bowling trophies are those for the Marin County scratch all-events titles in 1963 and '65.

Her husband, Tom, is a salesman for Golden Bay Rambler in San Rafael. They have two children, Susan, 16, and Charles, 14, but Vivian is the only bowler in the family. Their home is at 2126 Fifth Avenue, San Rafael.

So there you have it . . . some strong reasons these gals were picked as the top women bowlers in Marin.

## Colorado Nine Wins Tourney

WICHITA, Kan. (UPI) —The Boulder, Colo., Collegianss scored all their runs on homers last night to defeat the West Point, Miss., Packers 5-3 and win the National Baseball Congress Tournament.

Boulder received $10,000 for its triumph in the semi-pro tournament, and both teams gained the right to be invited back for next year's games.

Eureka, Calif., defeated Minneapolis, Minn., 7-4 for third place.

In the consolation game LeRoy Gregory's two-run homer in the seventh propelled Eureka to a 7-4 victory over the Minneapolis Duff's.

## Erikson Will Try Farallon Swim Again

SAN FRANCISCO (AP)—Ted A. Erikson of Chicago, who failed two weeks ago in an attempt to be the first to swim the 31 miles from the Farallon Islands to San Francisco, said yesterday he would try again tomorrow.

The 34-year-old marathon swimmer was hauled from the Pacific Aug. 16 after 17 hours in the water, two miles short of his goal.

The Chicago chemist holds the record for dual crossing of the English Channel — 30 hours, 3 minutes on Sept. 19-21, 1965.

He told a news conference he would take "a completely new approach" in his second try.

"Instead of trying to gain headway by riding an incoming flood tide," he said, "I will swim against the tide in the San Francisco ship channel and will make Point Bonita on the Marin County side across the Golden Gate from San Francisco the ultimate goal.

"If everything goes according to schedule when we reach that point—and I feel okay—we may change the goal to Golden Gate Bridge and farther."

## Marin Boasts Most Expensive Boats In Northern California

Total market value of pleasure boats assessed in Marin County is fourth largest for Northern California and over $15 million, according to a recent economics report from **Wells Fargo Bank.** Marin follows Alameda, Contra Costa and Sacramento Counties in close order.

But Marin has more expensive boats by far than any place in the northern part of the state—averaging almost $2,800 valuation per vessel. In number of boats registered we are about 10th in line, but we do have substantially over 5,000 of them. Last year's registration was 5,672. Average boat in the state is worth about $1,300 and is about 15 feet in length. Here there is a greater percentage of larger craft, tied up at yacht harbors and private berths.

In taxable retail sales of boats last year we were third in Northern California. Alameda County and Santa Clara County were ahead. Both had more sales outlets—Alameda County more than twice as many.

Boating popularity throughout California is increasing at such a fast pace that the state now averages one pleasure craft for every 19 families, with registrations this year up 8 per cent from 1965.

But Marin is even more marine minded than that. About one family in every nine or 10 has a boat.

**THE FORTHCOMING AUTUMN FESTIVAL** "Marine Holiday" of the San Rafael jaycees will accent this water activity in many ways.

Marine dealers in the San Rafael Canal area will hold open house Sept. 9 and 10. Special demonstrations will be presented, including free boat rides from the San Rafael Yacht Club and Seaway Marine. Exhibitions will be presented by Stan's Skin Diving Club; there will be a spectacular boat parade on the canal Sept. 10 at 7 p.m. and boat owners will compete for trophies in several categories .

SAN RAFAEL MARINE REPAIRS

**BIGGER BOATS IN MARIN.** Too large to be towed by trailer, hulls like this cruiser lifted out of the water by crane at San Rafael Marine Repairs make up a big percentage of the county's pleasure boat fleet. They are more expensive, too, averaging approximately $2,800 per vessel, compared with the statewide average of $1,300.

**MERGER** of two advertising agencies — **Christopher-Walker, Inc.** of San Francisco and the **Wyman Co., Inc.** of San Francisco and Los Angeles finds a number of Marin residents involved who are members of both companies.

Christopher-Walker had its beginning in 1952 as **Carl Christopher Jr. Advertising,** with Christopher, a resident of Greenbrae, as the founder. He is now president of the company. The name was changed in 1963 when he was joined by **Harold M. Walker** of Fairfax.

The Wyman Co. was started in 1950 by **H. Jack Wyman** of Ross, who is president. Other Marinites holding top positions with this firm are senior vice president **Frederic C. Owen** of Bel Marin Keys, and vice president and executive art director **John Otto** of Mill Valley.

Christopher and Walker will become vice presidents of Wyman Co., the surviving firm name, and all of their key personnel will be moved to the new company. Other Wyman and Co. officers will include **Ruth J. Wyman,** executive vice president, and Owen, continuing as senior vice president.

**OWEN J. MURPHY** of Terra Linda has been made assistant vice president at **Bank of California's** main office in San Francisco. He works in installment loan supervision and has been with the bank three years.

**NEW MANAGER,** custom framing department, of **Creative Arts,** Sausalito is **Frank de Neveu** of San Francisco. He was previously a framer in Florida and is a native of Chicago where he received his training at University of Chicago and the Vogue School of Fashion Design. He is available for consultations Mondays through Saturdays from 9 a.m. to 6 p.m.

# War Blamed For Building Decreases

LOS ANGELES (AP)—Money for building will be scarce as long as the United States fights in Viet Nam, says California's savings and loan commissioner.

But there's a way to help prevent extremely tight or loose money, says a savings and loan consultant.

The two spoke yesterday before the State Senate Fact Finding Committee on Governmental Efficiency.

"We are involved in a shooting war in Viet Nam," said commissioner Gareth W. Sadler. "So long as the engagement continues there will be a greater demand for capital investment, there will continue to be a tight money situation."

Dr. Preston Martin, a finance professor at the University of Southern California and economic consultant to the Council of Savings and Loan Financial Corporations, supported a proposed state law that would give state-chartered savings and loan institutions greater lending powers.

When there is amply money for building, customers tend to buy more expensive houses with smaller down payments, he said. This often results in overbuilding, as it did in 1963, he continued.

But, he said, if savings and loan companies had been permitted to lend funds more widely outside of mortgages, the overbuilding might have been prevented.

The state is paying now for overbuilding three years ago, he said.

# Market Engineers A Husky Rebound

NEW YORK (AP) — The stock market closed with one of its biggest rallies of 1966 today despite late profit taking.

Glamor stocks and blue chips advanced to give an impression of solid strength.

Trading was heavy as the recovery carried through its second straight session. It was regarded chiefly as a technical rally from an oversold condition.

Here was the picture near the close:

In late dealings some glamor stocks were cut back by profit taking. Xerox was off about 5 and Polaroid 4.

Gains of 2 or better were held by such issues as Du Pont and IBM. Most airlines advanced a point or better. Gains of 1 or more points were scattered through most major groups.

Volume for the day was estimated at 9.1 million shares compared with 11.21 million Tuesday.

Prices rose from the start. Profit taking interrupted the rise late in the morning. After this was digested the market made even greater strides.

Glamor stocks were favored as usual, but buying spread throughout the list of key stocks also. Blue chips rose from fractions to 1 or 2 points. Eastman Kodak added 6, Du Pont 3.

IBM rose 5; Becton & Dickinson and Emery Air Freight 4; Pan American World Airways, Coca Cola, Delta Airlines, Ling-Temco-Vought and Jersey Standard about 3.

Up 2 or better were Goodrich, General Dynamics, Anaconda (ex dividend), New York Central.

Gains of a point or so were made by many stocks.

KLM Airlines lost more than a point and Texas Instruments was down about 2.

Prices advanced in heavy trading on the American Stock Exchange.

# Admiral Negotiation Announced

CHICAGO — Negotiation of a new three-year contract providing a total wage increase of 36 cents an hour and other benefits for approximately 7,000 Admiral Corp. Electronics Workers in Illinois and Wisconsin, has been announced by C. S. Rossate, operations vice president—electronics division.

The new wage agreement with Local 1031, International Brotherhood of Electrical Workers, becomes effective with a 15 cents an hour increase on Sept. 5. Hourly increases in the second and third years are 10 cents and 11 cents, respectively, the Admiral official explained.

The new contract also provides payment for an additional holiday — Good Friday. The company's medical and hospitalizatioin plan has been improved, Rossate said, and a four-week vacation will be granted after 20 years of service.

The agreement, which was approved by union membership, covers Admiral personnel in Bloomington, Dixon and Harvard, Ill., Sun Prairie, Wis., and in the company's new color picture tube facility in Chicago.

# Cadillac Has Second Straight Record Sales

DETROIT — Cadillac Motor Car division has reported a second consecutive record breaking sales period with domestic deliveries of 4,572 new car sales during Aug. 11-20.

The 4,572 sales total breaks an 11 year high for the mid-August period—4,491 set in 1955—and is more than 17 per cent ahead of the 3,883 sold during the same period a year ago, according to Lee N. Mays, Cadillacs general sales manager.

Play everytime you visit your nearby Mayfair. Just follow these easy instructions...

1 You'll receive your "Money Letters" Game Card and your first "Money Letters" envelope when you visit Mayfair. There is absolutely no purchase requirement, either to play or to win.

2 When you receive your "Money Letters" envelope, first check to see if you are an "INSTANT JACKPOT WINNER." If you are, tell the store manager immediately and collect your prize money.

3 If you are not an "Instant Jackpot Winner," separate the stamps and place them on the appropriate letter spaces on the six "Money Letter Bills" on the game card. Only letters from official envelopes count toward spelling prizes.

4 Spell any prize and you win it. You only need to spell one prize to be a winner. No stamps are needed in the free spaces. Free spaces cannot be transferred.

5 When you've spelled a prize, see the store manager for verification and the awarding of your prize. See complete official rules on every game card.

# Dipsea Race Reflects Man's Zest For Life

Each year, the famed Dipsea Race sends runners over the same foot trail from Mill Valley to the Sea.

Last Sunday's 56th running of the traditional run was not much different from the 55 others that preceded it. But the appeal of the Dipsea grows, not diminishes, with each passing year.

The young who conquer the 6.8-mile course for the first time thrill to the unique contest that pits man's raw courage and stamina against some of nature's toughest obstacles.

Veteran Dipsea runners who come back for a return performance or who turn out to applaud their younger successors, find the glamor undiminished.

What makes each Dipsea Race so refreshing is the realization that man can still enjoy the trees and the sand and the ocean breeze just a few minutes drive from congested cities that are paved with concrete wall to wall.

Most of our traditional observances are becoming modernized, mechanized, and commercialized. But the Dipsea run over Mount Tamalpais, innocently launched in 1909 by a group of sports enthusiasts, remains virtually unchanged.

Those who have the courage and the inclination to hit the Dipsea Trail will find themselves in God's country, the same one that lured and taunted the runners a half century ago.

Long live the Dipsea Race, and organizations like the Mill Valley Junior Chamber of Commerce which sponsors and helps perpetuate the traditional event.

In an age when we depend increasingly on push buttons and levers to serve as our arms and legs, we need the opportunity to stretch our legs, grit our teeth and head for the wild and open country.

## More Deadly, If . . .

More people die in the United States each year from allergic reactions to bee and wasp stings than die from poisonous snake bites. This unfortunate fact is probably more true in Marin, where yellowjackets are numerous about now, than it is, say, on the prairies of West Texas, where rattlesnakes are not uncommon.

If a person has a hint that he might be allergic to bee or wasp venom, it would be the better part of valor for him or her to consult with an allergist before, not after, he is stung. An ounce of prevention . . . !

**TEENS INSPIRE HOPEFUL FUTURE**

Here are some examples of teen-agers' thinking, which should inspire hope for the future. They are among 350,000 compositions written for the N.Y. Chamber of Commerce on "Respect for the Rights of Others."

1. "Man's great fund of scientific knowledge renders him capable of creating a peaceful, thriving world. But attempting to do so without first learning to respect the rights of others *would be like building a house upon a rotten* foundation—it simply cannot be done."

2. "Respect for one another's rights is not confined merely to personal relationships, but is applied also on a national and international level. One of the requisites for world peace is respect for the rights of other people and other nations."

Do all you can to ensure that such sentiments are not merely given lip-service by young people, but are put into concrete practice. If you try, God will enable you to achieve heartening results through them.

Let me multiply my efforts for good, O Lord, by inspiring others to carry principles into action.

AFFAIRS OF STATE

# Rising Social Welfare Costs Major Issue Of Campaign

By HENRY C. MacARTHUR

SACRAMENTO (CNS) — The tremendously increasing costs of social welfare in California, and Gov. Edmund G. Brown's somewhat belated attempt to reduce the rolls through instruction to his new welfare administrator, Newton Holcomb, indicate this subject will be one of the prime issues in the campaign between now and November 8.

The estimated cost of welfare in the state, from California's general fund alone, is fixed at $1.6 billion, which represents a percentage increase of 36.6 per cent over the preceding year.

And in the short period since the 1960-61 fiscal year, the percentage increase of general fund expenditures has amounted to 197!

In estimates made of per capita expenditures, the expense has gone up from $34.19 in the 1960-61 fiscal year, to $83.43 during the 1966-67, or current fiscal year.

**THESE ARE ESTIMATES** made by the legislative analyst, and are contained in the analysis of the budget bill for 1966-67, which has already been acted on by the state legislature.

Per capita costs, of course, are subject to question where realities are concerned, for the simple reason that such costs include every man, woman and child in the state, even those who are on welfare. Thus, the per capita cost does not anywhere near give the picture of how much the taxpayer who is paying the bill is actually paying out of his pocket to support the welfare program.

**PROBABLY** a much fairer estimate would be some five times the actual per capita estimates, which would exclude those who do not pay taxes, and the members of families of taxpayers. On such a conservative estimate, it readily can be seen that the average taxpayer pays nearly $480 a year, or some $40 per month to support the welfare program.

Governor Brown has called on his new welfare administrator to emphasize rehabilitation, and get welfare recipients who can be returned to productive activity back into the channels of employment.

This is a program which no doubt should have been pursued since 1958 when Governor Brown took office. It is slightly late at the present time, a time when the governor needs all the votes he can get, to ask people who have become accustomed to a monthly welfare check, donated by the unsuspecting taxpayer, to forego such largesse and go back to work.

**DURING THE** entire period of welfare increases under Governor Brown's administration, there has been little if any attempt to halt the outgo from the general fund, or decrease that outgo to the point where some benefit would redound to the taxpayer.

Welfare programs, of course, are administered by the counties of California. But the major policies are set by the state. Counties have become so concerned about the increasing costs that the supervisors' association has proposed a new and reformed program to handle the caseload, which in all probability will be submitted to the state legislature next January.

Meanwhile, the support program continues.

## Law Enforcement Support Appreciated

May I be the first (I hope) to congratulate the lady for her letter and the editor of I-J for having printed it. We, in law enforcement, are encouraged and inspired whenever we receive support from those whom we serve. Thank you again, Marjorie C. MacDonald, for your kind words.

## Bible Here Longer Than Beatles

Editor, Independent-Journal:

Re.: Mrs. MacKay's letter, (Aug. 18.):

Christianity has been around for nearly 2,000 years . . . and the Beatles have not! The Bible is known in every, (I think.) every language and country there is . . . while the Beatles' songs are known only in a comparatively few languages and countries.

God is not dead, in America, or any other country for that matter. To prove it: A number of so-called "worshipping teens" went into a wild fury after hearing the absurd remarks made by Beatle John Lennon, and had "Beatle record - breaking parties." They bought all the Beatle records and pictures they had, and completely destroyed them; all of this of their OWN FREE WILL. At least the teens do not believe the Beatles are more "popular" than Christianity!

Mrs. MacKay referred to Americans as a "nation of grabbers." . . . Many Americans are caught up in a life of bustling hurry. They don't have time to sit down and review what they are doing and why. It is up to the rest of us, who have time to do this, to slow down these "grabbers" and give them a chance to think about how selfish they are. Most people are too scared to really look at themselves and say just how selfish they are. They consider themselves quite charitable, but most people take more than they give.

## Second Deck Isn't In Public Interest

Editor, Independent-Journal:

I hope that statements made by State Senator John McCarthy regarding the Golden Gate Bridge directors' policy of "perpetuation by payout" will not go unnoticed.

Certainly the bridge directors' recent push for a second deck is not in the public interest due to the lack of connecting routes and the fact that the regional transit studies are not yet finished. Either a toll bridge authority or a state directorship would be preferable to the present directors whose major aim seems to be a continuation of their jobs.

## Strawberry People Dislike 'Illusions'

Editor, Independent-Journal:

Your newspaper of Aug. 24, 1966 carried a report concerning the proposed annexation of parts or all of Strawberry to Mill Valley or Tiburon . . .

Let us examine the magnificent services which Mill Valley City Manager Mr. Balmer and his domain so graciously seek to offer to the citizens and taxpayers of Strawberry for a current tax rate increase of $2.30 per $100 assessed valuation:

1. A city sewer system: When Mill Valley had an outmoded sewer system, the Richardson Bay Sanitary District, formed in and by the residents of Strawberry, serving all of Strawberry, provided low-cost treatment and sewer service. Today Mill Valley is again in a fiscal bind because of its inadequate, makeshift sewer system and seeks to drag uninvolved property owners into its fiscal cesspool.

2. Mill Valley is served by its local fire department stationed deep in the recesses of the city. Strawberry is served by one of the most efficient, effective fire departments with one station located in Strawberry and another stationed a bare one-half mile away.

3. Mill Valley offers its Parks and Recreation Department: Strawberry has its own recreation district with publicly owned swimming pool, tennis courts, park and open areas.

Mr. Balmer sheds crocodile tears for Strawberry's lack of urban services.

The real truth, intentionally and carefully hidden from the public, is that Mr. Balmer is in fact not in the least bit interested in the residents of Strawberry or the services rendered to them.

Mr. Balmer presides over a municipality in deep and deepening fiscal difficulties. His remedy is to drag others into the same abyss.

Even in his wildest dreams Mr. Balmer is not contemplating or offering to annex all of Strawberry. He knows that an adverse vote in Strawberry would be a foregone conclusion.

Mr. Balmer wants to grab taxes; he wants to grab the Strawberry Shopping Center and its tax base and sales tax revenue. He offers sewer services which the area cannot use, zoning services which it does not need, fire protection from a much more remote area, and probably his blessings for what that might be worth. In exchange he offers an increase of taxes of about $2 per $100 assessed valuation.

As to the residents and taxpayers of Strawberry, one thing is certain: They don't want to pay taxes for illusions. When two parties woo them with promises of great benefits, and at the same time carefully conceal their real purpose—namely to grab taxes for their empty coffers — one can only say, "A plague on both of your houses."

BENNETT CERF

**IN LUCIUS BEEBE'S** "The Big Spenders," he cites as a conspicuous example the late Mrs. Jack Gardner (she was responsible for Boston's Fenway Park), who one afternoon paid famed pianist Paderewski a cool $3,000 to play at teatime —with the further stipulation that he remain concealed behind a screen.

Another free-wheeling spender was James Gordon Bennett, owner of the once - powerful New York Herald. Entering a Monte Carlo restaurant one day, the arrogant Mr. Bennett waxed wroth because every seat by a window was already occupied. So he bought the restaurant forthwith, had every diner therein chucked out, had a leisurely lunch at the table of his choosing — then gave his waiter the deed to the establishment!

**THERE'S A** well - known actress in town who's invested her money wisely and well, but still was observed eating dinner three nights running at a cheap East Side beanery. Nor was she ashamed to vouchsafe a logical explanation. "My dears," she confessed. "I'm trying to get my old mink coat stolen."

## New Tools Of Defense Could Help Purify Our Air, Water

WASHINGTON — Here is something that shouldn't be dismissed after a one-day headline: The Republicans in Congress have come up with a right idea at the right time and are advancing it in the right way.

They are taking an initiative which is creative, constructive, and responsible.

When its principal sponsor—Congressman Bradford Morse of Massachusetts—can get the opening support of 54 House and Senate Republicans including both wings of his party from liberal Sens. Clifford Case of New Jersey and Jacob Javits of New York to ultra-conservatives John Tower of Texas and Paul Fannin of Arizona, his idea has to be very good or so puny and diluted that it is meaningless.

It isn't puny and diluted. It is a good idea.

**IT IS THIS:**

The Republicans are introducing legislation to create a National Commission on Public Management, four of whose members would be named by Congress and nine by the President from business, labor, and academic life.

Its purpose would be to examine the tools and techniques developed by the defense and aerospace industries for complex problem-solving and recommend how best they can be applied to equally critical domestic problems — such as water and air pollution, slum housing, mounting crime, and traffic congestion.

The central questions which Rep. Morse and his colleagues raise are exciting and challenging.

**IF THE** "systems management" approach could streamline the sprawling chaos of the Defense Department and put man into space, why shouldn't it be used to come to grips more effectively with the problems of giving man clean water, pure air, better education, and a higher quality of life in the cities?

Why can't our political creativity keep pace with the march of science and the complexity of urban society and why shouldn't its techniques be applied to men or earth as well as to men in space?

The Republicans propose to try—and that's the right beginning.

Rep. Morse describes these new management tools this way:

"The systems approach is a way of thinking about the job of management. It provides a means for arriving at the best solution to a complex problem or combination of problems. The genius of the systems approach is its ability to bring order out of tremendous numbers of diverse and interacting elements and factors — order which creates the conditions for progress."

**THE APPLICATION** of modern systems-management has already begun at the state and local level. Gov. Brown is already starting four such studies in California and Mayor Lindsay is beginning to apply it in New York.

The opportunity and the need are, if possible, even greater in applying man-plus-computer to vastly complex national problems.

The Republican initiative meets these criteria:

It isn't a gimmick. It makes a real beginning.

It isn't so grandiose as to be just talk.

It puts the GOP on the side of doing something significant about solving very pressing problems.

Obviously, the Republicans cannot get this commission into being without Democratic votes. It seems to me it would be far more in the interests of the Administration to join this initiative than to block it.

# Live TV Coverage Due In Viet Nam

By ROBERT S. ALLEN
and PAUL SCOTT

WASHINGTON — A major communications breakthrough, that will bring a new dimension to the Viet Nam conflict, is in the immediate offing.

Within a few weeks, the U.S. and Europe will be directly linked by means of commercial communications satellites to the Far East, including strife-torn Southeast Asia.

Two satellites are being readied for launching by the National Aeronautics and Space Administration from Cape Kennedy, Fla., for COMSAT — Communications Satellite Corporation.

Once in stationary orbits 23,000 miles above the Pacific and Atlantic, these space stations will relay live TV pictures and radio and telephone voice signals across the two oceans and three continents.

**POWERFUL** TV-radio ground transmitters and receivers will operate from Thailand, Japan, the Philippines and Hawaii. The satellites will link these stations directly to others now in the U.S. and Europe.

By mid-1967, live TV coverage of the war will be possible when Saigon is connected to a mobile transmitter in Thailand. That link-up will permit the violence and ravages of combat to be brought instantly into the homes of millions of American and European TV viewers for the first time in history.

If the satellite communications rates are as low as COMSAT officials are privately saying they will be, many independent TV stations as well as the networks will find it feasible to transmit daily war reports from South Viet Nam.

**THE NEW FORCE** — The impact of this "third dimension" reporting on TV audiences and the communications could be far-reaching.

Some of the President's advisers are urging him to set up a special panel to study this "instant TV" problem. They are warning that the live broadcasts could directly affect the conduct of the war, foreign policy and elections.

This is also the opinion of TV producer Fred Friendly, now a communications consultant of the Ford Foundation.

**ONE-SIDED SHOW** — One concern of the White House advisers is that the live war coverage will be from only one side of the battlelines. This could present extremely difficult security problems.

Military disclosures could occur frequently unless careful precautions are taken in advance. Also there is the danger that small but aggressive opposition elements could use the open war coverage to dramatize their minority views before large audiences in the U.S. and abroad.

"A fiery suicide could be staged by the militant Buddhist to attract instant world-wide attention unless Live TV broadcasting is accompanied by censorship," a high-level State Department official stated in a memorandum to the White House.

**THE MILITARY USE** — COMSAT's satellites will be used by the Defense Department for direct communications with U.S. commands in Southeast Asia and the Pacific.

The Defense Communications Agency, which is encountering difficulty in establishing its own satellite communications network, has contracted with COMSAT for 30 circuits to carry high priority messages to these commands.

One circuit is being set aside for direct communications between the White House and the command in Saigon.

**CONGRESSIONAL FLASHES**—Republican House Leader Gerald Ford (Mich.) has informed the White House he is opposed to Congress being reconvened after the November election unless there is a national emergency. In discussing the possibility of a lame-duck session, Ford is telling his colleagues: "I am absolutely opposed to Congress coming back to finish work on the President's program. If there is a lame-duck session, I will employ every parliamentary maneuver and tactic in the book to block passage of legislation. Only if there is a national emergency, do I favor Congress returning after election." . . .

President Johnson is letting it be known that he would like to see Congress recess by Oct. 1 and return after the Nov. 8 election.

## Business Is Mighty Booming At Tiburon's Little Library

**TUCKED AWAY UPSTAIRS** in back of the boardwalk, the Belvedere - Tiburon county library branch wouldn't seem to generate much business.

Once you're inside, however, you discover the opposite. The branch does a lot of business—perhaps too much for its 1,000 square feet of floor space. Stacks of books and magazines are piled everywhere and the shelves are jammed.

Hopefully, the branch will soon move to better quarters, according to Mrs. Virginia V. Keating, county librarian. Newer quarters are planned in the office building now being constructed on Beach Road next to the post office, she said. Move-in date has not been set.

**IMPORTANTLY**, the new branch will be on the ground floor, making it more convenient. The present branch can only be reached through a narrow back staircase.

The new branch will have the same amount of floor space, but by using fewer windows it will house more books. Shelving is planned for 6,000 volumes, a thousand more than the present branch.

Despite its location, the present branch does a good business. Summer circulation has been averaging 150 books a day, according to Mrs. Betty McKegney, librarian. There are about 4,600 cardholders in the file, although some of these might be out of date, she said.

**FOR SOME** strange reason, Thursdays are the branch's busiest days. Mrs. McKregney surmises that more borrowers choose that day to take out reading for summer weekends.

During the winter, Wednesdays are the busiest days. And there seems to be no explanation for that.

The branch is open 2-5 p.m. weekdays and also 7-9 p.m. Tuesdays and Thursdays and from 10 a.m. to noon Fridays.

House organs (publications by industries or businesses) provide interesting slants on the news occasionally. Talk about a localized angle.

**THE BOURBON** newsletter, published by the Bourbon Institute (now you've heard everything?), offers this fishing tip. If the fish seem to be staying away from your line down near the Tiburon ferry slip, try this.

Pour a concoction of two shots of bourbon, and a spoonful each of sugar and salt into an atomizer and spray on your hands.

Biologists have found that fishermen's hands impart an odor to bait that frightens fish, the newsletter says. Hands secrete an amino acid called serine that offends the fish's sense of smell.

The Bourbon spray hides the offending odor, the newsletter insists.

I imagine the assumption is that fishing becomes more pleasant if not too much bourbon is used on the hands.

## Those Polls Can Rile Anyone When They Bring Bad News

WASHINGTON — Last week George Gallup's poll revealed that Sen. Robert Kennedy was more popular than President Lyndon Baines Johnson. This obviously has caused some consternation at the White House where polls play such an important part in the life of the Great Society.

I would have hated to be the White House aide who had to break the news to the President about the results of the Gallup Poll. It must have gone something like this.

"Well, Marvin, read me some polls this morning while I'm shaving."

"Yes, sir, Mr. President. The Lurleen Poll in Alabama says you're running eight percentage points ahead of Adam Clayton Powell.

**"THAT'S FINE.** What else have you got?"

"There's good news from the Lou Harris survey in Southeast Asia. It reveals more people want you to bomb North Viet Nam than they do Cambodia."

"What else, Marvin?"

"Elmo Roper has an excellent one, sir. He took a survey in Alaska and more people up there recognized your name than they did either George Romney or Sonny Liston."

"Remind me to go up to Alaska one of these weekends, Marvin."

"You made the 'Ten Best Dressed Men' of the year poll again, Mr. President."

"Not many votes in that."

**"HERE'S ONE** from South America I think you'll be interested in. The Sombrero Organization of Public Opinion took a survey in Venezuela and 63 per cent of the people questioned said they'd rather listen to you on the Voice of America than either President Sukarno or Gamal Nasser."

"Remind me to send Hubert Humphrey to Venezuela one of these days."

"Oscar Quayle has been working the state of Montana for a couple of months, sir, and I must say he's come up with some heady stuff. You're more popular up there than either Jimmy Hoffa or the Atlanta Braves baseball team."

**I'LL WORK IN** something nice about Montana at my next press conference. Is that all you've got?"

"The Wall Street Journal took a poll among their readers and you're running 14 percentage points ahead of Ralph Nader, George Meany, Arthur Schlesinger, and Norman Thomas."

"That's a fine newspaper."

"The Nielsen ratings have just come in and Luci Baines's wedding had a higher rating than 'Naked City,' 'Queen For a Day,' and 'My Mother the Car.' "

"Remind me to send an autographed picture to Mr. Nielsen. Say, isn't this the morning that the Gallup Poll comes out?"

"Yes, sir, it is."

**"WELL, WHAT** are you waiting for? Let's have it."

"It's a popularity survey. I don't think you'd be interested in it, Mr. President."

"Let's hear it, Marvin."

"It seems, for some reason I'll never understand, Gallup asked people whom they'd prefer in 1968 as President—and more people mentioned Bobby Kennedy than they did you. I'm sorry, sir."

"Nothing to be sorry about, Marin. I never put much truck in polls anyway. They're bound to be wrong every time."

# Board Delays Reed Boulevard Rezoning

Marin County supervisors yesterday delayed action on one zoning request and denied another on Reed Boulevard southeast of the Alto interchange, agreeing the area was in need of improvement.

John Eichorn, represented by Attorney Albert Bianchi, asked for commercial zoning on a lot now zoned for business and professional use on Reed across from the Mill Valley Volkswagen. The planning department recommended apartment zoning.

After lengthy discussion, supervisors put this over two weeks, asking for the intentions of neighboring property owners.

Mrs. Marion McDonald asked apartment zoning on a lot zoned for single residential use north of the Eichorn property and accessable to Reed by a long driveway. The planning department recommended against the change.

Supervisors denied it by a 3-1 vote, with Supervisor Ernest N. Kettenhofen dissenting and Byron W. Leydecker absent, and told Mrs. McDonald to see if her neighbor would be willing to join in a planned residential zone.

The meeting was chaired by Supervisor Thomas T. Storer.

## Traffic Safety Costs Estimate

LOS ANGELES (AP) — Real traffic safety in America will cost $1 billion yearly, says the president of the National Safety Council.

But, council president Howard Pyle, former governor of Arizona, told a Los Angeles businessmen's meeting yesterday there is a hurdle even more difficult: "Public acceptance" of safety measures.

## Petition Legality Hearing Slated

Hearing on the legality of a petition for a referendum on a Marincello access road was scheduled yesterday in Marin Superior Court for Nov. 15 before Judge Joseph G. Wilson.

The May 11 petition by Golden Gate Headlands Committee sought to either negate county board of supervisors' permission for an access road to the Marincello development, or call a referendum vote on it.

Later in May the county clerk's office ruled that the petition lacked sufficient qualified signatures. On July 20, the headlands committee filed a new petition asking the court to rule the referendum petition was legal. Four days have been scheduled for the hearing.

## Sun To Be Studied In Manned Flight

WASHINGTON (AP) — The National Aeronautics and Space Administration plans to orbit the earth with a manned spacecraft in 1968 to study the sun during increased solar activity.

The spacecraft, equipped with telescope mount and instruments for observing the sun, will attempt high-resolution measurements and observation of the sun's structure and behavior during the stepped-up solar activity that occurs every decade or so.

## Criminal Sets Own Sentence

DALLAS (UPI) — Clyde Franklin Stacks, 23, heard himself sentenced to from two to three years in prison yesterday for car theft. He mumbled it was not enough.

He said he wanted 10 years.

"That's what it will take to break me," Stacks said.

"How about five?" Judge Joe B. Brown asked incredulously.

"No sir, 10," Stacks said.

Other prisoners looked horrified as Judge Brown agreed to the request.

# Committee Created To Study Honor Farm

County supervisors yesterday created a special committee to investigate establishment of an honor farm for minimum security county prisoners.

The action came during discussion of what should be done to improve conditions at the existing jail in the 30-year-old courthouse in San Rafael during the two-year wait for a new jail under construction at the Civic Center.

These conditions, resulting from overcrowding as well as antiquated facilities, were severely criticized recently by Municipal Court Judge Alvin H. Goldstein.

Yesterday, County Administrative Analyst Randall Shores submitted a report to the supervisors, assuring them that their recent appropriation of $32,850 to board up to 30 per cent of the Marin prisoners in the Sonoma County Jail had gone a long way to improve conditions in this county's jail.

The board then took up Supervisor Ernest N. Kettenhofen's suggestion that a county jail farm be established and that the old county hospital building in Lucas Valley be considered for remodelling to that end.

Both Public Works Director Donald R. Frost and Sheriff Louis P. Mountanos welcomed the honor farm proposal but called the old building unsuitable because of previous condemnations as an earthquake hazard when a hospital and later when used as a school.

A committee was then appointed to study possible sites for such a jail farm to be used by work-furlough prisoners and others not requiring close detention.

Appointed were Kettenhofen, Mountanos and representatives to be named from the public works and probation departments. The board expressed a desire to have Judge Goldstein on the committee, but decided it would be more proper merely to request the presiding judge of the Marin County Superior Court to appoint a judicial member.

No action was taken yesterday on various proposals to improve the jail in minor ways by painting, installing ventilating equipment and better lighting.

## Los Angeles Tax Rate Down

LOS ANGELES (AP) — The Los Angeles County tax rate was reduced 2.59 cents today, but the Board of Supervisors warned that total tax bills of property owners may be higher because of increasing school costs.

The new county rate for 1966-67 will be $2.3891 for each $100 of assessed valuation, against $2.4150 for the current fiscal year.

A 10 per cent assessed valuation increase made possible the rate reduction. However, only those whose valuations remain the same will enjoy any saving.

After a barefoot summer, they'll hate wearing shoes.

We don't blame them. But the next best thing to going barefoot is Jumping Jacks, the shoes with barefoot freedom. They're unlined and made of prime leathers for wear without weight. They're lighter, softer, more flexible. More like going barefoot. So this Fall bring your child into our store. Then send him back to school in Jumping Jacks. He'll hardly notice summer's over.
